Throughout the RFE team stay from XXXXXX to XXXXXX, there will be daily activities scheduled for the team, starting on XXXXXX. The schedule is being refined as we speak but typically what occurs is the RFE guests meet at a pre-selected meeting spot in the morning to begin the scheduled activities. The team then is brought back to the designated spot at the end of the day to go back to their host families. For this particular RFE, from XXXXXX-to XXXXXX, the main activities will be taking place in DESCRIBE AREA. From XXXXXX to XXXXXX, the main activities will be taking place in the DESCRIBE AREA and we are attempting to coordinate lodging so it is line with the geo areas.

Although everything is flexible and we typically have Rotarians jumping in to help with transport, as a host will you be able to transport, or arrange transport, for your guest to/from the designated drop-off/pick-up sites for the daily activities? _____

Meals will be provided to the guests while they are out on activities (most, but not necessarily all, lunches and dinners). Will you be able provide breakfast and any other meals not part of the daily activities? _____
