Introducing Donation Campaigns

We're excited to announce that the built-in ClubRunner Donations module now allows you to create multiple campaigns to promote your different fundraising initiatives. Not only will you be able to promote your campaigns directly on your website, but will also be able to track the performance of each through the new Analytics

We're pleased to announce that the Donations module now supports creation of donation campaigns for your fundraisers, and to track performance!

Campaigns

Campaigns allow you to better promote your different initiatives and direct your donors to specific goals and causes. Each campaign is customizable, allowing full control of all donation details and confirmation messages.
