District 6440

The "Home District" Newsletter

The District 6440 "Home District" Newsletter is published by and for Rotarians of District 6440. All rights reserved

The purpose of this newsletter is to provide news and information about the activities of Rotary District 6440. It is for the sole use of the Rotarians who belong to the Rotary Club in District 6440.

The editors are especially interested in publishing information about successful Rotary Club programs and activities, including fundraisers, fellowship events, membership drives, and service projects. This information will be most useful to other Rotarians when it includes details about how and why the programs and activities were successful, so that they provide examples for others to follow. Send information to the District Newsletter Coordinator, Robert Paddock Jr., at rpaddockjr@dailyherald.com. Deadline for submission: 20th of each month.

Governor's Message...May, 2010

McHenry-Sunrise, Welcome to Rotary!

On behalf of all District 6440 Rotarians and the Rotary world, it is my honor to welcome the new Rotary Club of McHenry-Sunrise to our Rotary family.

Membership in Rotary is by invitation only. Rotarians from McHenry-Sunrise, I congratulate you for accepting this invitation to be part of the world's No.1 Service Organization with over 1.2 million members in 200

Governor Bill presents the Charter of the new McHenry-Sunrise Club to Club President Jeff Batt.

countries worldwide.

You have joined an outstanding group of Rotarians such as Founder Paul Harris, Winston Churchill, John Kennedy, Charles Walgreen, Ronald Reagan and many others. Working together under our motto "Service Above Self" we are Humanity in Motion, making a difference. (see page 2)

Thank you McHenry-Sunrise Rotarians.

— What you get, when you give (to The Rotary Foundation) —

For several months, Annual Giving Chair Walter Reed has kept us informed about The Rotary Foundation and what you get when you give to TRF. I would like to reiterate some of our district's key benefits from TRF this year(what you get):

1. \$46,978.42 in District Simplified Grants—monies made available strictly for local projects in our district communities such as: Food Pantries, winter coats and dictionaries for youth, furniture for the disabled, toys and clothing for poverty stricken children, books for libraries etc.
2. \$209,159.83 in Matching Grants—monies made available to support our district's humanitarian projects worldwide such as: Text books, a computer center, and solar generators for Guatemala, water pumps for Pakistan, clean water and health equipment for Uganda, rain water harvesting for India, shelter boxes for Haiti, dental clinic for Ecuador etc.
3. \$66,740.00 for Ambassadorial Scholarships—monies made available to club sponsored ambassadors to promote peace, understanding and goodwill between our country and their overseas host country.

Here's what You Can Do Now:

Make your contribution to **TRF Annual Giving Program**. Become a new or multiple Paul Harris Fellow. Join the Bequest Society

and/or become a Major Donor. **Just a reminder:** Take advantage of the district's 500 matching points offer to become a new or multiple Paul Harris Fellow. Send your check for \$500.00 with the RI Form 123EN to : Rotarian Ann Hughes, 15202 MacIntyre Lane, Woodstock, IL 60098. Phone: 815-338-4046. I am proud of our district Rotarians for their generosity toward TRF annual giving program. Each year, clubs in District 6440 have beat the goal established at the start of the year. I am confident we will continue this tradition this year. Please take a look at the year-to-date progress on page 5. As of April 30, 2010, we are at 60 % of our annual giving goal. Thank you to the clubs that have attained or exceeded their goal. Please continue your support. May I request clubs that show no contribution to date to send in their contributions now. Clubs that are behind, please strive to make your goal. **THANK YOU.** You know what you get when you give.

Membership

Our clubs have done an excellent job in inducting 200+ new members so far this year. Unfortunately, we have also lost many. Here is a Winning Challenge: If every club in our district can induct at least one new member and retain every current member between now and June 30, 2010, our district will end this rotary year at **2700 members—a new 10 Year High**. Wouldn't you like to be part of this phenomenal achievement? I am sure all of us would. Please see page 5 for club progress to date.

(continued on page 2)

Birth of a New Club: McHenry- Sunrise

In the Fall of 2009, the Rotary Club of McHenry opened up discussion about sponsoring a morning Rotary Club. The club felt that giving potential Rotarians an option of a lunch meeting or a morning meeting would mean more Rotarians serving our community.

On December 17, 2009 the Rotary Club of McHenry voted to sponsor a new morning Rotary club in McHenry. On Wednesday January 13, 2010 The Rotary Club of McHenry – Sunrise began their initial organizational meetings at the MCC/Shah Center in McHenry. The new morning club, with an advisory team of seven Rotarians, laid out some ambitious goals.

The Sunrise Club's three month goals, by the end of April 2010, were to:

- Have 20 Active Members
- Adopt Bylaws and Constitution
- Elect Officers
- Receive their official charter from Rotary International

In the first three months the Provisional Rotary Club of McHenry – Sunrise was able to accomplish their three month goals and was awarded their club charter from Rotary International on April 28, 2010. The enthusiasm shown by all the members of the new Sunrise club, support from District Governor Bill Ferreira, assistance from our special representative Sue Dobbe, and encouragement from the Rotary Club of McHenry, made this a true team effort. The Sunrise Club is having a **Charter Night** Celebration on June 2, 2010 at the McHenry Country Club in McHenry IL.

Getting the Rotary International Charter was only the first step in a long journey for the McHenry – Sunrise Club. The Sunrise Club has set 5 year goals to:

- Have 50 Active Members
- Do 12 Community Service Projects per year
- Have \$100,000 in fund raising per year

Because of the energy, vision and dedication the new members have shown so far, the future for the Rotary Club of McHenry – Sunrise is bright.

Governor Bill congratulates charter member Shelley Casella-Dercole of the new McHenry-Sunrise Club

Membership Growth - It's All Our Responsibility

Based on an article written by Past Rotary International Director William B. P. Cadwallader, summarized by DGN Carlos Frum, District Membership Chair.

We should emphasize the positive results of membership growth in many areas of the world as examples of what can be done.

Most often the cause of declining membership is that Rotarians do not invite young people to become active part of Rotary. This must change.

Rotarians, as leaders in their communities and well-connected, should invite other business and professional leaders, young and old. Rotary clubs must provide constant, weekly Rotary information to their members to allow their membership to have confidence and pride in the reasons they choose to be Rotarians. Rotary clubs should have a club information committee and a mentor program for new members and to help sponsors. New members should be adequately educated about Rotary so they can explain Rotary to other prospective new members.

Club membership chairs should have a checkoff list that indicates that each club member has invited someone to join their club; someone preferably less than 50 years of age. All Rotarians must be involved in inviting young people to become Rotarians. Club presidents should have a club Rotary information chair to give a "Rotary Moment" each week for Rotary Education. Members should tell why they remain active in Rotary and what they have done in Rotary.

New members also have a responsibility for membership. Each new member must be expected to invite someone to join the club during the first year. New members are enthusiastic and that enthusiasm could be contagious. New members should have a strong influence on the future direction of club activities. Every club meeting should be fun and a desirable place to visit weekly.

What you get, when you give (to The Rotary Foundation)

(Continued from page 1)

End Polio Now

As you are aware, polio eradication is our No. 1 priority this year. Thank you for your continued hard work and generosity in fighting this dreaded disease. As you will see on page 5, we have some work to do to achieve our EPN goal.

Have Fun

In my previous messages, I have indicated no matter what you do in Rotary, have fun doing it. You do excellent work to make a difference in the community and the world and I hope you have fun doing it. And remember: **The Future of Rotary Is In Your Hands.**

~ Welcome ~

TIME IS ALMOST UP

To Register for RI's International Convention,
June 20 - 23 In Exciting Montreal

Please accept invitation from Gov. Bill, and spouse Pam, to experience this unique event. Said, Bill, "Contrary to the popular perception....you don't have to speak French to enjoy MONTREAL. In fact, with more than 80 nationalities and ethnic groups comprising its populace, it offers an ideal setting for Rotarians to gather amid the pomp and spectacle that characterizes any RI convention." You may still be able to attend the 2009/10 RI convention in Montreal, June 20/23, '10.

How? – three ways are left. "Keep in mind that rooms may be a challenge with as many as 23,000 Rotarians in town", said Stan Sherman, Dist. Montreal Chair. "You can register in person at the convention, but go on line to book rooms via commercial sites such as Orbitz, Travelocity, etc. Or you can use the District Web Site (under District Events). You can also contact Stan's office with questions or for assistance @ (847) 498-3450 (3495 fax), or rotarystan@gmail.com.

Keep in mind that District 6440 and 6450 will have a combined Reception Sunday night, 6/20, at the Hyatt Regency. Why go? The conference's agenda indicates informative speakers, lively workshop discussions, club and district exhibits, many interesting examples of service projects, and the House of Friendship all will provide an environment to exchange ideas and share experiences. Adding to the excitement will be the Rotary- and HOC-sponsored events. And it's a great city nearby!

The District 6440 Permanent Fund committee welcomed the RI Foundation Trustees to the Holocaust museum, April 23, 2010, in Skokie.

Pictured are some of the trustees with district 6440 PDGs and Governor Bill.

ROTARY YOUTH LEADERSHIP AWARDS

RYLA Chair Sean Nelson recently received this note from the mother of one of this year's RYLA participants:

I just want you to know that my daughter Natalie had (in her words): "... the ... best ... weekend ... of my life" at the RYLA conference. She absolutely could not stop talking about the speakers, the skits, the small group work, and most of all, the new friendships she has made. She talked in detail about Rachel's Challenge and about getting the most out of her life.

As a freshman in high school, Natalie has sadly found that many of her longtime friends have chosen paths of risky and defiant behavior. At RYLA, Natalie met a group of wholesome, service-oriented kids who are serious about school. It opened her eyes to endless possibilities that she would have never known. To say that it changed her view of the world would not be an understatement. I am grateful for the generous donations of money and time that made this weekend possible---including yours.

Natalie is looking forward to sharing her experiences with the local Rotary club.

*With gratitude,
Natalie's mom*

Only 50 Days Until E-Day Remember the Rotary Foundation

*Yes, E-Day (End of the Rotary Year Day)
is fast approaching.*

If you, dear reader, have not yet made your annual contribution to The Rotary Foundation (TRF), this is a reminder to act promptly. You can send your contribution directly to TRF (conveniently via the rotary.org website, by mail, or through your club).

TRF programs work every day of the year at home and across the world. Try to match the recommended \$100 per year, or send what you think you can afford.

To all who have already contributed, many thanks. You know that "you get much when you support the Foundation." Questions? Call D-6440 Annual Giving Chair Walter Reed (847-251-7973).

Des Plaines Rotary Club Supports Cold War Museum

Des Plaines Rotarians are supporting the educational and historical mission of the Cold War Museum in pursuit of the decades long conflict with the Soviet Union from 1945 – 1991. They held a February event at which they awarded certificates of merit to the Cold War Museum and its Midwest Chapter for work in historical education and made donations to both entities. Des Plaines joins VFW posts in their support of the museum.

More Than 200 District 6440 Rotarians Greet RI President John Kenny

More than 200 District 6440 Rotarians greeted Rotary International President John Kenny at an April 9 dinner in Palatine, hosted by District Governor Bill Ferreira and the Schaumburg/Hoffman Estates club.

President Kenny was fresh from a tour of Eastern Europe, where he became the first RI President to visit Latvia since Paul Harris. His busy year has included a February visit to Haiti to demonstrate support for local Haitian Rotarians.

In his remarks, President Kenny underlined the theme he chose for his Rotary year: "The Future of Rotary is in Your Hands." People will want to be part of Rotary if they see Rotary doing good things in the community.

"The club is where Rotary happens. In the club, friendships are forged. When every member looks forward to the next meeting, that's when a club grows and prospers," Kenny said.

"The very best Rotary projects—the truly life-changing ones—can only happen in a strong club. Rotarians who enjoy being Rotarians will attract recognition for their good works," he said.

"What happens in weekly meetings is most important, and it is up to each one of us to make the clubs better. The future of Rotary will be decided by each one of us. It will be decided by every man and woman who has chosen to make Rotary a way of life," he told District 6440 Rotarians.

"Many hands make light work. None of us alone can make a great contribution to the health and welfare of the world. But each club, working through its District, all

through the 200 countries where we have Rotary clubs, can achieve great glories," he said.

Governor Bill presented a check for \$142,300.00, representing the District's pledge to polio this year, prompting Kenny to say, "You can't build a reputation on what you're going to do. Success of District 6440 is just one more indication of Rotary's determination to eradicate polio."

John Kenny, a graduate of Glasgow University, is a past dean of his law school faculty, a judge, and a notary. Queen Elizabeth II appointed him the deputy lieutenant in his district.

Why Am I a Rotarian?

By: Luanne Triolo,
President Rotary Club of Carol Stream

I know I'm not the only one...*don't you love to help others?*

The feeling you get when you are a part of a team that plants a tree, or cleans up a park...isn't it gratifying?

When someone has an obstacle and it is within your power to take down that obstacle, easily...*doesn't it make you feel good?*

Nine years ago, someone reached out to me, inviting me to visit Rotary. I did not know much about the organization. I had heard of the local club's activities, reading about projects in the local paper. The couple who invited me knew me and knew how I attacked projects, volunteered in the community and appreciated fellowship, so they invited me and I visited.

In the past nine years of my membership in the Carol Stream Rotary club, I have thoroughly embraced and enjoyed the local, regional and international reach of this fine organization. Welcoming a new youth exchange student each year is filled with excitement, as is witnessed in the smiles on our club members' faces when they listen to weekly updates from him. Getting to know other local clubs and hearing about their projects helps me learn what we have in common, and what potential assistance we can give to others.

Several memorable moments for me have involved Rotary. One was international, and one very local.

In 2005, as the Rotary International Convention came to Chicago, the 'home' of Rotary, for the 100th anniversary celebration, I signed up to help. There were many slots to choose from, both in preparation and at the event itself. My love of language and international flavor led me to sign up as greeter to those who were arriving for the convention. I chose to be situated at O'Hare Airport in the International Terminal. I held high the sign that beamed out the Rotary logo, for any arrivals from clubs abroad. As I watched faces, I saw their eyes move up to the sign, and smiles wash over their faces. While I couldn't speak some of the languages of the Rotarians – some in the most impressive native garb – smiles and gestures usually helped to make their 'landing' in our country a bit smoother. I had signed up to help with a Rotary event and I was happy to help. I was in the perfect place for me --I loved that job! And there were many moving moments that day, seeing people from all corners of the world arriving in Chicago.

The other most memorable moment was last October. Our club was in the middle of a community-wide food drive, modeled after a drive I had done in my neighborhood for 11 years. It was a leap of faith to see if it translated to this larger scale. Twenty 'neighborhood partners' – like pinwheels all spinning at the same time – raced around their subdivisions, as I had done, collecting bags filled with food items, bags they had delivered empty just days before. Now, these partners were delivering the success of their individual drives, converging upon the drop-off location. At the same time, residents who saw the huge electronic sign were also pulling up and unloading cases of paper goods, boxes of canned goods. Local businesses and restaurants stopped and dropped off collected items from incentive-driven collections done earlier in the week. It was at that moment, surrounded by Interact club students, Rotarians, their families and volunteers that the scope of success hit me. Our efforts were **multiplied** and the magnitude of positive results was overwhelming. Individuals pulled together and because of that cooperation, the end result was great!

Rotary is an organization in which we can help others, but it is the Rotarian himself or herself who benefits from the learning and growing experiences.

RI President John Kenny addressing District 6440 Rotarians at the reception dinner in Palatine

President Bruce Dopke of the host club, Schaumburg/Hoffman Estates Rotary Club and Gov. Bill presenting our districts EPN commitment of \$142,500 to President Kenny

NEWSLETTER SURVEY

Dear Newsletter Readers:

The work of the 2009/2010 Gov's Newsletter Committee is about done. What do you think?

It's a given that we all try as best we can to serve Rotary, each in our own way. What we're looking for, though, are your candid comments or suggestions.

- What could we cover/include more of?
- What did you like?
- What didn't you like?
- Other thoughts?
- Do you prefer to read the newsletter in printed copy or on-line? (if on-line, as a pdf or Club-Runner format?)

Contact me as Chairman of the committee -- write, e-mail, or fax me or stop by and visit. Your responses will be kept confidential, so please be candid.

Yours in Rotary Service, Bob Paddock
