

DAF #81 – Distributing donated supplies from the containers

PORT AU PRINCE – ALL OF HAITI

--There are 15 containers left in Port au Prince that need to be emptied into trucks and distributed throughout the country.

--The volunteers have already handled some 60 containers and we need to complete to that we can invite the next wave of containers (We estimate there are 25 containers waiting to be shipped)

Total cost is \$25,000

- DAF has committed to the \$25,000

This project was handled without the funds and is complete.
