

# Adventure in Understanding

A program of The Rotary Club of Peterborough Kawartha

February 10, 2017

Dear Friends and Supporters,

Applications for Adventure in Understanding 2017 are now posted on the Rotary Club of Peterborough Kawartha website ( [www.KawarthaRotary.com](http://www.KawarthaRotary.com) ) .

Our goal is to have 3 canoes again this year – with 20 students and 4 leaders.

In order to be fair to everyone:

- 1) Once 20 youth have registered, a “wait list” will be established to take the place of anyone who cancels.
- 2) Because of an anticipated increase in applications this year, preference will be given to applicants between 16 and 18 years of age at the time of the trip.

If there is still room after June 1<sup>st</sup>, applicants under 16 or over 18 will be considered.

This has always been our target age group but, in previous years, we have had room to accept older and younger applicants.

If you know of any student who is interested in participating this year, please direct them to the Rotary website above or have them phone me at 705-743-7693.

If you, or any organization to which you belong, would like to make a tax-deductible donation through “Canada Helps” to further the aims of the program by subsidizing the registration of a student unable to pay the full registration amount, contact information is available at the canoe picture on the Rotary Club of Peterborough Kawartha website.

Don Watkins,  
Chair, Adventure in Understanding program.
