She noted that the accountants rendered a "clean" opinion of the financials. She also reviewed the Budget Performance Statement for the period July, 2008 through June, 2009 noting that a slight surplus was realized as compared to the prior year's deficit which resulted from the expensing of RYE incorporation/formation costs. She explained that the Rotary District 7090 Youth Exchange Inc. financial information is included in the District 7090 reports but the financial results are not consolidated with the District financial statements. She then thanked the District for the opportunity to serve as District Treasurer for the past two years.

MOTION TO ACCEPT THE TREASURER'S REPORT FOR 2008-09 AND THE AUDIT REPORT OF CRAWFORD, SMITH AND SWALLOW WAS MADE BY AG JACK D'AMICO, SECONDED BY PDG ART WING. MOTION CARRIED

Clubs should watch for email alerts regarding travel/lodging arrangements and activities centering on the upcoming Convention.

District Governor Nominee's Report: John Heise (see attached District Council report)

He also reiterated that the webinar format is being pursued for local PR chair training.

The Rotary Foundation: PDG Art Wing, Director (see attached District Council report)

He also reported that the GSE team from Belize will be in attendance at the District Conference. Interviews for the outgoing team to Belize for Team Leader have been completed and a member of the Rotary Club of Fredonia has been selected; he added that the application deadline for team members is today, October 16th. AUDITORS' REPORT

To the Members of
Rotary International District 7090

We have audited the balance sheet of Rotary International District 7090 as at June 30, 2009 and the statements of operations and fund balances, restricted funds and cash flows for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many not for profit organizations, Rotary International District 7090 derives revenue from its members in the form of fundraising, training, and conference fees, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of this revenue was limited to the amounts recorded in the records of the organization, and we are not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenses for the year and fund balances.

In our opinion, except for the effect of adjustments, if any, which we would have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the fundraising, training and conference fee revenue referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the organization as at June 30, 2009 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

ROTARY INTERNATIONAL DISTRICT 7090**NOTES TO FINANCIAL STATEMENTS**

for the year ended June 30, 2009

(stated in U.S. \$)

1. Significant Accounting Policies

The financial statements of the organization are the representations of management prepared in accordance with Canadian generally accepted accounting principles, consistently applied. Because a precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgement in the light of available information. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

Revenue recognition

Revenue is recognized in the fiscal year to which it applies. Accordingly, receivables are recorded for dues or fees uncollected as of the end of the fiscal year. Revenue applicable to a future period is recognized when earned.

The work of the organization is dependent on the voluntary service of many members. Since these services are not normally purchased by the organization and because of the difficulty of determining their value, contributed services are not recognized in these financial statements.

Fixed assets and depreciation

Fixed assets are recorded at cost. Expenditures for maintenance and repairs are charged to operating expenses.

Depreciation is calculated at rates designed to amortize the cost of fixed assets over their estimated useful lives as follows:

Equipment	- 5 years, straight-line basis
-----------	--------------------------------

Additions and disposals during the year are depreciated at one-half of the above stated rates. Gains or losses on assets sold or otherwise disposed of are included in the statement of operations.

Foreign currency translation

These financial statements are presented in U.S. dollars. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates in effect at the balance sheet date. Gains and losses on translation are reflected in net earnings of the period.

ROTARY INTERNATIONAL DISTRICT 7090**NOTES TO FINANCIAL STATEMENTS**

for the year ended June 30, 2009

(stated in U.S. \$)

1. Significant Accounting Policies - continued**Financial instruments**

The organization has elected the following balance sheet classifications with respect to its financial assets and financial liabilities in accordance with section 3855 of the CICA handbook.

Cash is classified as "held-for-trading" and measured at fair value.

Accounts receivable are classified as "loans and receivables" and are measured at amortized cost, which, upon initial recognition, is considered equivalent to fair value.

Accounts payable and accrued liabilities are classified as "other financial liabilities" and are initially measured at their fair value.

Tax status

The District is a subordinate unit of Rotary International and is covered by a blanket exemption from U.S. federal income tax under Section 501(c)(4) of the Internal Revenue Code as a social welfare organization. The letter of determination from the IRS was dated May 13, 1958, and that status still remains.

Fund accounting

The organization uses the restricted fund method to account for revenues and expenses. The Board of Directors has internally restricted resources for the purposes of updating and publishing a triennial District 7090 history, council on legislation expenditures and updating and publishing the District's Manual of Procedure every fifth year. The District also operates a general fund for all other activities.

2. Fixed Assets

	Cost	Accumulated Depreciation	2009	2008
	\$	\$	\$	\$
Equipment	2,458	2,211	247	738

3. Financial Instruments**Price risk and cash flow risk**

The organization has assets and liabilities denominated in both U.S. and Canadian currency that fluctuate in value as current exchange rates change. Accordingly, the organization is exposed to price risk as exchange rates fluctuate.

District Governor's Report to District Council

September 26, 2009

Official Club Visits

By the time the Council meets on September 26th I would have visited 32 Clubs. I have been to clubs in all parts of the District and both in the US and Canada. Paying an official visit to a club is required part of being a District Governor. And yet, it is also one of the most exciting part of my year as a Governor. In many cases, besides giving my message, I had the opportunity to induct new members, give out Paul Harris Fellow Awards and even help hand out contributions to the community organizations on behalf of the club.

In additions to the official visits I have attended several new member inductions, Paul Harris Awards ceremonies and club fund raisers as well.

District Duties & Meetings

Since July 1, I have been working closely with the District Treasurer to monitor and approve check requests as well as sign checks. I have attended several district committee meetings, as well as taken part in several other meetings via conference calls. I also attended the first meeting of the Governor Advisory Committee meeting. The committee is comprised of the District Governor, DGE Karen Oakes, DGN John Heise and PDGs Ralph Montesanto, Art Wing, Dick Earne, Bob Bruce and Wally Ochterski. Besides attending meetings, I have provided support and input into matters affecting the operations of various district activities. In case of Youth Exchange and GSE, this even included assistance in obtaining visas.

Starting July 1, I have worked closely with Elisabeth Biers who is the editor of the District Newsletter. Elisabeth has done a phenomenal job of producing an attractive and informative newsletter every month. Many of you have complemented Elisabeth on a job well done. I have also worked closely with our District Executive Secretary Pene who maintains the District Web Site. The web site has a lot of useful information as well as current Rotary news. The clubs are always looking for information on various areas of Rotary and we would like them to use the District and RI web sites for this purpose. Adding content and improving the web site is always a work in progress and Pene would appreciate it if District Directors and committee chairs will take ownership of their respective pages and keep them current. Pene is also working with clubs to update club data and ensure that this is a dynamic and correct data base. Some clubs are right on top of the data entry and Pene is assisting clubs that are struggling with the process. I hope that all of you visit the district web site regularly. Please feel free to direct your questions as well as all suggestions to Pene.

Zone 31-32 and Zone 24 Institutes

Zone 31 and 32, made up of districts in New England, Connecticut, New York east of Leroy, PA and Bermuda held its Zone Institute in Niagara Falls two weeks ago and I attended the opening of the Institute where I welcomed all the attendees to District 7090. I also took part in some of the Plenary & Breakout sessions on membership and attended the Governor's Reunion dinner. RI President John Kenny and his wife June were present and also took part in the Institute.

Sheela and I also attended the Governor's Training and Zone 24 Institute in Edmonton, Canada last week. Every Rotary District is now in one Zone only and District 7090 is in Zone 24 which is made up of most of the former Zone 22 districts. Zone 24 includes all of Canada, part of USA, Eastern Russia and the French islands of St. Pierre and Miquelon. There are now 16 districts in Zone 24 and several districts, including 7090 are international district.

Topics covered during the Institute included the Polio Eradication and the Bill Gates Challenge, Membership, The Rotary Foundation including a session on the Future Vision Plan, Ethics and Vocational Service, Youth Exchange programs and sessions on water, Health and Hunger and Literacy. This year the Institute also had organized a Rotaract "Institute" and three Rotaractors from District 7090 attended that portion of the institute

One of the highlights of the Zone Institute for Sheela and I was to have the opportunity to present DGE Karen Oakes and Wolfgang Lindemann to all the dignitaries at the formal DGE Gala Presentation Dinner.

In summary, Rotary Zone Institutes are a great vehicle to get training on various areas of Rotary as well as meet and learn from many past, present and future leaders of Rotary International and all the districts that make up the Zone.

District Conference

Planning for District Conference on Oct 16, 17 and 18 is almost complete. The conference program is on the District Web Site with all the supplementary information on the Friday events and Dinner, Sunday Events and Saturday Plenary speakers, Rotary programs as well as a link for On Line registration and a link for the Hotel reservations. The September District Newsletter also has a good summary of all the conference events as well as a brief outline of the plenary sessions.

The Saturday program is a great opportunity for all District Rotarians, especially **newer members, as well as prospective members** to learn about how Rotarians Make A Difference in their own community as well in other parts of the world, in most instances with matching grants from the Rotary Foundation. The attendees will also hear Janice Nichols at the Model Rotary Lunch talk about the Polio eradication efforts and what is needed to "finish the job". In the afternoon, you will hear how Rotary's Youth and Young Generations programs Make A Difference in lives of the participants as well as their families. At the District Foundation Dinner the attendees will hear Past RI Vice President Monty Audenart talk about Volunteerism and his work as a Dentist in various parts of the world. There will be Club Displays all day Saturday where clubs will showcase their projects.

IPDG Ralph Montesanto will be presenting club awards for the year 2008-09 during lunch on Saturday and District Foundation Director Art Wing will present Foundation Awards on Saturday evening during the District Foundation Dinner.

Since the Saturday Gala Dinner is also the District Foundation Dinner there is a separate link on the District Web Site for information on the Foundation Dinner. Most of those attending the District Foundation Dinner will also be attending other conference events. However, those who are coming just for the Foundation Dinner will still have to register for the conference (which is FREE) will be for the weekend.

I hope that most of you are already registered. If not please go to www.rotary7090.org to read all about the conference and register for various events, District Foundation Dinner and reserve a room at the Millennium Hotel. Special room rates end on September 25th. Registration has been a little slow. Rotarians are always slow to register and we can use all the assistance we can get from you to help your friends and club members register early.

The conference is open to non Rotarians as well and they can register for the conference (which is free to everyone) and meals which can be paid for via the on line registration.

Group Study Exchange

On October 3, the GSE team from Belize, District 4250 will be arriving in Buffalo to begin their one month stay in our district. Co-chairs Keith Lindberg and Bert Rappole as well as the rest of the GSE committee have worked hard and organized host clubs and events for the entire period of their stay. The team will be on the Canadian side from Oct 5th to Oct 16th when they return to the US and will be hosted by the Amherst and Williamsville Clubs and attend the District Conference. On Oct 18 they go to southern & eastern parts of the district in the US. hey return home on Nov 2nd.

The outbound team to Belize & Guatemala will be going District 4250 from Feb 15th to March 15th. The GSE Co-Chairs have scheduled team leader interviews for OCT 4th and the team member interviews for Oct 24th. All the details and the application forms are available on the District web site. This year there has been very wide publicity in the media on both sides of the border so we should get more than our normal share of applicants.

In summary, it has been a really exciting but busy three months for Sheela and I and we look forward the remaining club visits as well all the informal club visits throughout the year. I hope to complete the official visits before the US Thanksgiving holiday.

Pravin D. Suchak

District Governor Elect

Report to District Council

September 26, 2009

Greetings! It continues to be my pleasure to journey the D.G. path for the Rotary Year 2010-2011. These past months of July, August and September has been filled with many educational and social undertakings to further my knowledge of our Best of Friends District, and indeed our Rotary world. My class of Governor Elects was the first to participate in new learning via Webinar. As a group, we participated in 3 web based/telephone sessions relative to the following:

- Motivating Volunteers**
- Membership**
- R.I. Resources & Services**

This new approach to learning was appreciated by all given the travel time & monetary cost savings realized. As a group, we look forward to further inroads of the training efforts undertaken by R.I.

Most recently, Wolfgang and I travelled to Edmonton to join in the GETS and into the Zone Institute events. The speakers were excellent, and the time well spent in preparing for the future.

It continues to be a pleasure to work with all of D7090 team. I thank you for the time and talent that you give to our District in Rotary Service above Self.

Respectively submitted,

Karen J. Oakes

District Governor Nominee's Report

John Heise

I have just returned from the Zone Institute in Edmonton. I am overwhelmed with all I learned. The Institute included one day of training for DGNs. This was followed by three days of breakout sessions and luncheon and dinner speakers. The sessions and speakers covered almost the entire Rotary library of topics. Throughout the Institute I was able to spend some valuable time with my classmates exchanging ideas and thoughts. We also brainstormed some problems suggested by a couple DGNs.

It has also been a busy period since our last Council meeting in June. Since then I have been involved in the following activities:

- Attended the Changeover luncheon for DG Pravin and served as the registrant;
- Attended several of the 2009 Conference Committee meetings and am serving as the liaison for the youth exchange portion of the conference;
- Attended a meeting of advisors for implementing Rotary Leadership Training in our District;
- Attended a meeting with an AG at a Rotary club that is experiencing some difficulty in staying active and attracting members; discussed some possible solutions with the club members and leadership;
- Attended an Area 13 meeting;
- Visited a possible site for the 2011 District Conference and met with appropriate representatives of the hotel, etc.;
- Attended DG Advisory Council meeting and served as secretary;
- Attended District Foundation training session;
- Shadowed DG Pravin during his meeting with the LeRoy Rotary Club and its Board;
- Attended the Eastern Cities dinner to hear our RI President speak;
- Responded to more email messages that I want to count.

ROTARY INTERNATIONAL---DISTRICT 7090

MEMBERSHIP REPORT---OCTOBER 16, 2009

1. **Club Membership Chairs.** All clubs have now installed a Membership Chair for the '09/10 Rotary year. In the two Fort Erie clubs, Amherst South, Middleport and Lakewood-Chatauqua South, it is the Club President. (see attached)
2. **Membership Area Representatives.** Reps. have now been established in all areas except 2, 7 and 14. I have requested the assistance of the ADGs in these areas for additional suggestions or names.
3. **Historical Chart.** From R.I. via Andy Skrypnik, I received the chart tracking membership by District clubs over the past five years. (see attached). The results are alarming and the District has lost over 300 members during that period. We unfortunately, are not alone. Every club in the Zone has lost members over the past five years.
4. **Current levels.** Through the area reps. and directly by emails to the club membership chairs, I have sought their current levels. Unfortunately, the response rate is dismal, however, from those that have reported, we have a NET INCREASE of 9 new members, significantly by Lockport with 5 added in the past four months. (One members of that club recruited three others)
5. **R.I. President Goals.** Each Club is challenged to increase membership by a net of 1, while achieving an 80% retention rate. In addition the emphasis will be on an increase of qualified women, younger professionals and increased diversity of members, as well as recruitment of Rotary alumna. (GSE/exchange students/ambassadorial scholars and honourary Paul Harris Award winners)
6. **Membership Drives.** There have been two areas that have conducted joint membership drives, two clubs in area 5, (Hamilton East Wentworth and Stoney Creek), and the other clubs in that area. This will be a format to discuss with other Area Reps to see if additional group drives can be mounted.
7. **R.I Web Registration.** Over the past three months, R.I. Membership coordinator has provided four leads as a result of web enquiries, which have been passed to the clubs in the location of the registrant.. (2 on each side of the border) Follow up calls will be made to determine status of these registrants.
8. **Training Seminars.** With DG Pravin and District Trainer PDG Wally, four regional seminars are planned, two on each side of the border, to be held before the end of November. Agendas and speakers are under development. Material from R.I. Development Tools will be used. An inventory of club tools will be undertaken and examples presented to guide club developments. A 'best

practices' workshop held at each seminar, and the results circulated to all clubs in the District.

9. **Club Visits.** I have addressed one club on membership, (Brantford Sunrise) and over the winter months, I plan to visit as many clubs as possible to meet and work with their Membership Committees.
10. **Other.** I plan to attend a seminar in Cleveland area later this month to gain some additional guidelines to membership seminars.

District 7090 – PR Director Report for 2009 – 2010

Submitted the PR Grant proposal for 2009 – 2010 and awaiting RI decision.

- 1) Focus is on a radio campaign. This will enhance the impact of the past two years' billboard campaigns.
- 2) The plan also will include use of "real" public relations activities. These include press releases and story pitches to all media channels, including print, TV, and online.
- 3) The plan also will include options for individual clubs, or groups of clubs, to piggyback on the District's campaign. This will enlarge the scope of the program, providing greater geographic and demographic coverage, as well as more frequency.

4) The PR Director's 2009 – 2010 strategy details comprise the remaining priorities.

District 7090 Rotary Foundation Committee

District Council Report

September 26, 2009

Art Wing, District Rotary Foundation Director

This past year was another successful year under the leadership of PDG Bob Bruce who has completed four successful years leading our District Foundation efforts. Under Bob's leadership:

- the position of Area Foundation Representatives was created,
- more clubs are now contributing to Our Rotary Foundation, and the renewed Polio eradication program has had good support of most of our clubs
- our GSE program has reached new Districts-such as Sweden, East Africa, Bulgaria,
- our District has increased Foundation presentations our clubs
- our District has expanded the concept of Area Foundation meetings
- our Foundation dinner has taken on new vitality with key speakers such as Rotary International Foundation and Polio Chair Bob Scott, Past RI President Frank Devlin and the inclusion of Club Presidents Elect and their spouses as special invitees.
- our District has become a Rotary International leader for our annual contribution to the Peace Scholar program.
- our Grants committee process has been well publicized and 82 grants have been allocated to 55 clubs with 42 international and 40 local projects supported since 2003 through the District Simplified Grant program. Many clubs have also benefited from the District Designated Fund and Our Rotary International Foundation in support of Club initiated International projects-of major significance was the \$300,000 3H grant received by Hamilton AM for their Uganda project in 2006.

PDG Bob has been asked by the Rotary International Foundation Trustees to assume a position of Assistant Regional Rotary Foundation Coordinator for Zone 24. Bob continues contributing to our District as Annual Funds Co-Chair, member of the District Foundation coordinating committee and the Paul Harris Society committee.

PDG Bob's efforts on behalf of Our Rotary Foundation, his work with his Waterdown Rotary Club and his work internationally with his fellow Past District Governors from his year earned him the Service Above Self Award from Rotary International-one of a very few given around the world each year.

2008-2009 Results-see attachment #1

We had another good year considering the economy and our reduced membership numbers. The committee chairs and over 50 members of the Foundation committees all worked to encourage our clubs and members to contribute to Our Rotary Foundation.

5 Clubs did not contribute last year and we would hope that number can be reduced in the next year.

4 Clubs have not submitted any goal target for either the Annual Fund or the Polio challenge.

	2008-9	2007-8	2006-7	2005-6	2004-5
Annual Fund	\$267,907	\$321,853	\$305,646	\$263,526	\$306,144
Membership	June 30 2531	2925	3150		
	July 1/09 2418				

The reduction of \$53,946 in annual fund will mean a further decrease of \$26,973 coming to our District for Grants etc in 3 years. Fortunately there are 35 Paul Harris Society members in our District who donate a minimum of \$1,000 each year to Our Rotary Foundation without whom our total donations to our Annual Fund would have been at least \$35,000 lower.

The future expected support of our normal programs, such as Group Study Exchange, Ambassadorial Scholars, Peace Scholar Support, District Simplified and Matching Grants in support of our Clubs projects, may be in serious jeopardy. The reduction in membership numbers will mean an increased necessity to work with our Clubs to ask that **every club make a donation to Our Rotary Foundation and ask that every member contribute something to our Foundation.**

Goals for 2009-2010

Information Goal:

1. Increase the use of the District web site to:
 1. post the monthly Club Annual Fund contribution report
 2. post the status of the District Grants to clubs
 3. post the monthly Club Polio contribution report
2. Increase the number of Area Foundation meetings with the Area Representatives, Club Foundation Chairs, Club Presidents and Presidents Elect.
3. Work to implement the Desired Future Outcomes Workplan for 2009-2010-see attachment #2

Annual Programs Fund and Permanent Fund Sub-committees

Andy Skrypniak and Bob Bruce, Annual Programs Fund Co-Chairs

Annual Fund Goals:

- a. **Each club to target a club donation of a minimum of \$100 per member for a total of \$300,000**
Of our 73 Clubs, 69 have filed Club Goals totalling \$256,021. See attachment #3-Club annual fund and Polio goals 2009-2010
- b. **Work towards every Club qualified as an Every Rotarian Every Year Club**-every member makes a personal donation of some amount each year to the annual fund.
- b. **Increase Sustaining Members (\$100 per year) by 200.**
Our District Profile indicates that at the end of 2007-8 we had 752 sustaining members.
We have given out pins and certificates to many sustaining members.
This year there is a new recognition item-an **Orange sticker** to be put on the members Club name badge in order to highlight those contributing at the club level. These stickers are available from the Area Foundation Representatives.
- c. **Increase the number of Paul Harris Society by 10.**
We have over 30 members to date.

Permanent Fund

PDG Joe DePaolo, Chair, Buffalo

The Permanent Fund committee has some exciting ideas to present to our membership regarding the use of insurance in making a commitment to the Permanent Fund. As their plans are finalized you will hear more during the coming months.

Goals:

- a. **Increase Major Donors by 1 and Bequest Society Members by 2**
1 new Major Donor realized and 2 new Bequest Society Members
- b. **Increase the Benefactors by 25 (making the Permanent Fund a beneficiary in your estate)**
This is the easiest donation to make-it will come from your estate and will part of the legacy of the Permanent fund.

The Rotary Foundation Dinner:

The Foundation Dinner will be held in conjunction with the District Conference this year on Saturday October 16 with the keynote speaker, Past Zone 22 RI Director and RI Vice President Monte Audenart as our keynote speaker.

The Grants Sub-committee

Roy Sheldrick, Chair

Like all foundations we have experienced substantial unrealized investment losses, forcing Our Rotary Foundation to suspend matching grant applications in March of this past year.

The ongoing situation has meant that the funds available for **matching grants from Our Rotary Foundation were completely committed by early August of 2009**. Only the application from Dave Johnson from Grand Island with his project in Ethiopia was approved.

Other District applications are being accepted.. The Grants committee will be dealing with these applications in the very near future as to the amounts available to assist from the District Designated Fund. It may be that Clubs requiring additional support may be asked to canvass other clubs for participation in a ready made International project.

This past year the new process, of releasing matching **District Simplified Grant** funds to clubs only after the final report has been received has been implemented with great success. The total amount of nearly \$24,500 was allocated to 13 clubs and already **6 of the clubs have filed final reports** and cheques have been delivered to each club by a member of the Foundation committee.

There are some difficulties in closing out the **2007-8** allocation as Williamsville and Tonawanda have not filed their final reports and the next year of funding is contingent on getting these two clubs to complete their obligation.

This is the last year that tardy final reports will be a problem for the Grants committee.
We anticipate that the committee will be in the position of applying for the 2009-10 simplified grant amount within the next two months.

Important Dates

Interview Date – Saturday, May 29, 2010

The Polio Plus Sub-committee

Valerie Bailey-Phillips, co-chair, Caledonia
Carl Vahl, co-chair, Olean

Since the Announcement of the Gates Foundation 100 million dollar Challenge Grant in 2007 and a further \$150 million in January 2009 clubs and the district have supported Polio Plus and Polio Plus Partners with a remarkable \$218,362 in contributions as of August 2009. Our Clubs and membership have taken this challenge seriously as 66 clubs have donated as of August 2009.

The District Foundation committee has donated a challenge to our clubs of \$32,150 for this Rotary year from DDG.

Actual club contributions will be listed on the District web site

DDF Details as of September 2009

DDF Total For Program Year 2007-08 25,000.00

DDF Total For Program Year 2008-09 25,000.00

DDF Total For Program Year 2009-10 32,250.00
DDF Total For Program Year 2010-11 0.00
DDF Total + Contributions from Clubs and District 218,362.69
Polio Contributions from Clubs and District 168,362.69
DDF Total For All Program Years \$82,250.00

These contributions include a \$25,000 Challenge Grant from the District Designated Fund. The District Rotary Foundation Committee has challenged all clubs to contribute a minimum of \$1,000 in each of the 2008, 2009, and 2010 calendar years, and for 2008 promised to match club contributions at 50 % up to the \$25,000 mark.

In this 2009-10 year, in response to the additional contribution of the Gates Foundation, **clubs are challenged to contribute \$2,000 per year over the next three years.**

In a show of confidence, the District Grants committee has contributed \$32,250 for this Rotary year and this amount has been sent to the PolioPlus Eradication Fund as the committee is aware that clubs will do their best to meet this important challenge in the final push to stamp out polio worldwide.

See attachment #3-Club Annual Fund and Polio Goals 2009-2010

Both Co-chairs are eager to speak to any club about this very important Rotary Objective of eliminating Polio.

The Alumni Sub-committee

Bob Morrow, Chair, Dundas Valley Sunrise

We are planning to contact as many of our Foundation Alumni as possible over the next few months- Foundation Alumni are defined as all those people who have participated in Rotary Foundation programs abroad such as GSE team leaders and members, Rotary Volunteers, recipients of Discovery Grants, Individual Grants, and Volunteer Service Grants, and Ambassadorial and World Peace Scholars. This is a difficult task as younger people move frequently and tracking them can be a challenge. We will be contacting former GSE team leaders and team members to update our contact list and we are looking at having a District 7090 Alumni gathering within the next 18 months.

Recent Actions

Training Sessions were held on Tuesday September 1 at the Transit Valley Country Club and on September 2 at the Holiday Inn, St. Catharines. Over 35 Foundation Committee chairs, Area Representatives and members of committees attended the trainings.

Speaking engagements are being arranged:

To date –Welland

Zone 24 Institute –Edmonton-Foundation sessions attended by Bob Bruce - September 15,16,17,18

Appreciation

Our Rotary Foundation is what makes us International. This charitable arm of our organization assists us to reach out to do make a difference in our local and international communities around the world. At the end of the day, **all projects are local** as a result of our partnerships with Rotary clubs around the world. Our International projects are their community projects.

None of the work of our foundation would happen without the support of all our members and clubs, and little of the organization would take place without the willing support of the District Rotary Foundation Committee and its many sub-committees.

The committee is very appreciative of all the work and support of our District Clubs and leadership team. DG Pravin Suchak, DGE Karen Oakes, and now DGN John Heise are incredibly supportive of OUR ROTARY FOUNDATION and the Foundation programs and the committee is very grateful for their encouragement and ongoing support

Youth Services September 2009 Report

Youth Exchange

A number of current problems are being dealt with by Youth Services Chair, Bob Leek. The first one deals with the eligibility rules for exchange students playing sports in New York State. At this time it appears that incoming students will not be eligible to play in games or tournaments because of the one year sit-out rule. They will, however, be allowed to mentor and practice with a team. The second problem deals with the difficulty of allowing a Mexican student into the country for exchange purposes. Apparently the Canadian Consulate got the wrong application form. Gloria Szylak is dealing with that problem. For further info, contact Bob or Gloria. The Niagara Falls Weekend in Niagara Falls, N.Y. took place on September 12 and 13.

Interact

Tony Evans reports that there are currently 15 U.S. Interact clubs in District 7090. Some are very strong, but others need some help which Tony is prepared to provide. Tony is currently chartering a large club in the Southern Tier. See Tony for further details. Currently, there are 6 Canadian Interact Clubs in the district. Rick Sterne reports that he is currently working with Eileen Baggs of the Ancaster a.m. club to form a new Interact Club there.

Rotaract

The two Branford Rotary Clubs joined forces to send 3 Rotaractors to the first ever Rotaract Zone conference in Edmonton on September 17 – 19. The theme of the conference was “Prairie Fire: Meet, Build, IGNITE” They met with RI President Dr. Cliff Dochterman over lunch. Dr. Dochterman addressed the opening session. The Brantford Rotaract Club’s new motto is “Grow Today. Lead Tomorrow”. This newly formed Rotaract Club has 27 members. The McMaster Rotaract club has 14 members. Currently there is no report from the Brock Rotaract Club.

SLAPSHOT

This year’s program will take place once again at **Canterbury Hills on April 30 – May 2, 2010**. The program will be similar to last year’s. The Early Bird deadline is February 28, 2010. The Early Bird fee is \$200.00. Registrations received after that date will be \$250. Only the first 100 applicants will be accepted.

SERVICE PROJECTS REPORT

District 7090 District Council meeting 9/26/2009

Community Service Committee:

DISTRICT DISASTER RESPONSE TEAM

At the request of Governor Pravin, a Disaster Response Team is being developed within the District. An initial meeting was held on Thursday, September 17th at Niagara College – Glendale Campus in Niagara on the Lake. Jos Nolle (Welland) was kind enough to host the group and provide insight developed through several years of experience in international disaster response and recovery service with Doctors Without Borders and with Rotary International. Thomas Brock (Grimsby), Robb McLeod (Niagara Falls, ON), John Crawford (Williamsville) and Jack Amico (West Seneca) participated.

A formal report will be provided at a later Council meeting, but the following was agreed on at this meeting:

- The team will function within the footprint of the District Community Service committee.
- A group of Rotary volunteers will be organized on a geographic basis to form this team. Each individual will act as point for Rotary when a disaster occurs within his/her geographic area. S/he will coordinate through the local or closest Rotary Club to contact the local or regional government disaster coordinator to determine what avenues of service Rotary can provide on an immediate and (hands-on) longer term basis.
- The committee will develop a procedural document to assure that whatever action is taken by Rotarians in supporting the disaster response will comply with local governmental laws.
- The Rotary response will typically be focused on hands-on support and rebuilding after the first responders have completed their work.

Vocational Service Committee:

Committee Chair Andrea Aldinger reports that she is continuing this year to contact as many clubs within the District as possible to determine what the individual clubs are doing in Vocational Service. The plan is to produce a “best practices” guide to disseminate to all clubs in the District, sharing the successes in place. She is also making herself available to any interested club as a program speaker, to help those clubs to fulfill their vocational services requirement.

Special Report from Roy Sheldrick:

GLOBAL HANDWASHING DAY

The practice of handwashing with soap tops the international hygiene agenda on October 15, with the celebration of Global Handwashing Day. Since its inception in 2008 – which was designated as the International Year of Sanitation by the UN General Assembly – Global Handwashing Day has been echoing and reinforcing the call for improved hygiene practices worldwide.

The guiding vision of Global Handwashing Day is a local and global culture of handwashing with soap. Although people around the world wash their hands with water, very few wash their hands with soap at critical moments (for example, after using the toilet, while cleaning a child, and before handling food). Handwashing with soap is among the most effective and inexpensive ways to prevent diarrheal diseases and pneumonia, which together are responsible for the majority of child deaths. Every year, more than 3.5 million children do not live to celebrate their fifth birthday because of diarrhea and pneumonia. Yet, despite its lifesaving potential, handwashing with soap is seldom practiced and not always easy to promote.

World Community Service Committee:

- The **2009-10 World Community Service catalogue of approved projects** was reviewed and approved for distribution. It is now posted on the District Web Site. As new information is received, the webpage will be updated.
- **Grants** chair Roy Sheldrick gave an update regarding the current situation around grants both at the Rotary Foundation and the District levels.
- **Salama Shield 3H program, Lyantone, Uganda - final report to committee.** Guest David Binns led the update about the successes of the project, whose objectives were training and mentoring youth in an area of Africa particularly hard-hit by the HIV/AIDS epidemic. Through training 750 "aunts and uncles" about healthy living, growing a small business through microcredit, literacy initiatives and safe sex practices teaching, hundreds of youth are being guided toward more positive futures. The Hamilton A.M. club's primary partner for this program was the Rotary club of Kampala, Uganda. Through outside donations the project is no longer seeking additional funding, but will maintain its presence in the WCS catalogue as an information tool.
- **Promoting WCS** - Chairman David Johnson. David presented a brief powerpoint outline to the committee that each committee member can use to open discussions with clubs on what world community service is, what the WCS committee does, and how clubs in our district can become involved. We plan to have it on display at the House of Friendship at the District Conference on October 17th.
- Review of **Banda Aceh medical training project** in Indonesia - Roy. The Banda Aceh program, led by Kanwal Shankardass of the Ancaster A.M. club, recently submitted their interim report, indicating that all financials are up to date. The project wishes to continue to be promoted as a district WCS approved project. The motion to do so was passed unanimously.
- **New project proposals:**
 - **Medical clinic in Maniche, Haiti** - John Harbison and other members of Grand Island Rotary, along with medical professionals, visit Le Cayes, Haiti on an annual basis to provide basic health care. They have successfully established a medical clinic in Le Cayes which is now entirely supported by locals, and they wish to duplicate this clinic format in Maniche. Potential partners include the Rotary club of Le Cayes, Pastor Augustine and the Benthamie Mission, and Dr. Robert Ledger, surgeon. A goal of \$25000 USD will be attained through club-to-club fundraising and various private fundraisers. Motion to approve the Maniche medical clinic project as a 2009-10 WCS project was supported unanimously.
 - **Canadian Rotary Centennial project:** This project is led by a Rotary club in Winnipeg; the goal is to raise funds to build a school in Afghanistan to promote literacy and education of girls. This project was approved in principle at the June WCS meeting, pending securement of a lead club in our district. The Norfolk Sunrise club has stepped up to take this lead and will begin presentations to clubs in order to solicit funds

Report to District 7090 Council September 26, 2009 Vision Committee

Submitted by Richard Earne PDG

US committee

Has held 6 sessions to date and there is one scheduled.

We have had a joint session with members of the Canadian members of the district committee. The steering committee is:

- reviewed the new material submitted by the international vision group of which our district is a member.
- have modified the RVQ and the slide show and worked on other techniques to enhance the session and the clubs preparation.

The committee has decided to go back to clubs that have gone through the Vision session to see how they are doing.

We are also working on ways of working with clubs both before and after the session to see that the clubs can better implement their plans and in so doing the The new Club leadership Plan.

We need your assistance in having clubs step forward to participate in the vision program.

**D 7090 Vision Committee: Additional Report to District 7090 Council September 26, 2009
and to D 7090 Annual Business Meeting, October 16, 2009**

Canadian Committee

We have held 7 sessions to date. There are 3 further clubs interested at this time.

During October and November, each committee member will be contacting one or two clubs which have gone through the Club Visioning experience to see how they are doing and to find out what they think would help them. After we look at the results, we will investigate the most effective ways to continue to work with these clubs.

I am also tracking clubs who have decided to approach long term planning in other ways and who have agreed to share the results with me.

Clubs interested in participating in the Club Visioning program on the Canadian side of our District should contact Nan Bruce. We are also looking for potential team members.

Nan Bruce, AG

Co-Chair,

D 7090 Club Visioning Committee.

DISTRICT 7090 Friendship Exchange Committee
District 7090 Business Meeting
October 16, 2009

D 7090 is developing an active Friendship Exchange Program, encouraging Rotarians and their families in our District to learn more about Rotary and Rotarians in other parts of the world. Opportunities to become involved with joint projects are welcomed. One such project, which resulted from the South African visit, is Adrie's House of Hope, which is listed in the D 7090 World Community Service Catalogue of Approved Projects.

THE FOLLOWING EXCHANGES OCCURRED DURING 2008-2009.

District 9790 Australia

Our team, led by PDG Wally Ochterski, visited D 9790, Australia from October 25 to November 11, 2008. The twelve participants represented the following Rotary clubs: St. Catharines AM, St. Catharines, Grimsby PM, Waterdown, West Seneca and Buffalo Sunrise.

The Australians had visited our District June 19 to July 2, 2008. The team of 10 started in the Buffalo/Chautauqua area and finished in the St.Catharines/Niagara Falls area. PDG Wally Ochterski and his committee involved many Rotarians as hosts who had not been involved in Friendship Exchange Activities previously, resulting in increased interest in future exchanges.

District 9930 New Zealand

Our team, led by PDG Bob Bruce, visited D 9930 New Zealand February 25 to March 12, 2009. The ten participants represent the following Rotary Clubs: Waterdown, Fort Erie, Simcoe, Lockport and Jamestown.

The New Zealanders visited our District from September 10 to 24, leaving on September 25, 2009. They stayed in the Hamilton, Simcoe, Niagara Falls, Jamestown and Lockport areas. During their visits to Hamilton, Simcoe and Niagara Falls, several Rotary clubs in each area were involved in hosting these visitors, resulting in further increased interest in future exchanges.
