### District Governor Audrey Shares

■ Greetings Rotarians, Friends and Families

We hope you all enjoyed the wonderful summer we have had and are happy with this crisp, cool transition into autumn. It is hard to believe the first quarter of this Rotary year is over. I want to remind you, again, that if we are to have a successful Rotary year, we must not lose sight of our goals and plans nor the areas of emphasis RIP Wilf Wilkinson has asked us to keep in focus: Water, Health and Hunger, the Family of Rotary, Youth Services and Membership.

John and I continue our travels throughout the District. We have only 11 clubs left!

What an honor these visits have been for us. Honestly, I really don't want to see them come to an end. What amazing experiences we have had! Learning of the work that District 6380 Rotarians do in their communities and the world fills us with great pride. Truly, they SHARE ROTARY!

On November 8 we will be having our Foundation Gala at the Club Venetian in Madison Heights, MI. This promises to be a wonderful, exciting evening of fun, food and fellowship as we celebrate THE ROTARY FOUNDATION. Please, see the flyer included with this newsletter for all the particulars. And DO sign up.

**October is Rotary's  
Vocational Service  
Month**

The Object of Vocational Service, as adopted by RI in 1940, is:  
To encourage and foster high ethical standards in business and professions,  
The recognition of the worthiness of all useful occupations,  
The dignifying by each Rotarian of his or her occupation as an opportunity to serve society.

**IMPORTANT DATES**

One of the most widely printed and quoted statements of business ethics is:

#### THE FOUR-WAY TEST

Of the things we think, say or do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

Created by Herbert Taylor of the Rotary Club of Chicago, it was claimed by Rotary in 1943...and when Herb Taylor became Rotary International President in 1954, he donated the copyright to RI.

Sad news this month was the unexpected death of Gini Britton, Oxford Rotary Club's President. A celebration of her life was held on October 8 at St. Joseph's Catholic Church in Lake Orion. Please remember her family, friends and her Rotary Club in your thoughts and prayers. We have lost a great Rotarian and a great friend.

*Yours in Rotary,  
Governor Audrey*

In addition to providing a crash course in Rotary history and demystifying RI terms, Rotary Basics is a thorough introduction to RI and Rotary Foundation programs and membership benefits and responsibilities. Released each August to coincide with Membership and Extension Month, Rotary Basics helps clubs educate new and longtime Rotarians alike. It's also an excellent recruiting tool.

<http://www.rotary.org/en/Members/NewMembers/Announcements/Pages/RotaryBasics.aspx>

The RI Website has a NEW Look! After one year, the new RI Web site is now up and running. The Web site is designed to accommodate future growth. The menu been drastically simplified, allowing for faster browsing. ## Have you met Ayami yet?

Ayami is a 17 year old Rotary International Youth Exchange Student from Japan hosted by the Rotary Club of Chatham for the next year.

Please join us in welcoming her to Chatham-Kent by saying *Hello* if you see her.

## PUBLIC RELATIONS IDEA - YOUTH EXCHANGE

Take a look at what the Youth Exchange Committee chair from the Chatham Rotary Club is doing. The Word document (rest are just supporting picture & logo embedded in document) is a short news release with photo on an inbound student. It is something we should be trying to do for each of our students and running in the local community paper.

The student should have his/her picture taken with the Rotary blazer on. We want to project that consistent image. Critical to use first name only (no address or no staying with host family "Smith," or school identifier). We need to indicate she/he is in our local community but anonymous enough to ensure the safety of the student.

Please send me copies if you do run one. I like the template used and it would be nice to parallel that. Thanks.

## PONTIAC ROTARY CLUB'S STUDENT OF THE MONTH PROGRAM

The Rotary Club of Pontiac is pleased to recognize Michael Simms as our October Student of the Month. Michael is the son of Ms. Kathleen Simms (left) and is shown here with family friend Kawi Simpson. Michael is a student at Bethune High School and participates in the new Pontiac Alternative Leadership Student (PALS) Academy.

According to Bethune Counselor Margaret Anderson, it was an easy task for the staff of PALS to select and nominate Michael as our honoree. Michael is in the 11th grade and since joining the PALS Academy has greatly improved his grades. This improvement is attributed in part to the smaller class sizes and the individual attention they are able to give him. His favorite classes are economics, math and history. His teachers say that Michael is a work in progress as he continues to improve. His ambition upon leaving PALS is to attend Oak Tech Culinary School. His long-term vision is to open his own Coney restaurant.

Michael, his mother and Kawi were treated to lunch at the Marriott Centerpointe Hotel in Pontiac. Afterward he was presented with a gift certificate to Barnes & Noble.

*The Rotary Club is the oldest community service club in the United States, with more than 32,000 clubs worldwide in 200 countries, including one right here in Pontiac. The club meets Thursdays at noon at the Marriott Centerpoint Hotel and is aggressively seeking new membership from the Pontiac area community. If you are interested in learning more about the Rotary Club of Pontiac, contact president Richard Berkfield by visiting our Web site at [www.pontiacrotary.org](http://www.pontiacrotary.org)*

## RECIPE FOR SUCCESS

Bite off more than you can chew, then chew it.

Plan more than you can do, then do it.

Point your arrow at a star, take your aim, and there you are

Arrange more time than you can spare, then spare it.

Take on more than you can bear, then bear it.

Plan your castle in the air, then build a ship to take you there.
