

Doing Good in the World

Your Rotary Foundation contributions help:

Fight disease

The Rotary Foundation has since 1988 helped **immunize 2.5 billion children** against polio, malaria and HIV/AIDS.

- + Your contributions have helped Rotary **establish clinics worldwide** to help people who have hearing, vision and dental issues.

Promote peace

The Rotary Foundation promotes conflict resolution and prevention by **offering 100 Peace Fellowships** a year.

- + Thanks to these fellowships, more than **1,100 Peace Center graduates serve worldwide** in government, schools and nonprofit agencies.

Provide clean water

The Rotary Foundation's work has ensured **clean water to 21 million people** who previously did not have access to this simple necessity.

- + We have **provided drinking water well**, and portable water filtration equipment to people worldwide.

Save mothers and children

The Rotary Foundation is committed to **supporting high quality health care** for vulnerable mothers and their children.

- + Among the initiatives your **contributions support are insecticide-treated bed netting, health clinics, birth kits** and post-natal care, and access to health professionals.

Support education

The Rotary Foundation believes **basic education and literacy** for both males and females can strengthen communities in many ways.

- + Your contributions help the Rotary Foundation **train teachers, build schools**, and provide schools with clean water and basic sanitation.

Economic and community development

The Rotary Foundation **helps individuals and communities** help themselves thrive financially and socially.

- + You have helped Rotary **provide economic and community development resources** to areas in which people live on as little as \$1.90 a day.
