

District 7010 Rotary Weekend Training Sessions 2022

Training that is usually offered during Rotary Weekend, other than for Presidents Elect and Presidents Nominee, will be self-directed for the most part through our Learning Center. The advantage is that you will be able to learn what you want, when you want it, at your most convenient time. The table below provides links that open directly to a PDF or a course in Rotary International's Learning Center. Once you start a course, you can pause it and resume it when you have time. A certificate is issued at the end of the session.

Please note that you need a "My Rotary" account to access – see below for information on how to obtain one.
