

DAF #84 – Household Microcredit Program

PETITE RIVIERE DE L'ARTIBONITE

- This project is to provide microcredit to the community
- Training will be provided and support to help them succeed.
- Loans will be provided for renewable periods of 16 weeks
- There will be a creation of 25 Micro-Enterprises with 50 people working
- It will be managed by Konbit CHANJE PAIDEH and LAVI
- The accounts will be opened at COPECPRA (City Bank)
- Total Cost is \$10,600

- The DAF has committed to \$10,000
- The local club \$600

This project is fully funded and the microcredit is ongoing.

They are requesting additional funds to expand their impact.
