Citation

Did you know the Rotary Citation is based on your Clubs goals?

How does goal setting influence a club's success?

To achieve success you need to set goals meaningful to your club at the beginning of the year!

The goal setting cycle:

set goals, work to attain goals to fulfill club's vision, then Celebrate!

Does your club have goals set for the current year?

If you need help please see Annie from the Annual Fund Committee

A FOUNDATION MOMENT

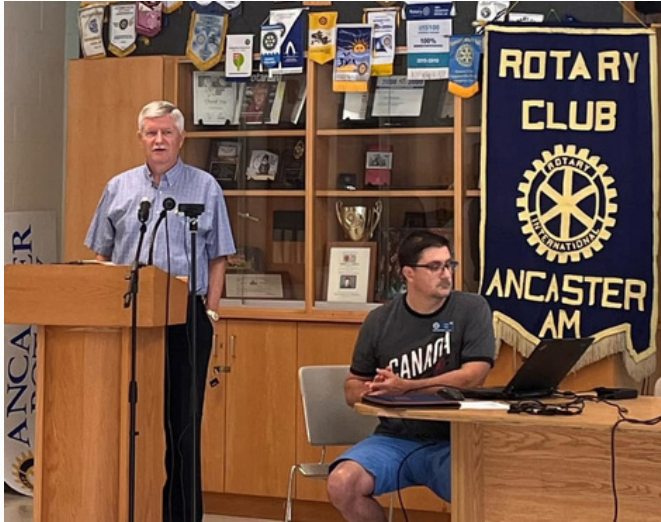

We also love to attend Paul Harris events

An effective practice to keep fellow members informed and engaged is to share short Foundation infomercials in your meeting.

To have someone from the Foundation Committee attend your club please contact us

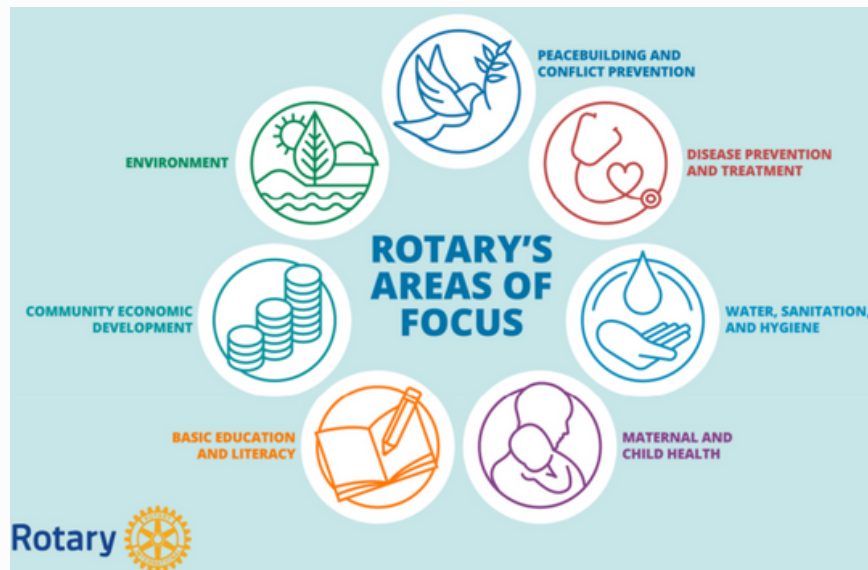

The Rotary Foundation is the engine that transforms and supports projects that change lives in our local communities and around the world.

This is a great time of year for foundation chairs to start a two minute talk at every meeting.

Host conversations each week on one of the 7 areas of focus.

Sharing - What is your club currently doing (or past initiatives) relative to the 7 Areas of Focus?

Here is a great 2 minute video to show your members. Find in our plug and play Foundation on the district website!

District GRANT *NEWS*

Rotary Club of Falconer-Facebook post

Isn't it great? It is coming along beautifully. The Falconer Rotary Disc Golf Course at the Falconer Park is going to be the source of fun and great exercise for many people.

Congratulations to the Rotary Club of Falconer!

Local Rotary member Nina Gustafson, who said the organization had received an extension on a grant previously awarded for a dog park. That plan called for an area inside Falconer Park to be set aside for a dog park, though the effort fell through after some residents voiced concerns with its placement

The club worked with Grant Chair Lezlie to reapply and pivot to a disc golf. Thank you to our Grants committee for helping Rotary Club of Falconer achieve their first grant. Remember any club can apply for grants with an easy qualification.

from newspaper article

Disc Golf Course To Be Installed At Falconer Park

TOP STORIES FALCONER — Disc golf is coming to the village.

“This is the first time the Falconer Rotary Club has been awarded a Rotary Foundation grant, and we are pleased to be able to use the funds to enhance the Falconer Park with the installation of a disc golf course,” she said. “We are proud of our partnership with the village of Falconer, and we hope the new course will bring enjoyment to the community for years to come.”

Global GRANT *NEWS*

District 7090 is happy to announce the Global Scholarship for PhD in Environmental Sustainability of Norievill Espana was approved by the Rotary Foundation. The Rotary Club of St. Catharines being host and international partner Rotary Club of Buffalo Sunrise, along with RC NOTL, and 2 clubs from Brazil, worked together to secure the Global Scholarship for Norievill to the value of over \$42000 US dollars using District Designated Funds, Clubs giving's and World Funding.

Norievill a student at Brock University project will aim to advance effective and equitable coral reef conservation in the Philippines. The research will focus on identifying and evaluating best practices in community engagement and MPA management, with an emphasis on understanding the role of coastal communities in decision-making and dynamics toward equitable distribution of benefits.

By highlighting successful models of community-based conservation, this project will contribute to crafting institutional strategies and policies in the Philippines and building sustainable and resilient coral reef systems, while promoting the well-being of communities that rely on them. The research will support the goals of the recently adopted Kunming-Montreal Global Biodiversity Framework (referred to as the 30by 30 agenda), which aims to conserve 30% of the ocean by 2030.

Overall, this project will generate knowledge and insights that can help advance marine biodiversity conservation in the Philippines and beyond, ultimately contributing to a healthier and more sustainable planet.

Recently District Foundation Chair Sandi Chard and DG Lisa Bishop congratulated in person Norievill. She will be talking at the **November 12 Foundation Celebration. Save the Date**

It is exciting to see what our Rotary Foundation dollars can do locally and around the world
