In Loving Memory of Carole Berry

06-Aug-1944 - 01-Apr-2022

Carole was a dynamic woman who positively affected the lives of others. She loved her family and community. She was extremely involved in the Rotary Club, becoming the first female president of the Mississauga Chapter in 1996. For over 16 years, she was the organizer of the Rotary Youth Leadership Awards' (RYLA) annual conference and through these week-long programs, she inspired many youths to pursue their dreams. She was dedicated to the Polio Vaccine program as well, and in 2021 organized a very successful fundraiser with the Brampton Club, one of her last volunteer projects. Learn more about some of her many adventures and impact [here](#).
