

UPDATE

February 13, 2022

Hello Club Presidents, Presidents Elect, Secretaries, Treasurers --

I understand that in your enthusiasm to get involved, a few you have tried to reach the registration window with no success. The Registration window was not, per our presentation, to be ready until Monday, February 14th.

The good news is your enthusiasm has allowed us to find out earlier that there is a glitch and as a result our although ticket sales will proceed on time, our Club Registration window will not be available until the end of the week.

We still want you to register, get started and get credit for your ticket sales AS SOON AS POSSIBLE.

To that end, the procedure outlined below will take you through the steps necessary to get you registered.

Step One

Please send an e-mail to basselbergs@rogers.com with the following statement: *(Just Replace the red text.)*

The "*Club Name*" would like to register, for a fee of \$250.00, as a Partner Club in ROTARY'S GREAT ONTARIO FISHING RAFFLE. We are aware of, understand and agree to the partnership terms as explained to us.

Our Club Liaison for this project will be:

- First Name .. *Jane/John*
- Last Name .. *Doe*
- E-mail .. *jj@anyaddress.com*
- Contact Number .. *XXX-XXX-XXXX*

Our In Support Of (ISO) will be: .. *Local Community Service Project*

The ISO statement can be an event, an organization, a build project, the name of the Club Committee that will disperse the funds. Whatever will benefit your club and its charitable work while at the same time motivating your club and its prospective local ticket purchasers.

The RGOFR Team will in return:

- Activate your Club name in the In Support of List on the Rafflebox ticket window.
- Connect you with your Raffle Team Liaison
- Send you and invoice from “Rotary’s Great Ontario Fishing Raffle” for the Registration fee of \$250 via return e-mail to your named Liaison.
- Send you a digital file a sample of the 11 x 17 poster with Logos in place that you can use to assist you in selling your 12 different sponsorships.

Step Two

- Start selling your 12 “Different” sponsorships at \$100 each.

Your Raffle Team Liaison will be the one to tell you what information you need to collect from your sponsors and how you can forward the funds and information. In the meantime, keep the funds safe in your club Public Funds Account.

If you have any questions or require assistance, please contact me.

Rotary's Great Ontario Fishing Raffle

Here is the latest information about our District wide lottery that is being spearheaded by the Rotary Club of Barrie.

It is a great opportunity for **all clubs** to participate in a major lottery with no risk and virtually no investment. It is also a great example of how the District can support our clubs and how clubs can work together.

And remember your club's role is helping to promote the raffle - not selling tickets. Ticket sales are completely online.

Interested clubs are asked to register starting February 14th, when the site goes live - greatrotaryraffle.ca - and clicking on "Club Registration".

Marketing and on-line ticket selling will commence on March 1, leading to a draw in May.
