

## WELCOME TO THE NEW ROTARY YEAR

As we begin a new Rotary year, all of us at ShelterBox Canada want to extend our deepest thanks to Rotary members for their continued support and commitment to people affected by disaster around the world.

*“Through working together, we’re strengthening our response and creating a tangible and positive impact that spans the globe.”*

- Yinka Babalola, Rotary International President;  
ShelterBox Trust Board of Trustees 2021-2025

## TOGETHER WE MAKE A DIFFERENCE

Working alongside Rotary members after a disaster has always been at the heart of ShelterBox’s approach.

Rotary members living in disaster-affected countries often work with us on the ground during responses, offering invaluable knowledge, insight, and connections.

Canadian Rotary Clubs and members help raise awareness and funds that makes our work around the world possible.

Every moment of collaboration helps deliver shelter and support to people who need it most.
