## **Minutes of the 7090 District Council Meeting January 24, 2015**

**Attendance:** 19

**Call to Order:** 9:10 a.m. by Governor Jack Amico

**Invocation:** Marlee Diehl, DGND. Marlee's invocation gave thanks for the new technology that enables District Council members to sit in the comfort of our own homes, yet still fellowship and conduct Rotary business. She also called to mind the 4 Way Test and Paul Harris. She asked us to solemnly pray according to our own creed.

**Light Up Rotary Moment:** All

**Secretary's Report (posted to District website):** Pene Hutton

MOTION TO ACCEPT THE MINUTES OF THE DISTRICT COUNCIL MEETING HELD SEPTEMBER 20, 2014 AND ANNUAL GENERAL BUSINESS MEETING OF OCTOBER 24, 2014 BY AG BOB MORROW; SECONDED BY DGND MARLEE DIEHL. MOTION CARRIED.

**Treasurer's Report (see attached report):** Treasurer Don was absent.

MOTION TO ACCEPT THE TREASURER'S REPORT BY KAREN OAKES, PDG, DIRECTOR; SECONDED BY PDG RALPH MONTESANTO. MOTION CARRIED.

**District Governor's Report (see attached report):** Jack Amico

Governor Jack noted the privilege of presenting the Canadian Prime Minister at the Zone24/32 Institute with the Rotary Foundation Eradication Champion Award for his longstanding support in those efforts. He praised the work of the institute chairs and PDGs Karen Oakes, Brian Carmichael and John Heise.

He noted that 250 Rotarians and guests attended Buffalo Bash. Unfortunately not the numbers of attendees expected. He anticipates that the conference lost upwards of \$16,000, but he is still trying to get a handle on the numbers. He recommends forming a committee to review the concept and structure of future conferences and PDG Joe DePaolo has agreed to form a committee to review the entire process.

He also noted that the District is doing great with the Facebook page and the new look of the website mentioning Public Image Director Paul McAfee, webmaster Pene Hutton and Bill Clevette, DGN.

**District Governor's Elect Report (see attached report):** Kevin Crosby (at DG Training in San Diego)

DGN Bill commented that in addition to the AGs noted in DGE Kevin's report – Tia Taylor will be succeeding Richard Beifuss for Area 7. Also noted in conversation, John Cooper from Niagara Falls, NY club will be replacing Bob Graczyk (Niagara County Central) as AG for Area

9 because Bob is resigning as he does not have the time to commit at present. Only Area 10 (Joe Alber) is still looking for a successor.

**District Governor Nominee's Report (see attached report): Bill Clevette**

DGN Bill brought attention to a few items from his report regarding his monthly Go To Meeting meetings with the AGs

1. Everyone is reporting an increase in membership in their areas.
2. Role of the AG as their help clubs preparing budgets – budgeting for RLI and other District initiatives might include reminding clubs as they prepare budgets for 2015 – 2016 to include the cost of these trainings – like RLI. Also to include Facebook promotion monies as the grant goes away.
3. Another item – how to promote greater participation in District events. Think we are on track doing multiple trainings like the Training Assemblies, RLIs. Some interest in creating online trainings also.

**District Governor Nominee Designate Report (see attached report): Marlee Diehl**

DGND Marlee commented that she is thrilled to be chosen and that she was told it was the ride of a lifetime. She also noted that she was glad to learn about the timing of District 7090 being in charge of Multi District PETS as it relates to her leadership. Other comments included:

- Tracy Ford moving toward to be AG and will be attending with her to clubs to do club assessments in April and May.
- DG Jack told her she cannot even move forward until she gets replacements for her role at RLI also. Valerie Phillips, Caledonia and Martha Bailey, LeRoy have agreed to work together as co-chairs of RLI.

Public Image Director Paul McAfee suggested that Marlee get her bio and photo ready right away to Pene for the website and newsletter and he will Facebook it. DG Jack also noted that Chrissy Casilio can get it published in local papers – another way to Light Up Rotary this year.

**District Committee Reports:**

**Youth Services (see attached report): Greg Norton, Director**

Director Greg commented briefly as follows:

- Youth Exchange is getting ready for Algonquin trips.
- SLAPSHOT is moving ahead as usual with promoting the event.

Jack noted how nice it was to include the youth in the conference.....turned some 40 and 50 year olds into teenagers for the evening. The governor thanked Greg and Mike for getting them imbedded in the program.

**The Rotary Foundation (see attached report): Karen Oakes, PDG, Director**

Director Karen commented as follows:

- Scholarship amazing undertaking. Shefali Clerk, Chair, will be announcing the successful applicant soon.
- Not in report – referencing comments earlier.....she has been talking to RI about electronic training for the grants management seminar and accreditation for it. They are interested and asking lots of questions about it.
  - Director Paul made note of his recent involvement as a beta testor on Google Classroom and suggested it might be something that could be utilized for an electronic training of this kind. He will send the link to Karen.

- She emphasized her report and the note on the Foundation Committee's discussion around having a separate domain name for the pages located on the District website. The annual estimated cost will be less \$50.

MOTION TO APPROVE THE FINANCIAL COMMITMENT BY THE DISTRICT TO ESTABLISH AND MAINTAIN A DOMAIN NAME FOR THE ROTARY FOUNDATION DISTRICT 7090 TO ENHANCE THE ACCESSIBILITY OF OUR CLUB MEMBERS TO THE TRF DISTRICT WEBPAGE INFORMATION BY DIRECTOR KAREN OAKES, PDG; SECONDED BY RALPH MONTESANTO, PDG. MOTION CARRIED.

Also noted – Foundation Dinner is February 13<sup>th</sup>. She is still working to get registration up. Any help council members can give is appreciated. 75 registered to date. Numbers will be finalized 15 days before the event.

**Public Image (see attached report):** Paul McAfee, Director

- Director Paul noted that our District Facebook page exceeded 3000 likes this week.
- He recommends including a \$5000 public image line item in the District budget for 2015 – 2016. The grant from RI will be exhausted by end of April. PDG Ralph Montesanto inquired as to how much a club should budget for Facebook for the year. Paul indicated that \$25 to \$50 a month, depending on how many events and where they will just be promoting those events or just likes to the club's page. Ralph also suggested it might be a good idea to recommend to a club that they build that into the event's budget.
- REPLACEMENT FOR DIRECTOR ROLE – 2015 – 2016. Paul will be in Vietnam working on his PhD dissertation.

**Training (see attached report):** John Heise, PDG, Director absent.

**Visioning:** Barb Ochterski, Co-chair

**Barb announced that new this year will be a District council member visioning session on Saturday, March 14<sup>th</sup>, from 10 a.m. to 2 p.m. on the Buffalo Niagara Medical Campus, the DIG facility.** Directions will be coming.

- Comment by PDG Kevin Crouse that this meeting might make a strategic planning session redundant.

**Membership (see attached report):** Brian Carmichael, PDG, Director

- Director Brian indicated that there is a Best Practices page on the Zone 24/32 website.
- He also commented that he is working on resolving discrepancies in membership numbers between RI and District. RI reports we are down 43 members: ClubRunner indicates we are up 25 members. He noted that as a result of a club completed questionnaire, the following was compiled: 60% use CR exclusively, 10% use RI exclusively and 30% use a combination.
  - PDG Kevin Crouse noted that historically the District has been losing 80 members a year. He suggested we focus on the July 1<sup>st</sup> 2015 number for budgeting purposes.

- Director Brian noted that the January 1<sup>st</sup> invoice from RI will be going out in the next week or so. This new Club Invoice will be based on actual numbers.

**Service Projects (see attached report):** Willy Heidbuechel, Director

**World Community Services:** Director Willy indicated that this active community recently held a Go To Meeting meeting on January 14<sup>th</sup>. As a result, the following motion is being brought forward.

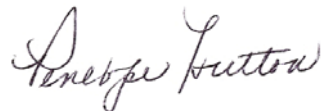

AS THE WCS COMMITTEE HAS APPROVED THE ENTEBBE SCHOOL PROJECT, SPONSORED BY THE ROTARY CLUB OF ST. CATHARINES TO BE INCLUDED IN THE APPROVED WORLD COMMUNITY SERVICE PROJECTS 2014 – 2015, DIRECTOR WILLY MOVES THAT DISTRICT COUNCIL APPROVE THIS PROJECT FOR CLUB TO CLUB SOLICITATION; SECONDED BY KAREN OAKES, PDG. MOTION CARRIED.

Suggestion: Willy talk to Jackie who is the point person for the project for the club to direct her and advise on appropriate methods for club to club solicitation. **No District wide email blasts.** Possible participation in Area meetings. Direct club contact via phone, meeting attendance. Talk to club president to get feel for each club out as to appropriate method for them – speaker opportunity etc. Talk to AGs.

**Other Business:** Before adjourning the meeting, DG Jack asked the participants for feedback regarding this Lifesize video experience. Most were very pleased. Concern noted that DC members who were not presenting were not able to vote. The Lifesize representative Les was present on the video and noted that the possibility exists for making this an option also and that within the year they expect also to be able to increase active video participation to 50. It is currently at 25. The option to view the meeting without actually participating in the audio and video portion currently exists for a large number of participants. Also – the meeting is taped for viewing at a later time.

**Adjournment:** 11:14 a.m. by acclaim.

Respectfully submitted,

Pene Hutton, District 7090 Executive Secretary

## **District Governor's Report**

### **District Council Meeting April 25, 2015**

The last few months have seen some positive activity in a variety of areas. Membership continues (as it does throughout Rotary) to be a concern, but the steady growth of many of our clubs and the number of prospective Rotarians generated by our own local Social Media Initiative (thanks, Paul McAfee) and by RI's outreach and history have helped bring in and keep strong Rotarians. That last phrase may be confusing until you realize that some of our newer members are Rotary alumni. At a recent meeting of prospective new members for our rebuilding program with the Cheektowaga Rotary Club, one gentleman had been a member in Lockport years ago, before moving with his job to the southern suburbs. His current position, based in Cheektowaga, makes him an interested candidate for the renewing club. Another prospective member is a RYE graduate (thanks to Greg Norton and Mike Taylor) who even remembers Temagami fondly (something about Greg building an igloo in which she nearly froze to death in sub-zero (Fahrenheit) temperatures during an overnight). She's recently taken a job back in the WNY area and wanted to reconnect with Rotary.

The spring season finds Mike and me on the receiving end of invitations to join many of our vibrant clubs for their Paul Harris Fellowship presentation dinners and installation celebrations. As always, if it is humanly possible, we will be there – I just ask for a fair amount of lead time to make sure that we can make it. These meetings, as any club meeting we attend, are very special opportunities to get to know more about the fellowship of Rotarians throughout the district and the great work all of our members do in their local communities as well as through the world.

One invitation outstanding to all of you is to consider becoming a major donor or benefactor of The Rotary Foundation. The Million Dollar Dinner is coming up on the 9<sup>th</sup> of May, when we can celebrate our individual support of the Foundation as our "Charity of Choice". As many have been saying, this isn't meant to be recognition of the individual contributors so much as it is a celebration of how important the Foundation is to the workings of Rotary, "...doing good in the world...". As more Rotarians recognize the value of supporting the Foundation, more work can be done in the world, in the name of Rotary. I hope to see you there. If you have any questions, please contact PDG Karen Oakes or me.

DGE Kevin Crosby has already started some initiatives to make the district run more smoothly in the future. One of them is to keep virtual track of the district's inventory of "stuff" (with a nod to George Carlin). As ad hoc committees and meetings need the occasional projector, flip chart easels, sergeant-at-arms vests, etc., it has become more difficult to keep track of them. Lacking a central repository for this "stuff", Kevin came up with a Virtual Inventory procedure. District Secretary Pene Hutton has agreed to keep an inventory file with the last known location and/or possessor of all district owned "stuff". If you have something in your possession (car trunk, garage, basement etc.) please let her know so that the next Rotarian who needs it will know where to find it. If you are looking for one of the projectors, posters, vests, what have you, email Pene and she will let you know who has 'fessed up most recently to having/hoarding it.

Finally, I was most impressed by the number of super-heroes at the Multi-District-PETS training program a month ago. Our own DGE Kevin Crosby turned out to be the secret identity of Captain America. I'm sure that some of our P-Es have some photos of him in costume which he'd like to buy back. In hopes of keeping up with our own super-hero, I decided to change my district photo. (I've been working out at the gym). I hope you'll like it.

Thanks for all you do in the name of Rotary.

DG Jack

## District Governor Elect Report

April 25, 2015

Since the previous District Council on 1/24/15, I have:

- Facilitated District Leadership Team GoToMeeting sessions on 2/19/15, 3/12/15, and 4/9/15
- Participated in the “farewell luncheon” for the VTT on March 1, 2015.
- Participated in the planning and execution of Multi-District PETS on March 6-7, 2015 in Toronto
- Participated in the planning and execution of the District Visioning event on March 14 in Buffalo.
- Participated in the Area 14 meeting on March 17, 2015
- Participated in the Area 10 meeting on March 30, 2015
- Participated as a Team Captain for the Million Dollar Dinner (raising support for The Rotary Foundation)
- Participated in several meeting to develop the District Budget for 2015-16
- Participated in several meetings to discuss plans for the 2015 District 7090 Conference at Holiday Valley in Ellicottville, NY. Registration has opened and several workshops have been booked.
- In collaboration with DG Jack, DGN Bill and DGND Marlee, we have have developed three initiatives that will be presented to District Council:
  - Creation of a special “Club Support Team,” under the leadership of Past District Governors John Heise and Ralph Montesanto. A description of the role of this team is attached.
  - A new District 7090 logo that is more consistent with new Rotary branding guidelines (attached)
  - Formation of a standing District Conference Committee under the leadership of PDG Joe DePaolo.
- Participated in the planning and execution of the Club Leadership Training program on April 11, 2015.
- Completed the scheduling of DG Club visits for 2015-16
- In collaboration with DG Jack, DGN Bill, DGND Marlee and Pene, we have set the schedule for District Council meetings in 2015-15:
  - September 12, 2015 - Kenmore
  - November 21, 2015 - Ontario (venue TBD)
  - January 16, 2016 - Online
  - April 9, 2016 - Kenmore
  - June 18, 2016 - Ontario (venue TBD)

### **Proposed District 7090 Club Support Team**

As a result of a discussion among DG Jack, DGE Kevin, DGN Bill and DGND Marlee, we propose the formation of a District team that will work with clubs that are (a) struggling, (b) considering merging with another club in order to survive or (c) planning to turn in their charter.

This team would help clubs assess their current circumstances, explore possible options and determine the best course of action for the club. This team also would assist the club in pursuing their chosen course of action to minimize negative consequences, ensure the proper handling of club assets and achieve the optimal outcome. This team would utilize available district resources (e.g., Assistant Governors, PDGs and other district leaders) as needed.

We believe it is important to have a small team (4 people) that is trained and prepared with the proper tools and protocols to assist clubs that request such assistance. We recommend that this team be led by two PDGs: John Heise and Ralph Montesanto. If they accept this role, they would select the other members of the team. RI and our Zone offers recorded webinars, best-practices, and other resources that can help this team develop its procedures and tools to assist clubs.

## **District Governor Nominee Report for April 25, 2015**

- **Assistant Governor GOTO Meetings/Reports**

- Some observations/issues/opportunities/actions from AG GOTOs and AG reports since Jan District Council Meeting:
  - members from Area 1 Clubs recorded video of "Let There Be Peace on Earth"
  - 3 Area 1 clubs intend to hold 3 joint club meetings annually, with each club hosting one
  - Delhi - This summer will reach over \$115,000 donated to support the Delhi Health Centre over the past decade
  - An Area 7 club - reviving local Interact is a challenge
  - Club Leadership Training - very well received - "The best of 20 I have attended!"
  - RC Fort Erie - considering starting Early Act and Community based Rotaract clubs
  - New meeting formats being implemented
    - Area 11 club – moving 2 meeting monthly format
    - Area 3 club – trial period from January – June – fewer speakers and more devoted to club activities
    - Area 1 club - no meetings in week of major club event
  - AG's anticipate occasional use of E-Meetings for Area meetings
  - Multi club fundraiser in Area 10 this fall
  - PETs club life cycle workshop useful - to diagnose & avoid "death spiral"
  - "mix & mingle" a good way for area clubs, members/spouses to meet socially (Area 11)
  - Batavia - \$10,000 to Polio Plus!!!!
  - Area 12 - a "disheartened 5<sup>th</sup> term President - AG & G6 to explore options to support
  - Small clubs succession plans & "burnout" a concern
  - Many major events (club & District) packed into spring - an issue for some clubs
  - New members reported in most Areas.
  - Some clubs report difficulty in attracting new members. Area wide membership meeting proposed in Area 14
  - Norfolk Rotaract Club – will become chartered on June 14th

- **Working Committee on E meetings/Training**

- increasing demand for access to GTM and additional services (training) stretching limitations of District's 5 GTM licences
- DGN chairing small work group set up in Mar to examine options
- Initial findings
  - currently 7090 has 5 GTM licences from Citrix costing approximately \$250/mo (USD)
  - many free meeting applications now available that Rotarians have or should consider testing - none appear to be "full service" programs offering range of services and support we experience from Citrix GTM
  - Other commercially available programs currently appear more costly than GTM
  - GTM Training appears to offer capacity and range of services we are looking for (also includes GTM)
  - Exploring deal opportunities for Citrix products through RI discount or Techsoup discount
- District Facebook –over 3000 likes – well done Paul!

- **DGN Activity**

- Steep District Learning Curve Continues
  - Many Goto meetings on District business
  - Learning Club Central in greater detail -for presentation to PEs @ Club Leader Training
  - Many webinars attended and documents reviewed

  - Citrix GOTO Meeting - new features
  - Citrix GOTO Conferences
  - Citrix GOTO Training
  - Please invite me to your meetings so I can learn (I'll try to attend)
  - Please forgive dumb questions; uninformed gaffs
  - Attended MDPETS, Club Leader Training St Catharines
- 2016 District Conference
- Planning begun with small local working group. Need to formalize & expand committee with members from across 7090
  - Reunion/Festival will be in Area 1, mid Sept 2016
  - A Rotary Family Reunion - Rotary Festival theme
  - Kevin - you will only hold "The Best District Conference Ever" title for 1 year!!!

**DGND Report**  
April 25, 2015

Too busy to give it much thought.

Sat in on MultiPets and have a much better understanding of the work that goes into training our new crop of PEs. Daunting, but invigorating!

The monthly leadership GTM are interesting to way catch up on everything. I have learned not to get caught at the border due to a terrorist threat when you are chairing a GTM. Yikes! I, also, decided I need to teach Bill how to open GTM, just in case, I'm running late. Yes, there are lots of meetings, however I learn from each one so they are worth every minute.

We had a successful RLI at NCCC on March 29<sup>th</sup>. We graduated 8 from Part 3. Our faculty included two from 7070 and one from Zone 29 7120. Two participants traveled from 7070 and are joining us again on June 6.

Co-chaired with Anne a successful 1<sup>st</sup> CLT in St. Catharines with 112 in attendance. Working diligently on thinking outside the box to up our numbers for the May 2<sup>nd</sup> CLT in Niagara Falls, NY. **Have you registered yet?** We must attain 125 to break even and we are at 75 on April 23. In yesterday's last minute mass email to all 2400 of us, I used the testimonial from Paul Crossman, Hamilton East Wentworth, he nailed it! If you see Paul, thank him for allowing us to use this letter to his club about the St. Catharines CLT.

We are working on another RLI, our 3<sup>rd</sup> this year, on June 6. Facilitators are needed. Registration opened last week we are at 9 and counting. At the request of the DGEs for 7070 and 7080, the details will be sent out in the next couple of days. Two Rotarians will Co-Chair RLI next year Valerie Bailey Phillips - Caledonia and Martha Bailey - LeRoy. They helped with running the NCCC event and are shadowing again for this upcoming June event.

The replacement as AG for Area 14, Tracy Ford - LeRoy is well inducted into the role after months of copies of all emails and bouncing agenda ideas back and forth. She has led some of our discussions at our last two meetings. For May, she is taking the lead. Together, we have been doing the year-end Memos of Club Visits, so Tracy understands where the clubs ended this year. During these club visits Tracy is introduced to the membership. Please say hello to Tracy on Saturday, as she is joining us for the first time. She will be a strong asset to the AG team.

Oh yes, I have reviewed every club's website and written emails to all the Presidents praising their club's achievements. Lots of appreciation notes back from the clubs.

Yes, I did find there is a DGN manual that I have started reading. Spending lots of time wandering through RI and Zone web sites, there is lots of great material available.

And I am Chairing our Visioning Team.

That's it!

Marlee Diehl

The meeting was called to order at 6:05 p.m. by Chairman Sabih Uddin.

### Members in attendance:

PDG Karen Oakes, Melisa Schrock, Cathy Henry, Sabih Uddin, Barbara Ochterski, Jackie Van Lankveld, John Boot, Patrick MacNeill, PDG Bob Bruce, PDG Art Wing,

Guests: Marlene Killian, Lee Broad, Bill Clark

A moment of silence was observed for Rotarian Joe Pfeiffer (St. Catharine's S.) who died unexpectedly and was an active member of the Trees That Feed Project (Jamaica).

Minutes: A motion was made to accept the minutes of January 14, 2015 by PDG Karen Oakes and seconded by Cathy Henry and unanimously approved.

### Projects for discussion and review:

After reminding the committee of the successful Riff Valley rainwater-harvesting project, John Boot and Bill Clark brought up a new project for health and sanitation in Uganda. This project, now in its formative stages, will be in cooperation with the Maumee Rotary Club (Ohio) and the Nakuru and newly chartered Marsabit Club in Uganda and will focus on helping schools with various needs such as water, toilets and desks. This will be a 10-12 year effort and is currently led by Rotary Peace Fellow Joseph Haliki. Mr. Haliki will be speaking at the RI Convention in Brazil and at the Niagara on the Lake Club on June 16. All are welcome.

A caution to make sure the new Marsabit club is fully qualified before embarking on this effort was given.

### Entebbe Uganda School Project:

Jackie Van Lankveld provided an update on this project. About \$10,500 has been raised thus far. The overarching need is for a new school building. She described that the families who can pay tuition will offset the tuition cost for the community's orphan population of about 70 students. The Rotary Club of Entebbe is involved. Several suggestions were given to Jackie on how best to move forward. Equipment and water and electrical needs can be worthy Rotary projects.

Jackie was encouraged to send a one page project description for inclusion in the WCS catalogue.

### Trees That Feed - Jamaica:

Cathy Henry gave an update that 1500 trees have been planted and additional trees will be planted in memory of Joe Pfeiffer. 1500 more will be planted once school begins again in September in Jamaica. All trees are geo-tagged so maintenance of the trees can be verified.

The Ocho Rios E./ St. Catharine's clubs will give an annual award to the school that has cared for the trees the best.

The next project phase is to equip schools with a "factory in a box" – cost \$1000 each to turn the excess breadfruit into flour and to train people to do this work.

Nkowe Secondary School (Linde province, Tanzania):

Marlene Killian showed a power point presentation and informed the committee of her personal involvement and passion to assist a poor school to re-do their science labs. The goal is to win approval for a Global Grant.

The Mtwara Rotary Club is a willing partner and again, Marlene was cautioned to make sure the club was fully qualified before proceeding.

There are many good reasons to move forward with this project with the discovery of substantial natural resources in the Indian Ocean near the Linde area. Good schools could produce scientists, technicians and health professionals.

After much discussion,

**A motion was made by PDG Karen, seconded by Cathy Henry and unanimously approved to recommend the Williamsville Rotary Club be authorized to approach other 7090 clubs for additional funding for a school science laboratory equipment project.**

Mobile Eye Clinic – Cebu, Philippines:

PDG Bob Bruce gave a presentation on a mobile eye care van which will accompany the dental van currently in use. The goal has been to make quality eye care available to all Filipinos. Bob used the examples of successful partnering with clubs in the Us and host country to achieve the goal of getting an approved Global Grant.

Trees That Feed (Pakistan):

Cathy Henry, on behalf of Najeeb Said spoke about providing Pakistanis with a brand new nutritional source in breadfruit. Najeeb Said has made a privately funded investment in a trial project to bring breadfruit to Pakistan and has enlisted a group to do the research and development to make such a project sustainable in a primarily non-tropical environment. The Rotary Club of Karachi Pakistan is willing to assist in this venture.

**A motion was made by PDG Bob Bruce, seconded by PDG Art Wing and unanimously approved to recommend the St. Catharine's South Rotary Club be authorized to expand the Trees That Feed Project to Pakistan and to approach other 7090 clubs for additional funding for this project.**

Other:

Chair Sabih described an effort to enhance education called the Pakistani Literacy Mission ([www.pakistanteach.org](http://www.pakistanteach.org)). He raised the question of how to help reach out to this group. After discussion it was noted that the work of this group is beyond the scope and capability of World Community Service. It was suggested that teaching colleges and universities in the Ontario and Buffalo area might be better able to be of assistance.

My regrets I will not be able to attend this weekend's District Council meeting.

Below is my report

## **Membership Report**

**Current District Membership:** 2414 (July 1 2014 2411) **PLUS 3**

**Club Membership Goal:** We were not successful in getting clubs to set goals during this Rotary year. Efforts for 15-16 are more encouraging. To date 30 clubs have submitted goals for next year.

**New R I Membership Invoicing:** Club Presidents and Presidents Elect will be reminded of the importance of updating their membership database prior to July 1

**The AG role in conjunction with Membership:** As a part of CLT the AG's have been given guide lines as to how then can help the membership committee by focusing on Membership at each Area meeting. The Membership committee will be communicating regularly with the AG's. They will be given regular club and area updates so that they are completely aware of what is happening in their assigned Area's

# **TRAINING DIRECTOR REPORT**

**April 25, 2015**

**Director:** John Heise

**District Training Assembly** (Anne Bermingham/Marlee Diehl)

We held our first District Training Assembly (a.k.a. "District Assembly") on April 11, in St. Catharines. This was a first for many reasons. It was the first one in a while held north of the border. It was also the first held along with the AG training and President Elect training. My thanks to Anne and Marlee for all they put into this, along with John Mullen, Reg Madison, Kevin Crosby, and DG Jack. The whole session came together nicely. We had some 103 participants. There were some from south of the border, as participants and as presenters. The facility worked out very well and their staff could not have been more accommodating. (It was held at the St. Catharines Holiday Inn and Conference Centre on Ontario Street.) Our next session is May 2 at the Niagara Falls (New York) Convention Center. Hopefully that will also go well. We are asking everyone to encourage members of their club to attend this event. The first budget presentation was made to the PEs and all but one voted for the proposed budget. The lone no vote was because of the cost of PETS for individual clubs, I think.

**PETS** (Brian Carmichael)

The multi-district PETS (MDPETS) was held last month in Toronto. Another successful event thanks to the planning team and the team of Super Hero DGEs. Over the past couple of years we have been able to bring down the cost of this event by more tightly controlling our count of attendees prior to the actual event. (A few weeks prior to the actual date we have to give the Conference Center a final count. We have to pay for that number whether they attend or not. Thanks to Kevin Crosby and Brian Carmichael, we have been more accurate in this count.)

**New Member Orientation** (Marie Bindeman)

Our District Training Assembly did include "Release Your Inner Rotarian" to introduce new members to Rotary. Jill Norton kindly agreed to do this session since Marie was not available. One evaluation was interesting in that the individual indicated he/she was overwhelmed by all that is available in Rotary. Marie will be doing a double session on May 2 at the Niagara Falls event.

**RLI** (Marlee Diehl/Martha Bailey/Valerie Philips)

A successful event was held earlier this year at Niagara Community College. We added to the list of graduates. Another series is planned for June 6 in St. Catharines.

**Visioning** (Anne Bermingham/Barb Ochterski)

A very successful District Visioning was held in Buffalo a few weeks ago. A group has volunteered to work on the ideas that arise during this event. Dunkirk Rotary Club has inquired about scheduling a session.

Hi Greg-

My district report is short and a little late.

RYLA is ready to go. We just need candidates. A few have been registered and as usual we have our fingers crossed and hold our breath until early June as applications tend to roll in the last 2 weeks. We have had some technical difficulty with the ryla7090 website but all info is available on the district website. Of particular note is the 2 new Rotaract clubs, Olean and Norfolk, which were formed as a direct result of organizers attending RYLA.

Hi Folks-

Just to let you know that I've asked Pene to send a reminder to all the usual suspects. The first notice went out in Feb.

Because the website is still not working and Cheryle and I have received a number of complaints, I extended the earlybird deadline to May 19. Fingers crossed that Nicole and Matt get it up and running soon.

A reminder notice for the dinner will be going out in mid May.

To all of you involved with SLAPSHOT, have a fantastic weekend....and wear your long underwear.

## DISTRICT COUNCIL REPORT – April 2015

This weekend we will be proudly celebrating SLAPSHOT's 10<sup>th</sup> anniversary!

With **100 student participants** (72 females & 28 males) sponsored by **40 clubs** (23 Canadian: 17 US), our hardworking team is down to the wire with final details. Some **30 volunteers** – Rotarians, Rotaractors, RYLarians, SLAPSHOT alumnus & Friends of Rotary, have stepped up to provide the leadership necessary for enabling every student to have the best possible experience at SLAPSHOT 2015. A highlight of this weekend is sure to be the participation of **Wilf Wilkinson** as our inspirational dinner speaker on Saturday.

This has been a year of transition for the SLAPSHOT Committee & I am pleased to report that I will be passing the torch as chair to **Jim Sykes** of the **Rotary Club of Welland**. Jim contacted me early in this Rotary year to volunteer as a member of the SLAPSHOT team and subsequently, has graciously and generously agreed to take the helm in 2015-16. While Jim is the CEO of the local community legal clinic in Welland, he lives in Ancaster, 5 minutes away from Canterbury Hills. Jim has a long history with youth leadership including spent 25 years working for the YMCA. His association with Rotary has spanned many years. In 1989, Jim was a charter member of the Hamilton Mountain Sunrise Club for a few years before he relocated to Saskatoon where he joined the large downtown club in that city. When he returned to the Hamilton area, he joined the Hamilton AM club before transferring his membership to the Ancaster evening club and then, to the Ancaster AM club and now, the Welland club.

## District 7090 Rotary Foundation Committee

### District Council Report April 25<sup>th</sup>, 2015

### The Rotary Foundation “Doing Good in the World”.

#### **Karen L. Oakes, Director, District 7090 Rotary Foundation**

Our dedicated Committee Chairs and members are all working diligently to “Light Up Rotary” with a renewed attention to work of The Rotary Foundation, both in reaching out to Clubs and their members for consideration to providing their financial support in Giving to The Rotary Foundation and in supporting the Humanitarian and Educational programs through the Grant process.

#### **Alumni Committee**

Chair - Pat Castiglia

There is little to report as all efforts to develop an alumni base for the district have failed. Those efforts included the following:

1. Many communications with RI's Alumni office. Obtaining a complete list of all Alums that the district had dating back to the '40's. A review of that list and a determination that we should only contact those people from the previous 10 years. Contacted RYLA and Youth Exchange Directors to obtain their lists of participants RI did not have the names of those “alums.” It was suggested that they be included in the RI Alumni base
2. A survey of all GSE alums (the only alums RI considered at that time) in 2012. This survey was reported. The results indicated that GSE alums were not a good group for membership recruitment. All respondents indicated that they had sufficient knowledge about Rotary but were not interested in joining – at least at that time.
3. In 2013, an appeal was made at a District Council meeting to obtain committee members. It was proposed that several people might be better able to contact Alums considering the enhanced data base developed. No volunteers were obtained. Several members of the District were contacted to see if they would serve, but again no luck.
4. A pilot plan was developed which would shift a major responsibility for recruiting Alums to individual clubs. A meeting with Area 13 presidents and the AG was attended and a presentation was done. The pilot project was described and a schedule for implementation was shared. Everyone agreed to participate but only one club submitted the names of their past members who were to be included in the new alumni data base. The second part of the plan was to include past members, scholarship awardees, RYLA and Youth Exchange members sponsored by each club as well as GSE alums in club social activities. At that time, the one club that responded, with only a past member list, did not take the second step, i.e. the inclusion of those alums in projected club social events.  
**It was clear at this meeting that the clubs approached really did not know who they had sponsored for scholarships, etc.**

#### **Annual Fund Committee**

Chair –PDG Art Wing

Most of our Clubs and many of our members have made significant donations to the Annual Fund during this Rotary year.

It is recognized that a number of clubs wait until later in the year to make their significant donations.

As of April 19, 2015, the donations this year are at \$201,819, far below last year's total of over \$300,000. We are currently only about 2/3 of the way to our normal District donation level.

Our donations on a per capita basis are at \$83 per member which is far below the normal level of over \$125 per member. (See the per member Club donation schedule below as of April 19<sup>th</sup>)

Our Clubs are currently planning on projects over the next few years for which our Annual Fund donations will be needed in order to fulfill those needs.

There is still time to make those donations and rise above last year's level so that we do not disappoint our Club's needs for support for their planned projects.

Please remember that donations must be received by Our Rotary Foundation on or prior to June 30<sup>th</sup> in order to be processed and attributed to this Rotary year.

**POLIO IN THE NEWS**

- April 12<sup>th</sup> marked 60 years since Jonas Salk's inactivated polio vaccine (IPV) was launched, enabling children to be protected against polio for the first time.
- The Strategic Advisory Group of Experts on Immunization (SAGE) met April 14<sup>th</sup> to 16<sup>th</sup> in Geneva to review the current epidemiological situation for polio and provide updates on readiness for oral polio vaccine (OPV) withdrawal.

- A 5-day nationwide polio immunization campaign targeting 5.8 million children began in Iraq on April 12<sup>th</sup>. It is over a year since the last case of polio had onset of paralysis in Iraq, and the new campaign aims to vaccinate every child under 5 throughout the country.
- National Immunization Days (NIDs) are planned in Madagascar on April 27<sup>th</sup> to May 1<sup>st</sup>.

### POLIO IN NUMBERS

Global Total: 21 (from 51 at this time in 2014)

- Afghanistan: 1
- Nigeria: 0
- Pakistan: 20

### POLIO FUNDING UPDATES

- The Saudi Fund for Development provided US\$1.5 million to WHO (World Health Organization) as part of their 2013 confirmed pledge of US\$15 million to the Global Polio Eradication Initiative (GPEI).
- This month Luxembourg has made a contribution of €500 000 to polio eradication efforts worldwide.
- Canada has made a major contribution of C\$20 million for the introduction of inactivated polio vaccine (IPV) in up to 25 countries that are not eligible for Gavi funding. (Gavi is the Vaccine Alliance that is a public-private global health partnership committed to increasing access to immunization in poor countries) This is part of the globally-coordinated project to introduce IPV in more than 126 countries ahead of the phased removal of oral polio vaccines (OPV), in efforts to secure and maintain a lasting polio-free world.

**Year to Date Summary**

Fellow Rotarians

As outlined in the above Committee specific reports, our various Rotary Foundation Committees have been very busy with Rotary Foundation undertakings.

In addition to our usual Foundation undertakings, our Governor team asked that we undertake to host a Million Dollar Dinner in support of The Rotary Foundation.

In keeping with the wishes of DG Jack and DGE Kevin, a committee was struck with 13 team captains visiting clubs to spread the word about this undertaking and secure commitments from our club member via the enclosed

pledge form. If you are interested in learning more about this event, please do not hesitate to contact any one of the team captains, listed on the reverse of the pledge form, for more information.

**The goal: To raise a minimum of One Million Dollars (USD) for the programs of The Rotary Foundation or the Bequest Society of The Rotary Foundation with minimum donations of \$10,000 from each donor.**

The event is taking shape nicely with our keynote speaker for this evening being PRIP-Trustee Chair Elect Ray Klinginsmith. As well, our Zone 24-32 Director, Julia Phelps, will be in attendance that evening to celebrate with all of us.

If you have any questions, please do not hesitate to contact me at your convenience.

In closing, please accept my heartfelt thank you to everyone for your continued support of The Rotary Foundation – Doing Good in the World.

## **Public Image Report**

**April 2015**

Except that the application for reimbursement of the 2014-2015 RI PI Grant funds has been delayed until my return from Vietnam, I have nothing new to report for this upcoming District Council meeting. I will not be attending the meeting.

**Chrissy & Roseanne,**

Please share whatever you have to report on PR within our District with Pene for the next District Council meeting.

Thank you,

Re: Memo – for discussion - District Policy for use of Sensitive Contact Information

Often I am asked for sensitive contact information. These requests come from Rotarians, Interactors, Rotaractors and their advisors, etc. Most frequently the purpose for the request is to be able to solicit other clubs or Rotarians to participate in their events and projects. This memo is an effort to help you in your leadership roles, and to clarify our policies regarding the use of sensitive contact information.

The District does not provide sensitive contact information to clubs. It is available online at the District website under District Directories if a District 7090 Rotarian logs in. Because of this, I suggest we provide some clear and consistent guidelines in writing. Some of the following appears in the MOPP on page 60, but I recommend the following (or some modification of it) be considered for adoption by District Council and included in the MOPP.

Proposed District Policy:

- Rotarians should not use the District directories as a commercial mailing list, nor make it possible for anyone else to use it for that purpose.
- The directories are not available for use by Rotarians, Rotary Clubs or sponsored Youth programs in contacting all District clubs for fundraising or event purposes.
- Clubs wishing to solicit funds from other Clubs must first obtain permission from the District Council annually.
- Clubs wishing to solicit other clubs for support for their international projects, must work through the District's World Community Service Committee to be designated as an Approved Project for that purpose through the District Council.
- A club desiring to request the cooperation of all District 7090 clubs, in connection with any matter or utilizing email or postal service mail, shall first submit its purpose and plans to the respective governor or governors and secure, his, her, or their approval.

Clubs that have purchased the ClubRunner software have the ability to contact other club officers by email through that utility, and to some degree, it is not under our purview, but if we make our policy known, it should cut down on the volume of emails being received by club presidents.

What I suggest when I am contacted to either send an email or send them contact information, is as follows:

1. Send me your event information for inclusion in the monthly District newsletter. This goes to every Rotarian in our database, which is most of them.
2. Ask your president to use your Area meetings and the AG to distribute information to clubs who are most likely to participate and support your events.
