Re: **Rotary 2023 Summer Study Abroad Scholarship Procedures:** Applications, Deadlines, and Selection Suggestions

Date: *October 15, 2022*

Rotary 2023 District Summer Study Abroad Scholarship applications are available. Please forward this information to your ***Rotary Foundation or Scholarship Chair*** and announce the deadlines at a club meeting.

The deadline for candidates to submit all their application materials to the district committee (to Chair's attention) is **December 31st, 2022. PLEASE MAKE SURE THE MATERIAL IS IN OUR HANDS BY December 31st, 2022!** This year Rotary District 6540 is offering **ONE** scholarship of up to a maximum of **US\$8000**. So, if you have more than one good candidate, please forward all applications to the District Scholarship Committee Chair. The candidates will be advised of their District Level interview date and time directly.

We have also enclosed a model press release that you can modify and use for your local release.

Here are a few suggestions for nominating and interviewing candidates:

- **Candidates should be personally interviewed by a group of sponsoring club Rotarians.**
- **Please go over the Rotary Club Endorsement (page 13) and have the club President sign the form before scanning and forwarding the application.**

If you or any of your candidates have any additional questions, please contact me. We are relying on you to identify deserving candidates. Please try to contact local colleges to promote this scholarship.

Please note that Rotary District 6540 recommends that the Clubs download a copy of the Application from the website directly. Please go to the website given below for the application form.
