1. Describe your project, its location, objective, and total cost. This is your opportunity to briefly tell the case statement for the impact of the grant, i.e., why it is needed, what difference it will make, how Rotarians will be involved, or anything else that has your club excited about its merit.
2. Provide a concise, itemized budget for your project. It is acceptable to categorize your expenses.
3. What is your club's financial commitment to this project? (total club contribution)
4. What is the amount of the grant you are requesting? The amount of your grant cannot exceed 50% of your Club's financial commitment to the project, or \$2,500.00 – WHICHEVER IS LESS. (if a club commits \$2,000.00 to a project, its grant could be \$1,000.00. A \$5,000.00 commitment could receive a grant of \$2,500.00. A \$10,000.00 commitment could receive a grant of \$2,500.00)
5. Identify the cooperating organizations, if any, on your project, which by submitting

this application you are endorsing as reputable, responsible, and as acting within the laws of the project country.

6. Provide the names and contact information for the two Rotarians in your Club responsible for sponsoring your project as well as the names and contact information of two Rotarians implementing this project in the host district, if this is an international project.

7. Provide the names and contact information for the two Rotarians in your Club to whom you have personally given a copy of the Final Report form and who have agreed to be responsible for timely submitting all required project reports.

8. Provide the physical mailing address matching grant checks should be sent and contact person if your application is approved.
