Dear Rotarians,

The Gore Bay Rotary Club's 2nd Annual **Bay to Bay** Bike Tour from Gore Bay to Providence Bay and back will be held on August 21, 2021 (rain date August 22).

This year's **Bay to Bay** Ride will support two community service projects:

- **Gwekwaadziwin Miikan Youth Mental Health & Addiction Program** - a 3 phase program that offers land based treatment, live in after care and community aftercare programs for young adults between the age of 19-30 struggling with addictions and other mental health issues here on Manitoulin, and;
- a community infrastructure project to improve user accessibility and building functionality at the **Gore Bay Medical Centre**, a facility which sees over 10,000 visits per year by residents of western Manitoulin.

Net proceeds raised from this **Bay to Bay** Ride will go directly to the these projects to support these critical community services .

Please consider a donation to these community services by sponsoring this bike tour. Donations can be made through Canada Helps website:
