LEGISLATIVE ASSEMBLY

**NORM MILLER, MPP**

Parry Sound - Muskoka

October 2016

Dear Rotarians,

Welcome to Parry Sound – Muskoka! I hope that you have a productive and fun conference in our beautiful area.

We are very fortunate to have active Rotary Clubs in many of our communities. Through the years I have seen firsthand the good work Rotarians do in helping to build stronger, more caring communities. A few years back when a local boy became a paraplegic as the result of an accident it was the local Rotary Club that stepped up to help with the costly renovations for the family's home.

More recent projects of note include the Bracebridge Community Gardens, our annual Santa Claus parades, Canada Day fireworks, the Rotary Centre for Youth, world polio eradication, and much more!

I was so pleased to attend the recent Charter Meeting of the Muskoka Rotaract Club. It is truly great to see youth stepping in to carry on your important work.

Keep up the great service that you provide to our communities and all the best for a very enjoyable conference.

Sincerely,

A handwritten signature in black ink that reads 'Norm Miller'.

Norm Miller, MPP

Parry Sound - Muskoka
