

Cochrane Temiskaming Children's Treatment Centre Centre de traitement pour enfants Cochrane Temiskaming

The vision of the Cochrane Temiskaming Children's Treatment Centre is one where **“children and youth of all abilities will access opportunities, develop their potential and participate in their community”**.

They are committed to providing quality rehabilitation and supportive services to children, youth, and their Families in the Districts of Cochrane and Temiskaming who have a variety of physical, development, and communication challenges. Their catchment area is from Hearst to Latchford, including the City of Timmins, as well as the communities of Moosonee and Moose Factory in the James Bay area.

Therapists travel to communities in the catchment area and there are therapy assistants who reside in six communities. They provide their services in the Centre's offices and in homes, schools, daycares and community settings.
