 FROM : Suzanne Gibson, District 6440 Governor 2019-2020
 RE : NOTICE OF INTENT TO ATTEND THE R.I. CONVENTION IN HONOLULU

ALOHA Rotarians! Honolulu, Hawaii promises to be a very popular destination worldwide for the Rotary International Convention planned for June 6-10, 2020.

In order to best serve your needs, our District needs to know if you intend to attend the R. I. Convention and if you will need District assistance with housing and/or other travel arrangements.

Early booking is recommended for those considering attending. Anticipating the high demand for housing, our District 6440 has blocked a limited number of rooms in two hotels at two different price levels. However, new rules require us to release unneeded rooms by August 30, so if you do not plan to take advantage of this opportunity, please advise us ASAP. Those intending to travel will be contacted with relevant information.

District housing information and other Convention resources can be downloaded as they become available by visiting www.rotary6440.org, and clicking on the [Aloha Rotarians Convention Resources link](#).

Please notify us of your intentions, or plans by returning the form below **before August 15, 2019**. No request for hotel accommodations will be honored by our District after that deadline.

Mahalo nui loa.
