They would be happy to speak with any prospective candidate personally prior to their nomination being submitted.

### **DISTRICT GOVERNOR NOMINATIONS**

Serving as Governor for an entire Rotary district is an incredible honor. Individuals who serve in this capacity are recognized leaders, nominated by their clubs to fill this important role. As Governor, you are the official representative of Rotary International in your region. As Governor, your mission is to lead clubs, inspire Rotary members, and engage the public in the important role Rotary plays in our community. District Governors serve for one full Rotary year, from July 1 to June 30, and are very actively engaged in District decision-making leading up to their year as Governor.

The Bylaws of Rotary International, Article 16.080 states, “a governor at the time of taking office must have attended the International Assembly for its full duration, been a member of one or more Rotary clubs for at least seven years and must continue to possess the qualifications in section 16.070.”

These include:

- Being a member in good standing of a club in the District. The Rotarian must have full qualification for such membership in the strict application of the provisions thereof, and the integrity of the Rotarian's classification must be without question.
- The Rotarian must have served as president of a club for a full term within District 6380 prior to submission of application or be a charter president of a club having served the full term from the date of charter to 30 June, provided that this period is at least six months.
- The Rotarian must demonstrate willingness, commitment, and ability, physically and otherwise, to fulfill the duties and responsibilities of the office of governor as provided in section 16.090.
- The Rotarian must demonstrate knowledge of the qualifications, duties, and responsibilities of governor as prescribed in the bylaws and submit to RI, through its general secretary, a signed statement that the Rotarian understands clearly such qualifications, duties, and responsibilities. Such statement shall also confirm that the Rotarian is qualified for the office of governor and is willing and able to assume the duties and responsibilities of that office and to perform them faithfully.

### **How It All Begins**

The process of becoming a District Governor begins long before your year as Governor. In fact, District Governors are typically selected three years before they actually serve as Governor. Applicants for the position must fulfill certain requirements, including 1) having previously served as President of a Rotary club within the District prior to submitting this application, and 2) being a member of Rotary for at least seven years by the time they become District Governor.

In addition, applicants are strongly encouraged to become active within the District. There are numerous ways to serve in both leadership and volunteer capacities. More importantly, when you become active at the district level, you are becoming acquainted with members from other clubs, expanding your network and making new connections and relationships along the way. Our District would also prefer this candidate be willing to step into a District Leadership position such as Membership, Trainer, Foundation, Finance or another role as a member and/or chair prior to their year as Governor.

### **Governor Nominations**

Nominations for District Governor are not made by individuals, but by Rotary clubs. The District exists for one purpose: to help support Rotary clubs. As such, the clubs submit members as candidates to be considered for the role of District Governor. Rotary clubs must submit a Governor Data Form, as well as a formal club resolution proposing their candidate. Candidates proposed by clubs must be active members of that club; clubs may not propose members from other clubs as their candidate. Most nomination forms are submitted during the late Fall or

early Winter. Public notices will be sent to all clubs requesting nominations, with more information on deadlines.

### **Interview Process**

Candidates for Governor whose paperwork is received by the deadline in good order will be invited to meet for an interview. The interview will be conducted before the Selection Committee, which is created in accordance with the provisions of Rotary International Bylaws Article 13. An appointed individual serves as chair of the Selection Committee, made up of volunteers from each area in the district. Interviews typically last 45-60 minutes, and will cover a wide range of topics. Interviews conclude and, as their name implies, the Selection Committee "selects" their proposed candidate for District Governor Designate.

### **Opportunities for Challenges**

After a candidate for Governor has been chosen, the chair of the Selection Committee issues a public announcement to all clubs as a formal notification of the nomination. This is done per Rotary International Bylaws, Article 14.020.6, which permits notification electronically. Clubs have fourteen days from that date of notification to set forth any challenges, in accordance with Rotary International Bylaws, Article 14.020.8. If no challenges are received by the deadline, the selection by the committee of the District Governor Designate becomes official.
