

## DISTRICT 7020 CLUB OF THE MONTH PROGRAMME 2018-2019

Clubs are invited to submit entries each month from August to March for the Club of the Month (COTM) program. **Points are allocated for winners, second and third places in three categories, large medium and small clubs.** In this way, each club can accumulate points and at the end of the year are given suitable recognition at the District Conference.

Every month, the judges select a winner in each category. These categories are established by taking the membership of all clubs in the district so that 1/3 of clubs fall into each category. Although a club can win only once during the year, the cumulative points system allows for further recognition for outstanding clubs. There are 15 Rotarians on the COTM Committee of which 12 are regular judges, and the 13th votes only in the event of a tie. Each country or area in the District is represented on the committee. Each month of the program, every member of the winning clubs receives a unique COTM lapel pin (as in the logo above).

**Plan for your month-end submission.** Submissions should be made on the **template provided**, and must be received by COTM Committee, at [cotm7020@gmail.com](mailto:cotm7020@gmail.com) by the 5th day of the month, with a copy to your Assistant Governor (e.g. Submissions for August-Membership and Partnership are due by September 5). The judges will announce the winners by 15th of each month.
