

Calling all Volunteers!

Travelling to the 2019 District Conference in Huntsville this October? Looking for a fun way to mix and mingle with fellow Rotarians that doesn't involve a dating app? Ever been told you have a bossy streak? Well, do I have a job for you!!

I will be managing Sergeant-at-arms duties during the conference (answering questions, directing foot traffic, lost & found, etc.) and am looking for volunteers to join the SAA team. As RI Founder Paul Harris used to say - "more hands make less work" - (not to mention shorter shifts). This is an unpaid position, but I can guarantee fun, fellowship and a free bandana.

If you can spare a few hours for the good of Rotary, please send me a quick text/email and I'll be in touch.

Please note that all SAA volunteers will be asked to sign off on the secret District Conference oath - "what happens at Deerhurst, stays in Deerhurst!"

Yours in Rotary,
