

2022 SUMMER STUDY ABROAD SCHOLARSHIP

PROGRAM OBJECTIVES

Rotary District 6540, comprising 57 Rotary clubs in Northern Indiana, makes available a scholarship in the amount of up to \$8,000 to the selected candidate payable directly to the USA educational institution that sponsors the candidate's Summer Study Abroad Program.

This Scholarships program supports the mission of The Rotary Foundation of Rotary International to advance world understanding, goodwill, and peace by:

- Increasing awareness of and respect for cultural differences by sending ambassadors of goodwill to study in another country
- Instilling in scholars the Rotary ideal of *Service Above Self* through active participation in Rotary service projects
- Encouraging scholars to dedicate their personal and professional lives to improving the quality of life for the people of their home communities and countries
- Developing leaders who can address the humanitarian needs of the world community
- Fostering a lifelong association between Rotary and its scholars

Candidates should carefully consider these program objectives before applying and explaining in their essays and how their study plans will support the goals during the interview process. For example, scholars can impact all areas of the world through the balanced geographical distribution of scholars by being flexible in their preferred study institutions. Scholars are encouraged to study in countries that host relatively few scholars, such as Japan, Korea, Scandinavia, and developing nations in Africa, Asia, Eastern Europe, and South America. Other ways of demonstrating support for the objectives include a commitment to community service or international humanitarian service and to long-term involvement with Rotary International.

Rotary seeks out students who are prepared for the challenge of serving as outstanding ambassadors of goodwill. If you receive this Scholarship, you will be expected to participate in the following activities:

- Attend any orientation programs, if any, organized by your sponsor and host Rotary districts. Failure to attend may result in the forfeiture of the award. Orientation will include training on how to develop and make presentations.
- Before departure, attend meetings of your sponsor Rotary club and Rotary events in your sponsor district as invited, and present at least one talk to a Rotary forum. If you do not reside in your sponsor district, attend Rotary club meetings and Rotary events, and present

at least one talk to a Rotary forum in your area.

- Make yourself available for and encourage media interviews at home and abroad.
- Maintain full-time academic studies with distinction, giving equal importance to the ambassadorial and academic aspects of the Scholarship.
- Be actively involved with Rotary in your host district, making at least 3 presentations to Rotary and non-Rotary audiences.
- Submit required reports to the Sponsor District 6540 Foundation describing your academic progress and Rotary activities, including completing the final report within one month after completing your scholarship period.
- Maintain communication with your sponsor and host Rotarians before, during, and after your study period. Upon completion of your studies, contact your sponsor Rotary club or club in your area of residence to offer to share your study abroad experience at Rotary club or district meetings, and participate in Foundation alumni activities. Also, seek out opportunities to participate in activities of your sponsor club and district.
- Present at least 3 talks to Rotary and non-Rotary audiences after you return home.
- Register contact information with District 6540 Alumni relations (Tim Gibson: tgibson17rotaryworld@gmail.com), keeping your address, telephone number, and e-mail address updated at all times.

(Note: Sponsor refers to the Rotary Club and District 6540, or Rotarians from the District. Host refers to the Rotary Club, district, or Rotarians from the study country where the scholar is assigned to study.)
