

The Rotary Club of Midland is organizing a service trip to Nairobi Kenya.

They are going to the new home where the [Life4Kids](#) boys orphanage is. They will be setting up their library and computer lab supplying 20 stations dedicated through a District Grant. They will spend 6 days there doing that and spending time with the boys.

They are hoping to set up some fellowship time with a couple of Rotary clubs in that district. While in Nairobi, breakfast at the hotel, lunch with boys, and transportation to and from the home is included.

Following the time with Life4kids they will go to Maasai Mara for a safari. Staying 3 nights with local game drives from the lodge daily.

Cost is about \$3400 Canadian per person (the safari part is the biggest part of the cost)

Flights are \$1300-1500 in economy or higher for premium economy etc.

Depart Toronto on October 30th and return November 6th.

Please contact Terri Brophy if interested. It is \$500 to hold a spot.
