

ATTENTION ALL PAST DISTRICT GOVERNORS IN DISTRICT 6440

Greetings from the newest member of your group! As the Immediate Past District Governor, one of my duties is to chair the District's Nominating Committee which will meet on Monday, September 9th to choose the District Governor for 2022-2023.

According to our current District MOP, another duty of this committee is to select a "Vice Governor". A position added in 2013 by Rotary International and is still a part of our District MOP. This PDG should be willing and able to step in, should the District Governor in the year 2020-2021, Lyle Staab, be unable to serve, either temporarily or permanently.

Each of you has historically given of your time, talent and treasure to further the cause of Rotary in District 6440 during and beyond your term of office. If you feel you can volunteer your time once again to serve as a Vice Governor, your fellow Rotarians will be most grateful.

Should you wish to put your name in for nomination, please send it to me via email at Gov.Julie@Rotary6440.org along with any information you feel would be helpful for the selection process.

Interviews will take place for the Governor Nominee on September 9th at the Northbrook Hilton. You do not need to be present on that day, but I will need your letter of interest by September 3rd.

Thanks very much for considering this opportunity to continue your service to Rotary in District 6440. Should you have any questions please feel free to contact me.

Yours in Service,

Julie
