SHELTERBOX OPERATIONS PHILIPPINES UPDATE

ShelterBox is responding after a series of powerful storms and earthquakes caused widespread destruction across the Philippines. Hundreds of thousands of people have been without shelter at the start of the typhoon season.

Thanks to our permanent presence in the Philippines and strong local partnership with Rotary, ShelterBox was able to conduct needs assessments rapidly and begin distributions.

We're in close contact with Rotary and met with them in Cebu - The Rotary Club of Cebu has been a longstanding partner with ShelterBox Operations Philippines, playing a pivotal role in the team's development and growth.

We have also been working alongside the Rotary Club of Masbate. They met with ShelterBox teams where they shared updates on projects that local Rotary Clubs have already been conducting in support of communities in the region following Typhoon Bualoi.

Our ShelterBox Operations Philippines team shared Safeguarding training with the Rotary Club Masbate and conducted information gathering and project design discussions.

Our shared work in the Philippines is a fantastic example of what it means to Unite for Good!
