## Rotary Club of Bridgenorth-Ennismore-Lakefield

Serving the Community for over 40 years

April 2022

Dear Friends of the Rotary Club of Bridgenorth-Ennismore-Lakefield

It's back – the BEL Rotary Season Opener Golf Tournament: Thursday May 12<sup>th</sup> at the Quarry Golf Club.

Local programs sponsored by the BEL club include the festive season “adopt a family” support of the local food banks, Chemong Community Care drop in, the super spring clean-up and the continued development and enhancement of Rotary Park and stewardship of the Bridgenorth Trail. Throughout the pandemic we have continued to serve the community. We have purchased PPEs for front line workers, provided meals to the staff and residents of the Youth Emergency Shelter, supported residents and workers in long term care facilities, supported the Bridgenorth and Lakefield Food Banks and provided the makings of festive dinners to many of our community members. We are actively involved in the eradication of Polio world-wide and continue to support educational opportunities for children across the globe. Most recently we have provided support to those most affected by the war in Ukraine.

To support our efforts we are asking your support in the form of a \$100 hole sponsorship. Signage including your company name and logo will be displayed on “your” hole. You will also be recognized in the Lakefield Herald and on social media. All money raised will go directly to support our humanitarian work locally and internationally.

Thank you for your consideration of this request. Our club could not provide our continued service to the community without your generous support.

With Sincere Appreciation

*Tony Davidson*
