

Last year, you provided more shelter, more safety, and more opportunities to rebuild. Your impact has changed lives.

YOUR IMPACT

Households

32,000 households received shelter and items to rebuild after disaster

People Supported

160,000 people have the tools they need to recover

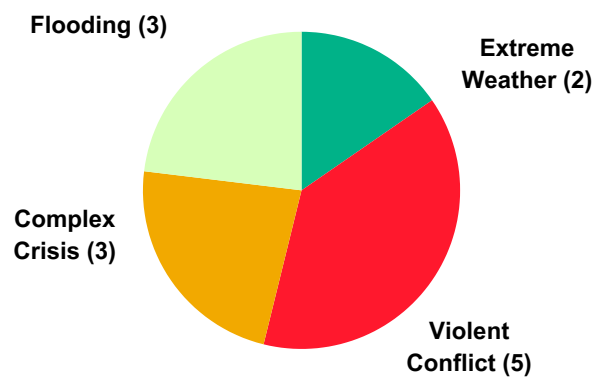

YOUR REACH

Your generosity supported people in 13 countries around the world. Flooding, extreme climate events, conflict, drought and more - you were there providing aid to people who needed it most.

96%

96% of respondents in Bangladesh said their newly built shelter provided sufficient dignity and privacy.

93%

93% of respondents in Pakistan said the shelter design and size was appropriate for their family.

YOUR RESPONSES

Your support last year helped people who have been displaced by extreme weather and climate events, complex crisis, violent conflict, and powerful earthquakes. No matter the disaster, you were there with the aid people needed to recover.

DO MORE

Scale up to meet humanitarian need

DO IT WELL

Innovate to improve quality of shelter assistance

DO IT TOGETHER

Address power imbalances in the global shelter system

Your support of ShelterBox is helping ensure no one is without shelter after disaster. With your help last year, we continued to implement our five-year strategy that began in 2022.

This global strategy will see ShelterBox become even more focused on the impact emergency shelter can have for people after disaster and conflict.

HOW YOU MAKE A DIFFERENCE WITH SHELTERBOX

After receiving ShelterBox aid, people:
