Charlevoix

District Local Grant

Grant Title: Rotary Park Playground Revitalization 2.0

Amount Awarded: \$2,500

The Charlevoix Rotary Club proposes to further improve the playground at Charlevoix Rotary Park by replacing a cracked and aged sliding board with a new one that meets current child safety standards, two weathered park benches with four 6-foot benches with backs and arms. and an additional Tuffrider (T-rex with spring coil) playground feature.

This project follows up a major 2014 Playground revitalization project that replaced all equipment except for the items referenced above and provided new ADA compliant playground surfacing. This original project was funded in part by a Rotary District Local Grant and support from the Charlevoix County Community Foundation.

The Rotary Club of Charlevoix has maintained its ongoing commitment to the city by providing a quality playground at Rotary Park which is located next to popular municipal ball fields and is highly utilized throughout the summer and shoulder seasons.
