JULY 2015

Light Up Rotary - George's Way

Here we are, at the close of this great Rotary year.

Our TEAM 6.3.8.0 Rotarians certainly know how to Light Up Rotary!

Amazing Rotarians have demonstrated time and time again that when they have a Rotary dream, and create a Rotary vision, they can put their feet in motion and create a path of Rotary footprints to help so many less fortunate than us.

From our start under such humbling circumstances last July, the loss of our Governor George Hedgespeth, all of you have responded. Our membership is up, our membership is more diverse, literacy is front and center in many more clubs, and we will end up the year with increased giving to our Rotary International Foundation.

Hats off to all of you for being such great Rotarians!

Take care, and please reach out to me if there is anything I can ever do for any of you.

And, a BIG THANK YOU for your year of leadership as your club president!

Governor 2014-15*

What Story Will They Tell?

Livingston Sunrise Rotary Club Event Midnight in the Tropics 2015

The Livingston Sunrise Rotary Club continued its tradition of making winter a time to focus on special projects for youth. This year, the club held its fifth annual "Midnight in the Tropics" fundraiser gala in February. Cleary University's Johnson Center was transformed into a tropical paradise and the community came out for an overwhelmingly successful event. And, folks are already looking forward to the sixth annual event with great excitement. The most important draw of support came from the fundraiser's main focus, the youth of Livingston County.

S. Gross Auctioneer and
P. Murphy

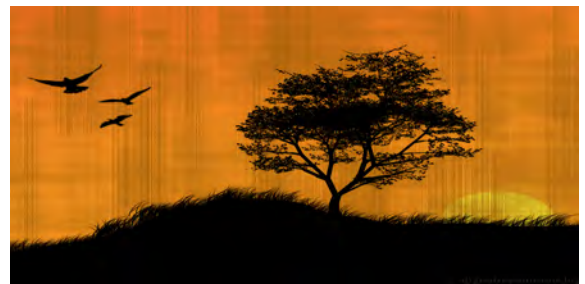

M. Murphy and L.
Halsted

In one evening, this focus netted over \$45,000 that will go back into community projects. These funds will go to help The Connection Youth Services in Howell, Reaching Higher in Brighton and Big Brothers/Big Sisters of Livingston County. The Connection Youth Services helps teens and families in crisis by providing emergency assistance, housing, employment, and education just to name a few. Big Brothers/Big Sisters is dedicated to mentoring youth with the goal of helping children achieve success in life. Reaching Higher was created to give middle school and high school students easy-to-use tools and practical strategies to improve self-esteem, foster positive life choices and promote higher education.

This year's major sponsors were Brighton Ford, Chestnut Development, Financial Plus Credit Union, Iversons Lumber and Asahi Kasei Plastics. In addition, there was a enormous support by numerous other community individuals and organizations that we appreciate and recognize for their donations and time which added to the success of this event.

Next year's fundraiser will be held on February 20, 2016 again at the Johnson Center on the Campus of Cleary University in Livingston County.

Dear Rotary Supporter:

The Utica-Shelby Township Rotary Club needs your help!

We are having our 40th Annual Golf Outing on July 13, 2015 at the beautiful Sycamore Hills Golf Club and we are hoping that you will help us by donating to our event. We have select Sponsorship Opportunities which are listed on the next page, titled Sponsorship Opportunities or maybe you would like to donate an item for our Card Game Drawing.

A member of our Rotary Club will be contacting you, either in person or by telephone, to visit with you about your contribution. The Rotary members will also need your proper name to be placed in our supporters handbook and depending on the sponsorship selected, a copy of your camera ready logo.

The Utica-Shelby Township Rotary Club has been in existence since 1929 serving the communities in various capacities over the years. This year, aside from small percentage going to Rotary International, all monies raised at the golf outing will stay in the community helping food banks, homeless shelters, families that just need some help and other worthy community causes.

We would like to thank you in advance for your support and the Rotary Club is a 501(c)(4) entity making your donation tax deductible to the extent allowed by law. If you have any questions please call me or if you like, please mail your donation to Mr. John Lembke, our Golf Donation Chairman.

Sincerely,

Herb Doebler
