

UNITE FOR GOOD

2026 CAREER AND TECHNICAL EDUCATION SCHOLARSHIP OPPORTUNITIES ARE HERE!

Each year Rotary International District 6440 in Northeast Illinois offers Career and Technical Education (CTE)/Vocational Scholarships to qualified applicants to encourage careers in CTE fields.

The basis of our Rotary Vocational Scholarships is to recognize people who are preparing for a vocational or technical career that does not require a Baccalaureate Degree and residing within the limits of Rotary District 6440. By attending a community college, technical training institution, or career and technical education training program that provides educational opportunities. Students who are attending a 4-year program/university do not qualify for the D6440 CTE scholarship program

Successful applicants will receive **\$1,500 scholarship** awards that can be applied to tuition and books (when purchased through the school/ CTE program), that run concurrent with the specific CTE program
Applications will be available in October 2025!

Check with your local Rotary Clubs, Community Colleges, and Vocational & Educational Resource Centers for available information.

This is a great opportunity to help fund your goals and dreams!
