

WHAT TO BRING

Congratulations on your Rotary Youth Leadership Award! Now that you've earned a spot, you're most likely concerned about packing (most people usually are). Don't worry! As long as you have the following, you'll be covered. And if you still have questions, please don't hesitate to contact us at: ryla7080@gmail.com.

Please note that we'll be there for a week, not a year ☺ In other words, it may not be worth bringing multiple suitcases. Enjoy the opportunity to be dressed down! Note also that the Ecology Retreat Centre is just that – a retreat in the country, with little access to the outside (even cell phones are not dependable) with a relaxing atmosphere and very healthy food. Special diets will be accommodated. Be prepared for “rustic setting”. You will share accommodation in a lodge or bunkhouse. Linens are provided but sleeping bags are good to bring if it gets too cool. Other things to bring include:
