Minutes of District Council Meeting June 8, 2013

Attendance: 20 Rotarians

Chair: Rick Sterne, District Governor 2012 – 2013

Welcome and Invocation: Called to order at 8:45 am by DG Rick who welcomed us.

Invocation: AG Joe Alber asked the Creator's blessing on our meeting and the peoples of the world.

Introductions: DG Rick asked council members to share personal Rotary highlights of the year.

Rotary Moment: DGD Kevin Crosby – Rotary like a beautiful exotic dancer – Rotary reveals itself over time – releasing its beauty slowly. Bob Scott – chair of TFR. Moved from Scotland to CA. Invited to Rotary.....reluctance. Eventually joined. Kevin's recent Rotary moment was at the recognition dinner for Bob Scott, where he heard some of Bob's Rotary story and realized once more "Rotary provides lens through which your life can get focus". Bob would probably have achieved greatness without Rotary, but certainly his passion for Polio Eradication was life changing.

Secretary's Report: Pene Hutton

MOTION TO ACCEPT APRIL MINUTES BY PDG JOHN HEISE, SECONDED BY JOE DEPAOLO. MOTION CARRIED.

Treasurer's Report (see attached): Marlene McGraw, absent

MOTION TO ACCEPT BY KAREN, SECONDED BOB GOSSELIN. MOTION CARRIED.

Huge thanks by DG Rick for Marlene and all she has done for us this year as Treasurer.....it is a big job. Karen Oakes also commended Marlene and the webinar and commented that the webinar was very well done. Excellent power point on District website. DGD Kevin noted also that Don DeMeo and the US presentation is also on the website – his was recorded.

District Governor's Report (see attached): Rick Sterne

DG Rick noted that there are 8 Lighthouse Awards being awarded. He also mentioned Membership growth awards – some clubs ARE growing. Governor's Trophy – close voting for the top 10 clubs. Judging committee included DG, DGE, DGN, DGD and 2 PDGs.

District Governor Nominee's Report (see attached): Jack Amico

DGN Jack kept it short and referred to his report and commented, "I'm glad to be back."

District Governor Designate's Report: Kevin Crosby

DGD Kevin indicated he is turning his attention to AG team and hoping to fill that out as there are still some empty slots.

District Directors' and Committee Reports:

The Foundation (see attached report): Karen Oakes, PDG, Director.

Kudos to her wonderful team of committee chairs. She indicated there are sustaining member stickers, the need to get to AGs for 5, 8, 15 and 17. She also noted the need to get clubs to enter their goals online – only 21% at present have done so. She read off the clubs that had entered theirs online and asked all to please help encourage the clubs that were not included.

Public Relations (see attached report): Director Paul McAfee absent (in China).

It was noted that Phillip Beckermann accepted the directorship effective July 1.

Membership (see attached report): Pravin Suchak, PDG, Director absent

DG Rick announced that membership was up 2% up as of May 17th.

Council on Legislation (see attached report): Dick Earne, PDG and Rep.

PDG Dick noted that in a couple of weeks the clubs will receive a report from RI about the legislation that was passed. If 5% don't like the new legislation, the Secretary of RI will send out a ballot to the clubs to solicit the clubs for a vote. In 3 months the documents that will be changed will go to the clubs - effective July 1, 2013. (Documents meaning - the RI Constitution, Standard Rotary Club Constitution and Rotary International Bylaws). Don't have to wait 3 years until the next COL. Clubs can petition RI via resolution – if they want something changed – just not something within the 3 aforementioned documents. District can also ask for a change, but has to get its resolution passed at a District Conference. Responsibility – requirement of DG to make sure the clubs know that they should be in compliance...updating their own club documents to bring them in line. Discussion on other changes. Dick noted that he will be happy to help any club that wants to send a letter in to RI protesting any of the changes.

DG Rick recognized Dick as our COL Rep with a book – for an exceptional job.

Break from 10:00am – 10:20am.

District Directors' and Committee Reports (continued):

DG Rick acknowledged DGE Kevin Crouse for agreeing to a combined Awards banquet & Changeover event. Over 70 awards to 41 clubs will be presented tomorrow. In order to expedite awards process – only going to come up once. DGN Jack will be the moderator and will announce the name of the club. Pene will line them up. DG Rick will present Presidential Citations, Karen will present Lighthouse Awards, PDG Brian Carmichael will present Membership Growth awards on behalf of Pravin Suchak, and Carolyn Ferguson will present the Peace through Service awards. In response to the need for a photographer, Karene's partner, Wolf, was nominated.

DG Rick presented a book to Bob Gosselin for GSE commenting on the outstanding job he and co-chair Dan Smith have done.

Service Projects: Andy Skrypniak, Director, absent.
No report for Service Projects.

Youth Services/New Generations (see report attached): Greg Norton, Director
Director Greg reminded everyone that this week is RYLA week. Thursday is the dinner and all are invited. He noted that there are 50 highly motivated very energized future Rotarians involved in the week long program. Past RYLARIANS were a notable presence at SLAPSHOT in April. He also announced that he is aware that DGE Kevin is announcing in his goals for clubs to sponsor two youth programs grads to attend District Conference. And the kids know it – so heads up that the clubs may have some youth program grads knocking at their collective doors.

EarlyAct (see report attached): Dick Earne, PDG, Chair
PDG Dick noted that his report includes a list of clubs that have not let him know whether they have an interest in an EarlyAct club. Please look at his report.

Training (see report attached): Kevin Crosby, Director
Kevin thanked Marlee and the rest of the District Assembly team for a nice job - 270 attendees, the most in his experience. He also noted that there was a RLI in Jamestown – this year finally got enough enrollment. Another first was the Club Treasurer training on Go to Meeting. He also noted that this week – John Heise and he were successful getting Amy Thompson to chair Training Administration – the initiative to produce club based training – roll out in July. Encourage a member to take on the responsibility of club training. Will not have to do the training – just be the point person to create a culture of training in the club.

Assistant Governor Forum: Jack Amico, DGN

What's gone well this year, suggestions for successor.

- Go to Meeting for the AGs
 - because in part the difficulty of AGs with young children
 - because lost the round table now that we no longer stay for lunch meeting
 - COL could participate in webinar to understand the impact on the individual clubs
- More information on Club Central
 - June 12th is a webinar on Club Central for clubs
- Encourage the AGs to encourage the clubs to get their officers and directors in for 2013-2014 NOW – both at the District and RI level.

Thank you to Wayne Massey who is retiring as AG. 3 out of 4 of his clubs are getting awards. DG Rick noted that the areas that are doing the best – all have a strong AG. Area 13 and Peace Forum as a project, etc.

Thank You & Pass the Gavel:

Rick Sterne, District Governor 2012 – 2013, commented that it has been the most memorable year of his life. He encouraged anyone who is thinking about taking on the challenge that though it is a lot of work, it is incredibly rewarding. Highlights include the District Conference, the multi-District Peace Conference. Thanked everyone for the year of service.

Passing of the Gavel: History of the gavel.....read by DG Rick. Originally presented in 1977 to District Governor Donald Swift.

Kevin Crouse, District Governor 2013 – 2014, thanked DG Rick and PDG Ralph for being his mentors this past year. He noted that he is looking forward to the challenge with his great mentors that have led the way and that he is not taking the task lightly. His hope for next year – is to have a huge shift in membership, a big change in members, because they are our most important resource. He commented that our motto is *Service above Self*, but what if there is no self left...there is no service. ENGAGE ROTARY.....CHANGE LIVES is this year's theme. If we don't pay attention to the membership theme, we are going to miss this. In the last 5 years, we have lost over 12% of our members in 7090. We do a great job of bringing in new members this year, but the question remains, will you still love me in July? If we continue the downslide we will be down to 2000 members – from 3800 high. We must work on retention. We do that by engaging members. He indicated that his goal is to keep the members we have. How do we do that? *How to Win Friends and Influence People*be courteous, show them we care in all the ways we do. He introduced his plan for next year:

E – engage all members in fellowship events

N – nominates a member for the Heads, Hands and Heart award

G - get 2 youth program graduates to the District Conference.

A – attend the district conference as a team

G – get your club recognized as a 100% club – every member does once service and one fellowship event.

E – enroll all members in the EREY program.

He ended by asking us all to stand up and do the Stand and Engage Rotary, Change Lives – handshake. DGE Kevin handed everyone a tie or scarf and welcomed us to his team.

Other Business: None.

Adjournment: 11:23am. Meeting adjourned by acclaim.

Respectfully submitted,

Penelope Hutton

District Governor Nominee Report

September 2, 2013

Assistant Governors

- Area 5: Due to difficulties recruiting an AG for Area 5 last year, the Lincoln RC was moved into Area 6 and the Stoney Creek RC was moved into Area 4. I am pleased to report that former AG Thomas Brock has agreed to represent the two Grimsby clubs temporarily. Our plan is to recruit a new AG for Area 5 and then re-form Area 5 with the Rotary clubs of Stoney Creek, Grimsby, Grimsby@Noon, Stoney Creek and Lincoln during the current Rotary year.
- We are waiting to hear from an AG candidate for Area 15.
- We are actively seeking an AG candidate for Area 17.
- We conducted an online GoToMeeting session with AGs on August 19. The minutes of the meeting are attached.
- At the suggestion of the AGs, we will have a discussion at District Council on Sept. 7 about strategies for re-engaging clubs that have become disengaged from District activities such as Area meetings, PETS, District Conference and District Assembly.

PETS 2

- I attended a planning meeting on Aug. 12 of all three districts involved in PETS 2, along with District Trainer John Heise and DGE Jack Amico.

District Manual of Policies and Procedures

- As DGN, I am participating on a committee to update the District's MOPP. We had our initial meeting on Aug. 28.

Future Events

- I have reserved Templeton Landing (Buffalo) for Sunday, June 28, 2015 for the DG Changeover and District Awards luncheon.
- I will be visiting Holiday Valley Resort (Ellicottville, NY) on Sep. 12 to research this potential venue for the 2015 District Conference.

GoToMeeting

Meeting Notes

Participants:

AGs:

Area 2 – Reg Madison
Area 3 – Bob Morrow
Area 6 – Chris Blake
Area 7 – Richard Beifuss
Area 8 – Michael Brown
Area 9 – Bill Miles
Area 10 – Joe Alber
Area 12 – Barb Guida
Area 14 – Marlee Diehl
Area 16 – Doc Hamels

Others:

PDG John Heise – Director of Training
John Mullen – Co-chair of AG Development
Kevin Crosby – DG Nominee

1. Following the welcome and introductions, DGN Kevin explained that due to the difficulty recruiting a regular AG for Area 5, the 2 Grimsby clubs would be represented by Past-AG Thomas Brock, Stoney Creek has temporarily joined Area 4, and Lincoln has temporarily joined Area 6. Once an AG has been recruited for Area 5, it return to its original configuration. DGN Kevin is still recruiting AGs for Areas 15 and 17. He hopes to have one for Area 15 later this week.
2. In the discussion of the best format for our meetings, there was general consensus that GoToMeeting is fine. Reg suggested we set the calendar of meetings for the year. DGN Kevin will survey the group for the best day and time of day and then propose a meeting schedule. These monthly meetings should focus on common issues brought forth by the AGs.
3. There was a discussion about written AG reports. Two simplified forms have been proposed. These are attached. Please review these and we will discuss at our meeting in September. PDG John suggested that DGN Kevin present the highlights from the AG reports at District Council.
4. Barb asked for notes from the AG session at District Assembly. These notes are attached.
5. We discussed the role of AGs at District Council meetings. The group felt we should continue using District Council meetings to discuss significant issues brought forth by the AGs. It was also suggested that these discussions at District Council occur early in the agenda, rather than at the end, so we get input from all participants. When these discussions have been held at the end of District Council meetings, many people leave before the discussion. The AGs would discuss in advance what issue should be proposed for discussion at District Council. Barb suggested we also solicit input from recent DGs regarding topics for discussion.
6. The next District Council Meeting is Saturday, September 7 at the Phillips Sheridan Community Center in Kenmore, NY. All AGs should attend. The schedule of District Council meetings is posted on the Home Page of the District website (www.rotary7090.org).

7. Bob raised the issue of how AGs could get District-level access to Club Central. Bill Miles indicated that he recently got access. DGN Kevin will check with Pene Hutton to ensure that all AGs have appropriate access to District View. DGN Kevin suggested that Club Central be discussed at our next AG meeting. Here is information about, and a link to, the webinar that was conducted by RI for AGs:

AG Online: Support Clubs with Rotary Club Central and Rotary Resources

Date/Time: 15-May-2013

Duration (minutes): 60

Level: Basic

Assistant Governors will learn how Rotary Club Central and other Rotary resources can help them assist their District Governor in providing leadership, motivation, and guidance to their assigned Rotary clubs. The 60-minute online training session will cover the following topics: Rotary Club Central, Online Rotary Resources, Online Learning Opportunities, Critical Club Administrative Functions, and Q&A.

Language: English

Recording link: <https://vimeo.com/66657657>

8. Bob requested clarification on the new “100% Club Engagement Award.” DGN Kevin will ask DG Kevin to provide this clarification.
9. We discussed the challenge of small clubs that don’t participate in district activities or Area meetings. This might be a good topic for District Council discussion. It was suggested that Club Presidents be sent a reminder about the importance of participating in their Area meetings so they can stay informed about district events and resources that would benefit their clubs.
10. Joe requested names of clubs that have sponsored Hospitality Suites at District Conferences. He is helping to organize one for this year and would like to talk to some folks who have done this previously. Please contact Joe at albera@canisius.edu with names/contact info.
11. Richard raised the issue of how to attract new members. Barb cited the approach of the Clarence club which offers \$50 Associate Membership for up to one year to entice members to join. They must participate in club activities. Barb said this has been very successful for Clarence.

DGN Kevin will distribute a link to the recording of our GoToMeeting when it’s available.

The meeting was adjourned at 5:05.

Respectfully submitted,

DGN Kevin Crosby

District 7090 Service Projects Report
District Council September 07, 2013
Report presented by Willy Heidbuechel, Director

I am honoured to have been asked to serve on District Council 7090 as Director Service Projects. As AG for Area 6 I have enjoyed the last three years working with District Council and the District leadership, and I'm looking forward to continue that work in my new role. The report for this meeting will be brief, as I'm trying to find my bearings and identify and contact the chairs of the various committees. In addition, my time to devote to the new role is currently limited, as I am the chair of my club's Annual LobsterFest (our biggest fundraiser), which will take place on September 14th in St. Catharines. After that date, things get easier.

District 7090 – New Generations

The New Generations program chairs are currently planning the involvement of their programs and members in the upcoming district conference. Planning for the New Gen section of the program Saturday has started and generating excitement – and attendance – by program members is the main focus over the remaining weeks leading up to the conference.

FEATURED PROGRAM

Youth Exchange - (Chair – Aad Vermeyden – Rotary Club of Brantford)

By the time you have this meeting, we hope that the last of our outbound students will have departed District 7090 and arrived safely in their new host countries. As always, we're having some delays with a few countries, but all tends to work out eventually.

Our inbounds have not all arrived yet, although most have. Rotating strikes at Canadian consulates abroad are partly to blame for this. We also have one girl from Taiwan, for whom the exchange will probably not take place, as she was diagnosed Hodgkins in May and will need to finish her treatments. Whilst there is still talk of starting her exchange in December, we're looking into the consequences of this situation (consults here, immigration criteria, insurance) at present in coordination with the her possible host club, which will likely result in her coming over for a few weeks of holiday in lieu of exchange...

We're gearing up for outbound student recruitment and program promotion as well as preparing for the inbound orientation weekend that will take place Sep 27-29 in St Catharines. In addition to their orientation activities with the Youth Exchange committee, the students will take part in the Grape & Wine Festival at the request of the St Catharines clubs.

We are welcoming **Donna Dalglish** and **Adair Luhr Amo** to our district committee and are sad to say goodbye to Sarah Kennedy (due to her move to British Columbia). The Youth Exchange presence during the upcoming District Conference will be totally revamped and we're actively working with the other New Generations chairs to do a combined presentation.

SLAPSHOT - (Chair – Margaret Andrewes – Rotary Club of Lincoln)

Student Leadership Award Program designed for **Students High On Training**, is dedicated to promoting, honoring, celebrating and nurturing young leaders, who are high school students, 15-18 years old. District

7090's 9th annual **SLAPSHOT** is scheduled **April 25 -27, 2014** at **Canterbury Hills Conference Centre, Ancaster, ON, Canada.**

SLAPSHOT 2014 REGISTRATION OPENS Monday, January 13, 2014. The REGISTRAR will receive payments @ \$300 per student (maximum FIVE registrations per Rotary Club) on a first come, first served basis. Only the first 100 registrations will be accepted. Look for SLAPSHOT 2014 details and registration forms on the District 7090 website in December.

Rotaract – (Jelaine Foster / Sabrina Smith)

Preparations for district conference are in full swing and communications to clubs to attend the conference have gone out. Hoping to have a notable Rotaract presence at the conference in Niagara Falls.

Interact – (Brian Casey – Rotary Club of Buffalo)

Currently coordinating efforts with Interact clubs to facilitate Interact attendance at the district conference. Working with local club coordinators to address issues connected with transportation to and from the conference for the students as they are not able to travel on their own.

Interact – (Brian Casey – Rotary Club of Buffalo)

RYLA – (Chair – Sue O'Dwyer – Rotary Club of Norfolk Sunrise)

TRAINING DIRECTOR REPORT

September 7, 2013

I know I have a hard act to follow. My thanks to Kevin Crosby for all he has done to offer a variety of training opportunities for our District Rotarians and leaders.

Kevin also recruited a number of strong committee chairs, some of whom are not even members of the Buffalo Sunrise Club. This summer I have been busy trying to finalize these committee chairs. Below are the chairs. I am sure you will agree it is a great list of strong and talented chairs.

Area	Chair	Co-chair	Notes
Training Administration	Amy Thompson (W. Seneca)		Need to build committee
PETS 1	Mara Huber (Buffalo Sunrise)		
PETS 2	Brian Carmichael (E-club)		
DTTS	Kevin Crosby (Buffalo Sunrise)	Rick Sterne (Brantford)	
District Assembly	Marlee Diehl (Albion)	Anne Bermingham (Hamilton)	
Club-based Training	Chris Cutler (Hamilton)	Bruce Baum (Buffalo Sunrise)	Add committee?
New Member Orientation	Milica Kovacevich (St. Cath. Lksh)		Need to add co-chair
AG Development	John Mullen (Ancaster AM)	Reg Madison (Brantford Sunrise)	
Club Vision Facilitation	John Boronkay (W. Seneca) Barb Ochterski (Buffalo Sunrise) Understudy	Nan Bruce (Waterdown)	Anne Bermingham (Hamilton) co-chair this year to prepare for 2014
RLI	(Patti Johnson, Buffalo Sunrise)		Need to find new chair(s)

The chart includes a new position, that of Training Administration. The chair of this position, Amy Thompson will coordinate those activities in securing venues, registrations, etc. We need a couple more people on each side of the border. If you have any suggestions, please pass the names on to me so that they can be contacted. The more people we have on this committee, the lighter the load.

Patti Johnson is also in her last year as RLI chair. I am looking for someone to serve as co-chair this year, then assume the chair duties next year. If you have any suggestions, please let me know.

The District Assembly Committee and the PETS Committees have already started the planning process. Early this August Brian Carmichael, Jack Amico, Kevin Crosby, and I traveled to Guelph for the first PETS 2 meeting of Districts 7070, 7080, and 7090. This first meeting is traditional a face to face meeting. Between now and March the group will be meeting monthly through GoToMeeting to plan this important training weekend. I am pleased to share that our District is going to be well represented at

the weekend. Anne Bermingham, Angela Carter, and Kevin and Rebecca Crouse will be presenting three of the four Saturday breakout sessions. It is another indication of the great Rotarians we have in our District. It is our District's turn to serve as chair of this multi-district planning team and it has taken a lot of my time during August.

Brian and I have also started the process of identifying the PEs so that we have contact information for passing on information about PETS 1/2. Currently 26% of our clubs have no PE listed. This is about normal and many of the clubs are the usual ones that struggle to identify a PE each year.

The PETS dates are on our District Calendar. They are for PETS 1: February 18 (Hamilton Area), February 20 (Williamsville area), February 24 (Dunkirk/Fredonia Area), and February 27 (St. Catharines area). AGs are requested to save the dates for the meeting near their area. A couple joined their PEs last year and I think it was appreciated.

John R. Boronkay, Club Visioning, US Chair
US Club Visioning Committee Report for September 7, 2013 District Council

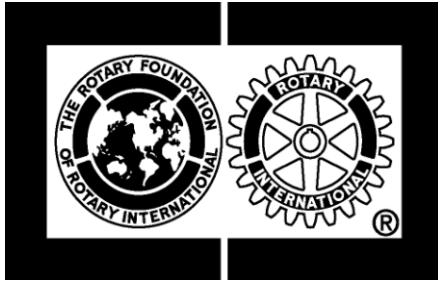

The Western New York Arena Visioning Team met on July 16, 2013. New team members were introduced, old team members decided they still liked each other, but, more importantly:

- Reviewed actions of 2012-2013
- Reviewed and discussed materials used for club programs
- Determined necessary revisions to materials to maintain congruence with TRF, New Generations, Vibrant Club and other resource material
Revised:
 1. Pre-vision Club Profile form (used Nan Bruce's as a model)
 2. Rotary vision Questionnaire (used input from Nan, Karen Oakes and Ralph Montesanto)
 3. Vision Exercise
- Discussed International Vision Facilitation Council membership fee
Recommended that we continue membership – will discuss with Nan
BUT
We are not satisfied with neither the materials available on the IVFC web site – they are out of date and contain errors -- nor their newsletter – which we never receive.

A visioning program is scheduled for RC Fredonia on September 10th. The team will be Boronkay, Cleary, Hamels, and B. Ochterski – stellar group.

There will have been sixteen (16) clubs served. Progress continues, albeit slowly.

In the future, both the Ontario and WNY Arena will attempt to energize clubs to follow up long range planning action. We invite any questions, comments or reactions.

Hopefully, we will have another successful year this year, with every club making a donation and more Rotarians making a personal donation.

Polio Eradication Committee

Chair Thie Convery

Polio Update (August 2013):

Earlier this year, Canadian Rotarians raised more than \$1.6 million through the “Pennies & More for Polio” campaign.

CIDA, the Canadian International Development Agency, which initially had pledged to match every dollar up to one million, decided to continue to match all contributions past the one million. Accordingly, they contributed an extra \$600,000. The Bill & Melinda Gates Foundation, which had made the same matching commitment up to one million dollars, also agreed to extend its match by the same \$600,000.

Always up to the challenge, one week later, Rotarians raised another \$700,000.

The late push boosted the overall Rotarian contribution to \$2.3 million – and matching funds from CIDA and the Gates Foundation brought the total to \$6.8 million for the Global Polio Eradication Initiative.

And just last month, at the Rotary International Convention in Lisbon, Portugal, the Gates Foundation announced that it will match two-to-one, up to US\$35 million per year, for every dollar Rotary commits to polio eradication through 2018.

Brothers & Sisters in Polio eradication, we’re this close!

Endowment Fund Committee

September 2013 Report to District Council

The Endowment Fund committee activities have been very limited over the summer as everyone was focused on family vacation time etc. With the resignation of John Huber from the committee last spring we are looking for someone from the New York side of the District to come on board. Preferably, we would like to have someone from the southern tier, as we are currently not represented by that area. If you know of someone or are personally interested, please contact me.

The committee’s areas of focus will continue to be:

- ☐ Contacting senior District members for one on one discussions
- ☐ Requesting to be speakers at Club meetings
- ☐ Organizing Fireside chats in the Areas

- ☐ Asking AG's to have us speak at Area meetings with club presidents and president-elects
- ☐ Approach members of our own clubs one on one to discuss the EF.
- ☐ Connect potential contributors with Carolyn Seabrook Ferguson, our RI Major Gifts Officer

The 8 clubs in Areas 2 (Brantford & Ancaster) and Area 3 (Dundas & Waterdown) have agreed to promote and participate in 2 Endowment Fund information meetings in the fall. These will take the form of informal fireside chats with the club members being invited to come out and learn more about the EF.

Our goal is to spread the word about the EF, allowing members to understand the value and ease of participating, making it easy for them to make an educated decision.

Committee members are:

John Mullen, (Chair), Tony Wellenreiter, Wallace Ochterski, Don DeMeo, Joe DePaolo, John Beyer, Franco Olivieri, Umit Eruysal and Karen Oakes (Foundation Chair).

District Vocational Training Team Committee Report

August 30, 2013

Late last year (Rotary year 2012 - 2013) your VTT Committee started a search for a Rotary District we could possibly initiate a VTT project with. After several attempts we connected with District 4845 (Paraguay and the four provinces of Argentina - Misiones, Formosa, Chaco, and Corrientes) and have agreed to discussing the possibility of a collaborative District VTT project with a focus on water sanitation. They are located on top of one of the largest sweet water reservoirs in the world however a have challenge with water pollution.

Your VTT Committee submitted a request to the District Foundation Committee for a \$10,000. budget allocation which was approved and the project was confirmed by RI. The budget is primarily for the cost of transportation a Team of 4 (1 Rotarian Team Leader and 3 Team Members) between Districts.

District 4850 will take on full responsibility for all accommodation and local transportation in hosting the Team.

We are currently in active communication with their VTT Committee Chair to structure the fine details of the project with a tentative date of May 2014 for the actual visit.

Once the structure has been finalized will start promoting the project in the District to source candidates for a Team Leader followed with 3 Team Members for our District.

That is our report.

Year to Date Summary

Greetings, fellow Rotarians. As evident in the above reports, our various Foundation Committees have been diligent in furthering the work of The Rotary Foundation these past months. As part of the overall due diligence process, the responsible Committee Chairpersons in concert with their members attend to the required oversight to wrap up prior year reporting and continue the onward development for this Rotary year and beyond. We are indeed fortunate to have such dedicated Rotarians at the helm of The Rotary Foundation fleet here in District 7090.

Please ensure that each of your clubs are qualified for the upcoming 2014-2015 Rotary year as outlined in the message copied below from an earlier e-mail distribution.

As of July 1st, 2013, all Rotary Districts around the world were once again able to work with the same Grant model for District, Global and Packaged Grants. To be eligible for any Rotary Foundation Grant, every Rotary club must be certified on an annual basis, which includes having at least 2 (two) Active club members attend their District Grant Management Seminar, and executing the required documentation within the prescribed time lines.

In District 7090, the 2013-2014 District Grant Spending Plan has been submitted and approved by The Rotary Foundation Trustees with implementation now underway by the respective clubs and District officers. In addition 2013-2014 Qualified clubs may avail themselves of Global Grants in accordance with the online application requirements. Please check our District Web site pages for further details.

In preparation for the upcoming Rotary year, 2014-2015, we invite YOUR club to attend this year's Certification seminar:

Date: Oct 05, 2013 at 08:00 AM - 02:00 PM

Event 30.00

Fee: USD

Salvatore's

Location: Italian Gardens Restaurant,
6461 Transit Road,
Depew, New York, U.S. 14043

We require at least Two (2) Active members from each club e.g. President Elect, President Nominee, and a member who will be involved in Foundation activities to attend the full seminar. Clubs are invited to send more than 2 representatives, however the Memorandum of Understanding and the Addendum need to be executed by the President Elect (2014-2015 Club President) and President Nominee (2014-2014 Club President Elect) in accordance with Rotary Foundation requirements. Please note that copies of these two documents will be provided at the seminar, and may be signed at that time, or forwarded after the seminar within the prescribed time lines.

PLEASE NOTE THAT THIS IS THE ONLY CERTIFICATION SEMINAR THAT WILL BE HELD THIS YEAR.

Please pre- register with payment in full on the district web site going down the left hand side of the home page to District Events to this event, and then following through

via member access to complete the registration and payment to secure your attendance. In the event that any club wishes to have their treasurer mail a cheque (U.S. Dollars) to me to the address below, please ensure same is delivered to me by September 24th, 2013, as we need to confirm and guarantee our numbers to the Restaurant at that time. I know that you appreciate that no shows are non refundable as we are honour bound to cover our commitment to the Restaurant as well as fund the hard copies of the take away materials and binder. Likewise, I hope that you can appreciate that "Walk-Ins" will not be accommodated for this session.

If you have any questions, please do not hesitate to contact myself or members of our Foundation Committee, and we will be pleased to speak with you.

District Governor Kevin and the District Foundation Committee look forward to seeing YOU there.

Mark your calendars for our upcoming Foundation Dinner celebration on Friday, November 8th, 2013 at Salvatore's Italian Gardens Restaurant. We want to see YOU there as we celebrate our success stories, and enjoy great food, fellowship and some TRIVIA challenge fun. STAY TUNED for details.
