R.E.L.A.Y. Team 2018

Before we began...

R.E.L.A.Y. “on the ground”

The impact...

More children can attend school

Children will be able to attend school longer

Children have new clothes, backpacks,
shoes

Children have new clothes, backpacks,
shoes

Students have more learning materials

Students have more learning materials

School has more equipment and supplies

School has more equipment and supplies

Students have a soccer field on which to play

Community has access to cleaner water

Children and their families will be healthier

Children and their families will be healthier

What's next...

What's next

- ❖ Teachers' residences
- ❖ Washrooms with flush toilets and showers
- ❖ Bicycle program
