

District 7010 Rotary, Rotaract, Interact Clubs

Club's "Moving the Needle" 2019-2020

Typically, each District Governor (DG) establishes the *District Governor Club Achievement Recognition* or *DG Club Achievement Award*, for the Rotary year [July 1^{st} – June 20^{th}], that sets out 15 to 20 goals, asking the clubs to then achieve a set number of these goals over the course of the year.

For 2019-2020, this has been reversed. Your club is being asked to establish and share their **own goals** for the year. What does **your club** want to achieve during the Rotary Year? What are **your club's goals or interests** towards "*Moving the Needle*" for your club? There is no set number. Perhaps your club has one thing it wants to focus or maybe it has several.

Rotaract and Interact clubs are also encouraged to participate.

Please enter your goal(s), interest(s), etc. and share them with your Assistant Governor (AG).
