

District 7010 District Grants Program Qualification Training for Rotarians

2022-2023 Edition

Introduction

The District Grants Program allows Clubs to apply for funding from District 7010's *District Designated Fund* to help finance relatively small, short-term activities and projects that address the needs of a local, national or international community.

Those activities and projects help Rotarians contribute to world understanding, goodwill, and peace by improving people's health, supporting education, and alleviating poverty.

District Grants Program Funding for RY 2022-2023

For Rotary Year 2022-2023, District 7010 will match Club project investments 2:1 to a maximum of \$2,000 CAD.*

Examples:

- \$500 (club) + \$1,000 (district grant) = \$1,500 income
- \$1,000 (club) + \$2,000 (district grant) = \$3,000 income
- \$2,000 (club) + \$2,000 (district grant) = \$4,000 income

* When clubs collaborate on a project, only 1 club can receive district grant funding

District Grants Program Eligible Activities

District grants program can fund:

- Humanitarian projects
- Educational programs and scholarships
- Cultural and language training
- Construction of infrastructure
- Renovation, repair and refurbishment of structures where people live or work or play
- Installation of a new toilet or hand-washing station in a school

Qualification Training Learning Objectives

Learning Objectives:

1. Know how clubs become eligible for district grant funding
2. Be familiar with the lifecycle of district grants
3. Understand the elements of district grant program processes
4. Learn about District Grant Program oversight, contacts and resources

How Clubs become eligible for District Grant funding

Clubs must be “certified” each year... that means:

1. Club President and President-Elect sign a Memorandum of Understanding (MOU) with District 7010
2. Club has no outstanding dues or debts with District 7010 or RI
3. Club Rotary Foundation Chair’s name is posted in *Rotary Club Central* & on the *Club’s website* [www.rotary7010.org] ...

How Clubs become eligible for District Grant funding

Club “certification” (continued)...:

4. Contribution goals to the *Annual Fund* and the *Polio Plus Fund* are posted in *Rotary Club Central*
5. A least **2** club members complete district grant “qualification training” for the grant project implementation year
6. Club has no Rotary Foundation grant reports overdue.

Lifecycle of District Grant Projects (from the club perspective)

Process begins in February and ends 17 months later, on June 30th

District Grant Project Initiation Process (Jan – May)

- Step 1: Clubs cultivate ideas for a district grant project, then
- Step 2: Confirm proposed project adheres to *Terms and Conditions for Rotary Foundation Grants*, then
- Step 3: Finalize project details and create a budget, then
- Step 4: Take steps to get the Club “certified” (eligible) to receive district grant program funding, then
- Step 5: Apply for district grant funding by 1 June.

District Grants Program Application Process

- Get paired with a *District Grant Mentor** to help the Club complete the application process before the **1 June deadline**
- Applications are submitted by clubs using District 7010's online grant management system, which is accessed through the District's website

* contact *District 7010's District Grants Sub-Committee Chair* to arrange mentor services

District Grants Program Application Approval

- Completed applications are processed by the District Grants Sub-Committee and, when approved by district leadership, are sent to The Rotary Foundation as part of the District's annual district grant funding request
- When District's funding request is approved by The Rotary Foundation, District 7010 will inform the Club that their project can proceed

District Grants Program Project Implementation

- Activity and spending must not occur before “go ahead is received from District
- Clubs must pay vendors or service providers directly or, on presentation of proof of purchase, transfer funds to non-Rotary project partners for expenses incurred
- Clubs should not transfer funds to non-Rotary project partners in good faith that the funds will be used appropriately

District Grants Program Project Implementation

- Project activity must be completed in time to file final report before the June 1 final report submission deadline
- Club retains all project invoices and payment receipts
- Club obtains minimum of 2 pictures that show the essence of the project and visually connects Rotary to the project

District Grants Program Project Implementation

Best Practices:

- *Club pays vendors or service providers directly or, on presentation of proof of purchase, transfers funds to non-Rotary project partners for expenses paid*
- *Clubs should not transfer funds to non-Rotary project partners (expecting that the funds will be used appropriately).*

District Grants Program Final Report & Payment

- Clubs must file a complete final report online on or before 1 June of the project implementation year*
- Final report includes; short written report, financial summary, invoices, expense payment receipts and photos)
- District 7010 issues grant funds when the Club's final report is accepted by the District Grant Sub-Committee

* implementation years start 1 July and end the following June 30th

District Grants Program Oversight

- District 7010 *Stewardship Committee* provides oversight of all Rotary Foundation funds issued by the District
- Clubs and Rotarians participating in the district grant program are responsible for maintaining good financial control of all Rotary Foundation and project monies.

District Grants Program Contacts

For more information about district grants or to have your Club paired with a *District Grant Mentor* contact:
