

To: Presidents-Elect

Some of you asked for the video link to the Fireside Chat. Here you go - thanks David Berry for helping us create some of these bite-sized viewing pieces for you. For those of you who asked for my slides that I used that evening, they are also attached here. We are just doing some edits on the fundraising video and that will be out shortly and shared widely. Let me know if you have any questions or need anything else!
