

Join the Polio Plus Society

Our district, 6330, proudly joins The Rotary Foundation and fellow districts across the world to announce the new Polio Plus Society and invite all of our members to join. This simple act of generosity by our fellow Rotarians around the world will bring the life-saving polio immunization to countless children until the day that the world has been rid of the virus. We are truly *This Close* and we need your help to complete the job.

The Polio Plus Society is an organization of like-minded individuals who have committed to contribute \$100 US or more each and every year to Polio Plus until the world has been declared free of the Wild Polio Virus. This is our commitment to fulfill the promise Rotary made in 1985 to immunize all the children of the world.

It's easy and rewarding to become a member. Complete and email the Polio Plus Society Pledge Form and to the District Polio Chair at katherine.hahn@rotarystratford.com Complete your contribution commitment in one of three ways:
