

DAF #48 – Ecole de Notre Dame de Petits

PORT AU PRINCE

- Reconstruct the this Elementary School
- Will serve about 1035
- Total Cost is \$250,000

- The DAF feels this project is out of the scope of our fiscal limits as the total cost is over the \$100,000 limit that we set. It is definitely Earthquake Relief and the DAF is supportive of the need and the project. They can break down the reconstruction into smaller pieces for those who wish to assist.
