D6380 Governor Message for July

Keep a beginner's mind

■ Submitted by Michael Angelo Caruso

It's a new Rotary year!

As you know, our district now has a fresh crop of club presidents and club officers, some fresh assistant governors (AGs), and a new district governor (DG.)

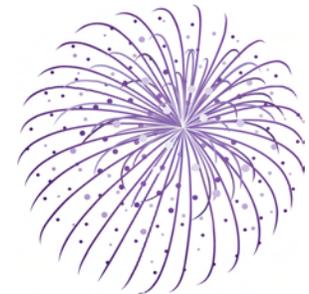

We paid tribute to all these folks at the Meet the Governor Night party at the Detroit Yacht Club on June 30. The fun photos are on our district Facebook page. <http://tinyurl.com/zg4456u>
More on that event in a bit.

As we begin the new Rotary year, I'm reminded of the famous quote from Zen Master, Shunryo Suzuki, who once said: *"In the beginner's mind, there are many possibilities. In the expert's mind, there are few."*

As a 20-year Rotarian, I'm still learning a lot about our great organization. One of my biggest challenges as district governor-elect was identifying talent and learning the intricacies of our 52 great clubs. So, if you've got some game, please let us know. We'd love to have you more involved. Almost all of the 2016-17 leadership team is now listed in the district organization chart on the district website at www.Rotary6380.org
<http://www.rotary6380.org/DistrictOrganizationChart/2015>

Meet the Governor Night on June 29, was our kickoff event for 2016-17 and a great example of what can happen when we keep a beginner's mind. This event was handled a bit differently this year:

- The event took place out of district
- We gave it a hip name — Meet the Governor Night or MTGN
- The event was hosted by the assistant governors
- Instead of being sponsored by one club, MTGN was sponsored by 19 clubs
- Attendance was 165 people
- Our emcee, Ian Anderson, welcomed all to a "fun party with minimal pretense"
- This was a public event sponsored by Rotary (15 of the attendees are not Rotarians, yet)
- We promoted MTGN using an overlapping messaging (different modalities such as bulk e-mail, Facebook, and AG visits at the same time)
- Best of all, feedback has been FANTASTIC
- Business professionals call these kinds of results "proof of concept."

District Governor Message continued on page 2

District Governor Message continued from page 1

Aim for the bull's eye.

The key to our success in 2016-17 is knowing where we are going. We have to aim, not only at the target, but at the bull's eye. This is good advice for our clubs, as well.

This is why I'm asking all clubs to fill in their goals on the district website at www.Rotary6380.org

<http://rotary6380.org/DistrictOrganizationChart/2016>

This 15-minute activity will be amazingly effective in helping your club receiving the Presidential Citation <http://tinyurl.com/zvy7kv7> this year.

When we have successful clubs in 2016-17, we can say that the district is successful, as well.

Let's get connected and stay engaged

How can we sharpen our communication?

I'm encouraging the twelve AGs, 52 presidents, and all other Rotarians to communicate using Facebook (for our more social Rotarians), LinkedIn (for our business professionals), Twitter (if you want media attention, e.g., #DetNews), email (for longer, more involved messages).

Of course, I also recommend good old-fashioned phone calls so that people know you're a real person and not just a bulk emailer.

Multiple communication modalities will improve your reach and ultimately, make you an even more successful Rotarian.

More and more of our committee chairs are using our district's video platform, Zoom remote meeting tool is available to all 6380 members/clubs.

[\[http://tinyurl.com/h7kof8o\]](http://tinyurl.com/h7kof8o)

This makes our meetings more efficient and helps us be more respectful of everyone's time.

As we move through the 2016-17 Rotary year, try to keep a beginner's mind.

The easy way to get your club a Presidential Citation

It's the highest honor a Rotary Club can achieve.

It's not that difficult to get this award, but a surprising number of clubs do not usually make the grade in any given year.

It's called the "Presidential Citation" because it comes from the @John Germ, President of Rotary International for 2016-17. Here are three great tips for having your club receive this important award:

1) Know what the Presidential Citation is.

Learn more by visiting <http://tinyurl.com/zvy7kv7>

The citation is really just a checklist for all the things a top-performing club should do during a Rotary year.

Check off all the items and your club will earn the Presidential Citation.

2) Use TOMA to keep everyone thinking about this award.

TOMA means "Top of Mind Awareness." Print copies of the Presidential Citation and circulate them to your Rotarians – especially the board of directors.

Update everyone on your club's progress every quarter.

3) Start early.

Some of the items on the checklist will take a while to achieve.

4) Bonus tip: Focus on the hardest task.

One of the items on the President Citation may be extra challenging for your club. If so, don't be shy about giving it some extra attention. You can, for example, form a committee or special task force to make sure that this task receives some extra attention.

Good luck! And we hope to see you celebrating with your great club on at district conference at the Grand Hotel on Mackinac Island, May 4-7.

'How to Engage Someone in 15 Seconds'

A professional development program with
international speaker and Rotarian
Michael Angelo Caruso

Michael Angelo Caruso is Founder and President of Edison House, an international consulting firm specializing in corporate and personal development. His speaking clients have included Bank of America, Hallmark, Verizon, the United States Navy and Nissan Corporation.

Caruso is the Past President of the Rotary Club of Troy (MI), and Public Image Chair for Rotary District 6380. He was selected to be a 2014 workshop speaker at the Rotary International Convention in Sydney, Australia.

Friday, July 22nd ~ 7:30 – 9am
Crystal Gardens Banquet Center

5768 E. Grand River, Howell

Pre-Registration recommended – Space is Limited

Cost: \$20, includes breakfast & program

Hartland & Sunrise Rotarians – pre-register thru your club
Community and Chamber Members - register online below:

Brighton Chamber: www.brightoncoc.org/events

Hartland Chamber: www.hartlandchamber.org/programs-events

Questions: (810) 227-5086 or (810) 632-9130

This event is open to the entire community – you do not need to be a member of Rotary to attend. Rotarians that attend will be eligible for a meeting make-up.

This very special program is sponsored by:
Greater Brighton Area Chamber of Commerce
Hartland Area Chamber of Commerce
Livingston Sunrise Rotary Club
Hartland Rotary Club

District Governor Club Visit Schedule

This year, in keeping with our district theme of “Go Public With Rotary,” I’m asking you to make this year’s governor visit a public event sponsored by Rotary.

A NEW KIND OF GOVERNOR VISIT

As a professional motivational speaker who never charges Rotary for talks, I’ve done hundreds of programs like this for Rotary clubs all over North America. Even small clubs have been able to attract 200+ people because of its appeal. Many clubs actually raise money from these events. You can, for example, charge visitors a bit more because you’re offering more value and your club keeps the money. Most clubs are able to sign up new members as a direct result of my motivational talk.

Behind the scenes, we call this program “M & Ms” or “Members + Money.”

The idea is to at least double your normal your club meeting attendance the day I visit. In fact, I’d like you to plan on having at least 100 people in the room when I come to your club.

Together, we’ll promote a fun program with a great title: “How to Engage Anyone in 15 Seconds.”

This content is perfect for customer service teams, salespeople, and leaders of all stripes. It’s an easy way to lure community leaders to your club meeting on this special day. My talk will still contain Rotary content, but non-Rotarians and Rotarians alike will be very pleased with what they hear, I promise.

THIS IS EASIER THAN YOU THINK

Rotarian René Pothetes, in my office, has provided you a paint-by-numbers guideline for ensuring our success.

- Pre-written emails to send out to your members and friends of Rotary
- A high-resolution photo and sample video so people know what to expect
- A road-tested timeline of what to do when
- Tips for attracting media attention for your club
- Ideas for motivating your club members to get involved with this event
- Marketing tips that you can use for future club events and even at work

I’ll be asking a few of our smallest clubs to attend my visit at a neighboring club so that they can benefit from some new energy and a fresh batch of ideas. This type of cross-pollination is happening with governor visits across the country.

Most other Governor visit traditions will remain in place, such as:

- Official salutations and news from the district
- Your assistant governor will attend the event and introduce me
- I will meet with you and your club’s board of directors in the hour before or after the meal

THIS IS THE BEST TIME TO BE IN ROTARY

I encourage you to “go public with Rotary” throughout the year such as when planning events (your Presidents dinners, new member inductions, picnics, etc.) and when sharing information online.

I look forward to working with you in the new Rotary year!

*Yours in Rotary,
Michael Angelo Caruso*

Rotary Fellowships Month

Rotary Club of Brighton

■ Submitted by Beth Walker

The Rotary Club of Brighton is pleased to announce its 2016 educational scholarship recipients. Established in 1989 to honor the memory of veterinarian Thomas Anderson and dentist Donald McGregor, the **BRIGHTON ROTARY ANDERSON – MCGREGOR MEMORIAL SCHOLARSHIP** recognizes graduating seniors of Brighton Area Schools with educational scholarship awards. Brighton Rotarians Thomas Anderson and Donald McGregor were very active in the community, dedicated professionals, and sincerely believed in the value of education.

The **ANDERSON-MCGREGOR PERSONAL ACHIEVEMENT AWARDS** are based upon the philosophy that people who can make a difference for themselves can make a difference for the world. Nominations are sought from teachers and counselors for students who deserve recognition for their work ethic and results and will be attending a Michigan school of higher learning.

Two recipients are recognized this year with \$750 Personal Achievement Awards:

As BHS senior class president, **Jolin Cramer** was named by Principal Johnson as a member of the Livingston Daily's All-County Team of Stellar Students. She has been very involved in student government while pursuing excellence in dance and will attend a training session with the NYC Rockettes this summer. Jolin will be attending *Western Michigan University* to study dance & business

Chloe Kirkpatrick attended two other high schools before joining BHS her junior year. She was a District Champion with our DECA team, participated social

responsibility activities like SADD and Reaching Higher, and earned scholar athlete status with the girls tennis team. Chloe will be attending *Washtenaw Community College* to study Radiology Technology.

The **ANDERSON-MCGREGOR SCHOLASTIC ACHIEVEMENT AWARDS** consider leadership qualities, scholastic performance, and volunteer / extracurricular activities. We seek students that exemplify work and character qualities valued by Rotarians.

Three recipients are recognized this year with \$1,500 Scholastic Achievement Awards:

During high school, **Julia Rapaport** could often be found on the basketball court with the varsity team or in the band room practicing solos and marching band repertoire. Her closeness to her grandfather sparked her desire to combat the ravages of Alzheimer's through funding and research and shaped her career goal of becoming a lobbyist. Julia will be attending *Michigan State University's James Madison College* to study Social Relations & Policy.

Scott Smith is already on his way to a college degree through dual-enrollment in advanced calculus classes at WCC. A Top 10 Academic member of the BHS class of 2016, Scott was active in the Digital Multimedia Club, Jazz & Marching Bands, Science Olympiad and Quiz Bowl teams while working at least 20 hours each week during the school year. Scott will be attending *The University of Michigan* to study Electrical Engineering.

Salutatorian **Jack Wisbiski** left his mark at BHS not only through academics as a

National Merit Scholar, U.S. Presidential Scholar Award Nominee, Michigan Mathematics Prize Competition Finalist, his score of a perfect 36 on the ACT, and dual-enrollment in advanced calculus college classes. Jack has been a leader through scouting as an Eagle Scout with 5 Eagle Palms, a Troop Instructor, Assistant Scoutmaster, and Order of the Arrow Chapter Chief. You may have also enjoyed his performances on stage with BHS bands, choirs, and musicals. Jack will be attending *The University of Michigan* to study Aerospace Engineering.

The final recognition sponsored by the Brighton Rotary Club is the **"Service Above Self" \$1,500 scholarship to recognize the Brighton High School Interact Club member that has contributed the most service to the school, community, and the world.**

Madeline Jones has been a dedicated board member of the Brighton Rotary sponsored BHS Interact Club since her freshman year culminating in her service as President her senior year. An enthusiastic cross-country team member for four years, Maddy also served as a student coordinator and tutor for the BHS After-School Tutoring program. Other responsibilities included serving as vice-president of the See Something, Say Something group, performing as a Dance Production Assistant for the musical productions all four years, and involvement with the Science Olympiad and Quiz Bowl teams. Maddy will be attending *The University of Minnesota-Twin Cities* to study genetics, cell biology, development and philosophy.

Scholarship recipients Madeline Jones, Jolin Cramer, Julia Rapaport, Scott Smith, Jack Wisbiski and Chloe Kirkpatrick

Clarkston Rotary Club

■ Submitted by David Boersma

Written for the past president's dinner as incoming president for the Clarkston club

Clarkston Rotary Club had a great 2015-16 and is going to be a-shaking and a-moving in 2016-17. Incoming club president Dave Boersma plans to make a few changes to the club schedule, changes that will engage the current membership, attract new members and increase visible presence in the Clarkston community.

Here is his four-step plan:

- **Weekly updates on the club website and social media** – We are going to make sure Clarkston knows what, where and when we are doing things!
- **Reduce monthly speakers from every week to two a month** – We are going to reduce the speakers to two a month to fit other activities into meetings as well as increase the quality of our speakers!
- **Monthly in-meeting service projects** – We are going to expand our impact on the community by adding smaller projects every month!
- **Monthly club recognition** – We are going to set aside one meeting a month to recognize our members. One Rotarian will be selected as Rotarian of the month and recognized for their activities both in and out of the club.

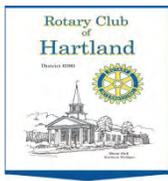

Clarkston Rotary will continue its fundraisers that so many have come to enjoy – fall and spring wine tasting, Goodfellows papers, concerts in the park dinner for donations and the Taste of Clarkson Beer and Wine Tent. These events will allow us to continue our Shoes for Kids program, SCAMP Picnic, Rotary Youth Exchange Sponsorship, RYLA Sponsorship and Shelter Box to name a few.

Mr. Boersma has selected Veterans Treatment Courts as his Presidential Project. He will be working with The Friends of the North Oakland County Veterans Treatment Court. NOCVTC comprises a group of veterans and community volunteers with one very specific goal – to assist the Veterans Treatment Court in helping struggling veterans assimilate back into civilian life by removing obstacles that are preventing the veteran to stay focused on a healthy life style.

This club is going to strut its stuff in 2016-2017!

Hartland Rotary Presents: The 1st Annual Sporting Clays Event

This year's annual Clay Shoot will support:

"United in Liberty" was the theme for this year's Independence Day Parade in downtown Brighton. The Livingston Sunrise Rotary Club pulled off another stellar celebration with thousands participating in the day's festivities. The 10th Annual Hungry Duck Run half marathon and 5K kicked off in the wee hours of the morning, followed by the darling Duckling Dash where children raced their little hearts out in a two-block run for fun and prizes. At 10 a.m. the main event got underway. The parade down Main Street was greeted by, well, more people than we could count. From creative floats to tots on tricycles to honored veterans to mini horses, the parade held something for everyone. The annual Duck Raffle Race in the Mill Pond followed next. Thousands of rubber duckies bobbed their way to the finish line with many anticipating ticket holders looking on. Congratulations to George Moses for being our top prize winner of \$2,500. What a lucky duck! As if that weren't enough, the Brighton Fire Department finished off our day by hosing down anyone ready for a cool down and splash on Main Street. All in all it was a great day of celebration, remembrance and fundraising to help feed the hungry of Livingston County. Thanks to all of our sponsors and everyone who had a part in making this one of our best 4th of July events ever!

OXFORD ROTARY CLUB

■ Alaina Sullivan and Bob Warnke

Alaina: A fellow Rotarian of mine in our group who is working hard on humanitarian efforts for clean water and solar energy in Guatemala. I've included his Go Fund Me link at the bottom of the email. He's trying to raise \$10,500 for the equipment so that the group can go down there and install the pump but they are only at \$750 of the amount needed. We are a small community, and raising that large amount of money is no easy feat. Thank you so much.

Bob: We have provided a self-contained solar water pump for a community that lives next to a dump in Guatemala. This new endeavor will provide power for a clinic and another well located near the community. The current well has provided water for a chicken farm, a pig farm and a tilapia pond, fresh water that is parasite-free for the people of the community. The project is ready to go. I watched the transformation in the village due to the first project. It will supply power for up to 25 years. The gratitude of these people is amazing. I am glad to be able to help make a long term difference in the lives of so many people. Funds so far have been sent to Hope For Tomorrow, which is the organization attached to our Rotary club and is sponsoring the Guatemala project. Thank you all who are making a difference.

<https://www.gofundme.com/298g6s96>

55 Church St.,
Mount Clemens, MI 48043

Money that came from The Mount Clemens Rotary Club's spring fundraiser and other sources went to the Scleroderma Foundation Michigan Chapter, Martha T. Berry Medical Care Facility, Baker College, Mount Clemens YMCA, CARE of Southeastern Michigan, Turning Point Inc., and Richmond Community Theatre. From left to right are Rotarians and non-Rotarians Tom Isett, Kevin Evans, Patty Kaufman, Rheanne Suszek, Karla Gardner, Suzanne Coats, Kristine Howell, Richard Elliott, Sherri McConnell and Mark Zuccaro. Outgoing club president Howell and incoming president Zuccaro handed out the donations to the representatives of the organizations.

GOLF OUTING FOR THE SALVATION ARMY!

SPONSORED BY: ROTARY CLUBS OF GREATER MACOMB

The Rotary Clubs of Greater Macomb are seeking golfers and donations for its annual Golf Outing and Auction, which will benefit: **The Salvation Army Mount Clemens Citadel.**

Our Mission

The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.

**Can't make golf?
