PRESIDENT ELECT TRAINING SEMINAR

President Elects
Training is here to
help you manage
risk and get ready
to lead your club

So What Can You Expect from the District?

1. We are here to help your club be the best it can be... that is our mission
2. We want to connect you to the resources and the new ideas - you do not ever need to feel like you are alone in this
3. We will challenge you during this training and throughout the coming year to take actions that will help to lead your club forward

WHAT TO EXPECT

“What if we don’t change at all ...
and something magical just happens?”

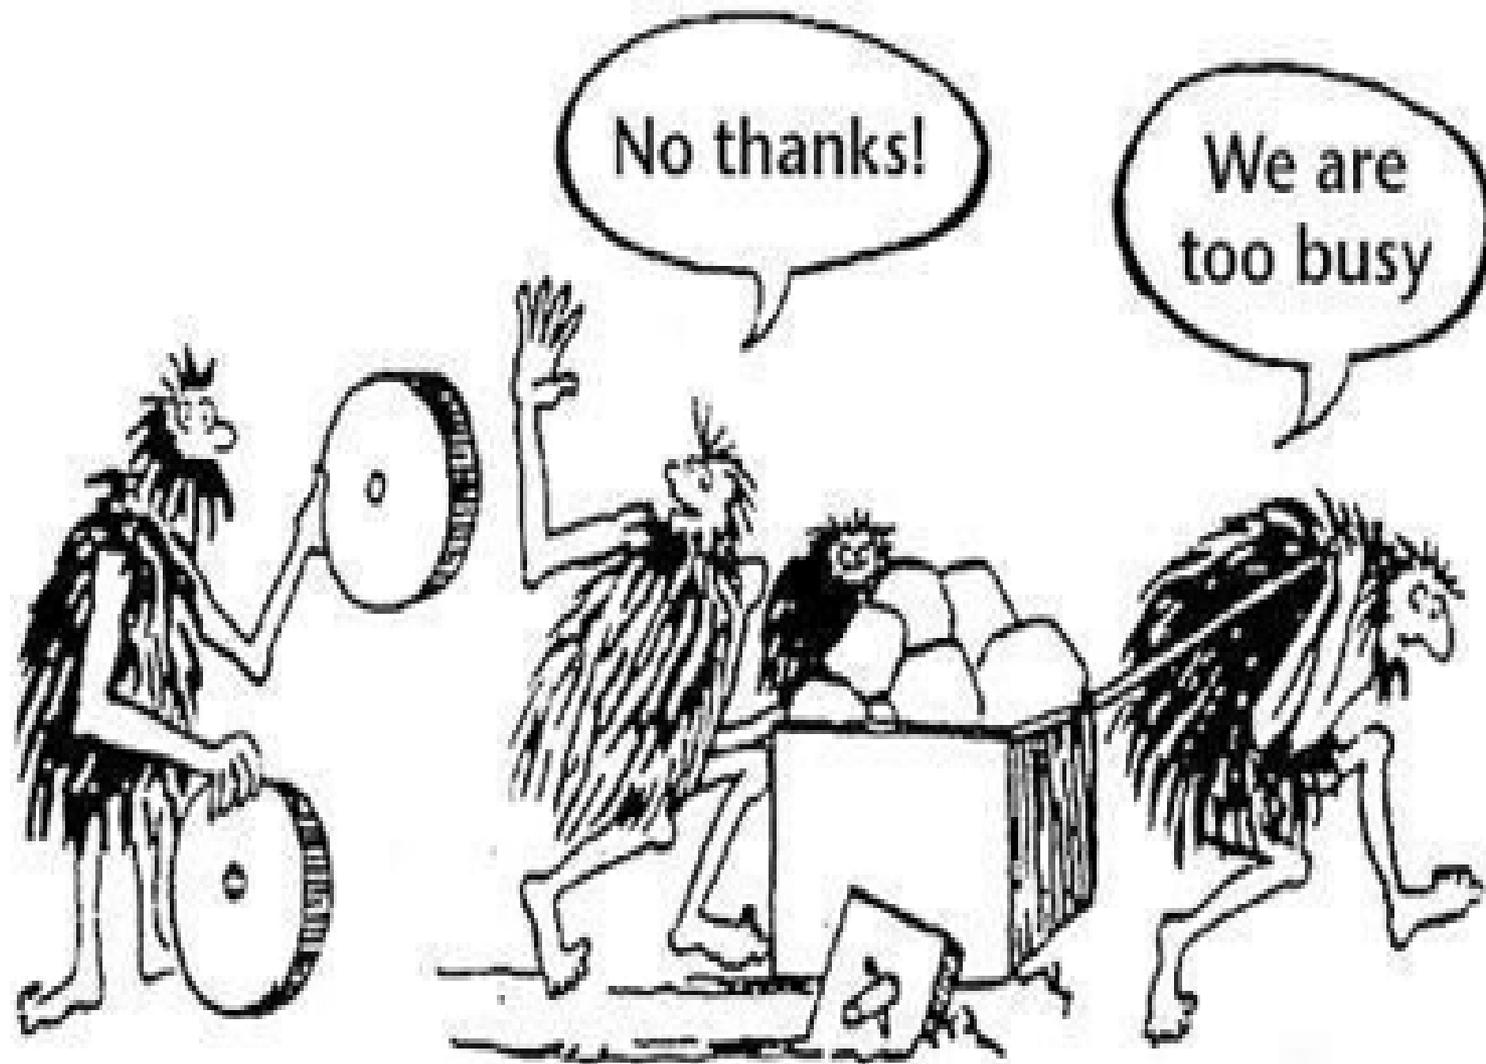

What Do We Expect of You as President Elect

- 1. To bring some passion to your role and your club - get excited about what could be done!**

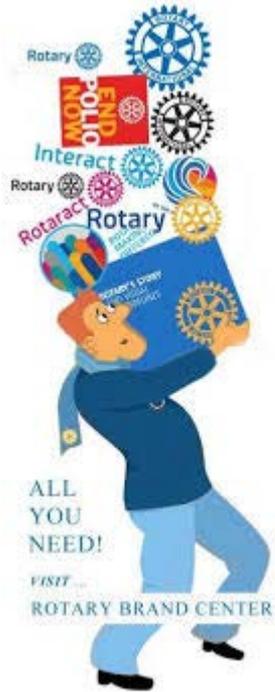

2. To not accept the status quo... every Rotary club needs to change!

3. Find people to help you -
give them specific roles to play
or better yet... ask them what
each person is willing to do to
help you!

4. To connect with clubs in your area, with your assistant governor and with all the volunteers who are giving of their time to help you!

**There are two kinds
of days: Good days
and character
builders.**

**NO ONE IS PERFECT -
THAT'S WHY PENCILS
HAVE ERASERS.**

Wolfgang Riebe

5. Do not expect perfection!

TOGETHER WE SEE A WORLD
WHERE **PEOPLE** UNITE AND TAKE ACTION
TO **CREATE** LASTING
CHANGE ACROSS THE GLOBE
IN OUR COMMUNITIES AND IN OURSELVES
