

An Opportunity for Young Leaders

District 7010 is part of Rotary Zone 24. Each year, in partnership with Zone 32, our Zone holds an Institute which is part conference, part training for District leaders. As part of the event there is a forum for Young Leaders designed for Rotarians interested in becoming more involved at the District level. This year the institute is being held in Hartford Connecticut. The main institute is from Oct 19th to 22nd with the Future Leaders forum, entitled "Rotary Now" starting October 19th with a dinner at 6:00 pm and ending Oct 21st at noon. For additional information about this event you can google <https://portal.clubrunner.ca/50077/SitePage/2017-rotary-now>.

District 7010 provides a subsidy of up to \$1700.00 to each of 2 Rotarians or Rotaractors interested in participating in the Young Leaders Forum. We are looking for expressions of interest in attending this year. Preference will be given to Rotarians or Rotaractors based on the following criteria:
