As an example, Grants Committee Chair shared his proud moment when the Haiti well project team reported the completion of 219 water wells; another was shared by Club President Bob Graczyk (Niagara County-Central Rotary Club) who described how the interaction with one District Conference and Rotary International Conference speaker this year (Ontario-Lieutenant Governor David C. Onley) moved him to develop a District 7090 Community Service project to provide wheelchairs at the 3 major USA-Canada border crossing for use by arriving disabled visitors while clearing customs. See additional details below.

Secretary's Report: District Executive Secretary Pene Hutton reported that the official Minutes of the September 11, 2010 and District 7090 Annual Meeting of September 24, 2010, were posted to the District 7090 website along with the Agenda for this meeting in advance of today's meeting for review.

Treasurer's Report: District Treasurer Jim Jackson (see attached report) Jim reviewed the July 1 through November 17, 2010 Revenue/Expenditure Comparison to Budget. He noted that current cash flow is very positive as expenses to date have not been very high; there are 6 U.S. Rotary Clubs that have not remitted their assessments to the District and that 9 Canadian Rotary Clubs are past due on dues to Rotary International. He also noted that most all of the bills for this year's District Conference have been settled and that the event ended with a surplus of \$950.00. Lastly Jim reported that the independent audit of the District's financials has commenced and the final audit report is expected soon.

MOTION TO ACCEPT THE TREASURER'S REPORT WAS MADE BY DGE JOHN HEISE, SECONDED BY PDG RALPH MONTESANTO. MOTION CARRIED

District Governor's Report: Karen Oakes (see attached report)

Governor Karen supplemented her report by noting her appreciation to all who helped make the District Conference held September 24, 2010 in Simcoe hosted by the Rotary Clubs of Norfolk County a success. Karen asked the Assistant Governors to remind District clubs of the importance of remitting District and Rotary International dues on a timely basis. She also reported that to date she has completed 71 of her 73 club visits and has logged (according to her capable driver) over 28,000 kilometers in her travels since July 1st.

District Governor Elect's Report: John Heise (see attached report)

DGE John reported that he was extremely impressed by the quality of presentations and materials at the Zone Institute and Governor Elect Training that he attended this Fall.

District Governor Nominee's Report: Rick Sterne (see attached report)

DGN Rick expressed his appreciation for the prayers & well wishes he received from Rotarians in District 7090 following his accident in late summer. He also thanked DG Karen for leading in his stead the AG Roundtable meeting on September 11th. Several Council members noted their thanksgiving for Rick's recovery from his accident and his return to "active" status in the District as noted in the activities covered in his report.

District Director's & Committee Reports:

District Training: Kevin Crosby, Director (see attached report)

Kevin noted that a survey of District Rotary Clubs to help identify training needs is being developed; an informal Club level position of Club Education Coordinator has been proposed and that a catalog of training materials available to clubs is under development. Lastly he noted that he is looking to develop an enhanced orientation for new members, the creation of a District Training Advisory Committee comprised of District leaders who can oversee various training programs e.g. PETS, RLI, Membership, etc. and a District Leadership Seminar to prepare new District Officers.

Rotary Leadership Institute: PDG Dick Earne, Chairman, reported that 20 Rotarians attended the October 23rd sessions held in Fredonia. Dick noted that follow-up on RLI participants indicates a high retention rate for Rotarians that participate in the program. Two upcoming RLI sessions have been announced and details can be found on the District web site; goal is to have 48 participants in these sessions.

Club Visioning: PDG Dick Earne, Co-Chair noted that 2 sessions have been scheduled for District Clubs in the U.S. and Canada. He and Visioning Facilitator John Boronkay noted a recent successful session was conducted with the Rotary Club of Orchard Park.

Service Projects: Jack Amico, Director (see attached report)

Jack encouraged Council members to review his report and noted that he invited two individuals from the recently formed District 7090 Rotary Action Group to make a presentations today. First he introduced Michelle Holder (West Seneca Rotary Club) who introduced the following new initiative:

RAG Blood Donation Program: Michelle (Shelly) Holder explained the development of a voluntary blood donation program in which District Clubs are challenged to host blood drives with local community blood centers. As an encouragement, Donate Life Rotary Pins will be awarded to members of clubs that have 100% participation in donating or volunteering as hosts at local blood drives. Materials will be made available to all participating clubs and monthly results of donations made by Rotarians, their families and recruited blood donors will be posted.

RAG Border Wheelchair Project: President Bob Gracz of Niagara County-Central Rotary Club detailed the project which grew out of his discussions with Lt. Gov. David Onley (Ontario Province) over the past 9 months. Essentially individuals, Clubs and Areas within District 7090 can participate in acquiring wheelchairs at a discount price (\$275) for use at the 3 major river border crossing in South Ontario and Western New York by individuals that need a way to transit customs. The wheelchairs will be located on both sides of the border and will have a silkscreened imprint recognition which identifies the Club or Area responsible for donating the particular wheelchair. While many clubs may wish to make individual contributions to the project, the Assistant Governors committed to a minimum of 1 wheelchair per Area which will help exceed the initial goal of 10 chairs.

New Generations (formerly Youth Services): Director Kevin Crouse (see attached report)

Youth Exchange: Chair Greg Norton reported that he accepted the appointment of District Chair for a one year period and that Aad Vermeyden (Brantford Sunrise Rotary Club) has agreed to act as Chair-elect. He explained the development of a District Youth Exchange Team and announced Vice-Chair appointments. 25 applications for 2011-12 have been received and District level interviews have been scheduled for January 15th in Hamilton, Ontario, and January 16th in Hamberg, New York. Greg also outlined plans for a large gathering of Rotex students to be held following the Rotary Bike Trek sponsored by the Rotary Club of Niagara-on-the-Lake to be held in June 3-5, 2011. The gathering will be used to celebrate the final RYE event for 2010-11 and recruit returning ROTEX students for membership in Rotaract and Rotary. The next RYE event will be the Buffalo Winter Weekend sponsored by the Rotary Club of Buffalo being held December 3-5.

SlapShot: Chair Kevin Crouse

Kevin referenced the brochures distributed on the tables and the packets to AGs for club presidents. He noted that the training always sells out in advance of the registration deadline which is February 28, 2011. The event is scheduled for April 29 – May 1, 2011.

Rotary Foundation: PDG Art Wing, Director (see attached report)

PDG Art expressed appreciation to all who attended the Annual District 7090 Rotary Foundation Dinner held on November 6, 2010 at Salvatore's Restaurant. He noted the excellent reception that the District attendees gave Past RI President Wilf Wilkinson who was the keynote speaker. He also noted the recognition of Rotarian Harold Ruslander (Buffalo Rotary Club) and Lois as

new major donors and Rotarians PDG Bob and Nan Bruce (Waterdown) .He also reported that Matching Grant funds totaling \$128,000 are available in District 7090; he indicated \$32,000 will be donated to the Rotary's Polio Plus Fund and another \$25,000 will go to the Rotary International Peace Centers.

Polio Plus: Co-Chairs PDG Wally Ochterski and Valerie Bailey-Phillips. Co-Chair Wally announced the very favorable reduction in the number of new cases of polio e.g. India where the 2009 reported cases were 528 and year to date in 2010 are 39 and Nigeria where 2009 cases were 382 and year to date in 2010 are 10.

Membership: Jacquie Herman-Wing, Director (see attached report)

Public Relations: Paul McAfee, Director (see attached report)

District eClub: Paul McAfee, Chair. Paul asked Council members to promote the formation of the District's first eClub. Charter members are being recruited; a total of 20 members is required. Paul indicated the District 7090 eClub will be a hybrid format with meetings alternating between on-line and live meetings at various Rotary clubs within the District. He also emphasized that the eClub format is ideal for Rotarians who cannot make regular weekly meetings, have moved out of the area or travel extensively.

Public Relations Committee: Paul McAfee, Chair. Paul reported that the 2010-11 PR grant application to RI was fully approved. He explained how funds will be allocated to radio/TV stations in order to maximize the cost benefit of PSA's and other media.

Communications:

Paul additionally announced that Chris Yates has agreed to chair the Communications Committee. Paul suggested the communications committee focus on one or two important goals from the current District Strategic Plan rather than try to cover all of the goals outlined for Communications in the Plan.

DISTRICT GOVERNOR ELECT'S REPORT

November 20, 2010

John Heise

Wow! It has been a busy few weeks. The highlight was the attendance at the Zone Institute in London last week. It was a week filled with a great deal of information about Rotary, fellowship, and networking. From Tuesday through Saturday I was out of our room by 7:30 a.m. and often did not get back until after 4 p.m. Then out again in a couple of hours for the evening meals and festivities. The conversations were very informative.

Below are my activities since our last Council meeting:

- I participated in the Directors' Go To Meeting on September 20;
- I attended the District's Foundation Training seminar on September 21-thanks to Art for organizing and chairing this informative event;
- I attended our annual District Conference the weekend of September 24-26; (Karen's conference has provided a good role model for designing the one for my year; a congratulations also to the Karen and her committee for a great conference)
- On September 30 I participated in a Go To Meeting conference call about the multi-District PETS2 in March;
- On October 5 I participated in a Webinar about the Foundation sponsored by RI;
- I participated in another Directors' Go To Meeting discussion on October 18;
- On October 26 I attended the Paul Harris dinner in Ancaster;
- On October 31 I participated in a Go To Meeting discussion among DGs, DGEs, and DGNs sponsored by our Zone coordinator Nancy Gilbert;
- On November 5 Sandy and I attended our District's Foundation Dinner-a thank you to Art and all who assisted him in organizing this dinner;
- From November 8-14 Sandy and I were at the Zone Institute in London, Ontario;
- On November 15 I participated in the Go To Meeting Directors' meeting;
- On Friday of this week I will also be participating in a YE Go To Meeting.

It has been a busy, but rewarding couple of months. Sandy and I have enjoyed the journey to date and look forward to spending next year visiting clubs and learning more about Rotary, our District, and the many great things being accomplished by our clubs locally and throughout the world.

The Zone Institute was even more informative this year. It helped clarify many things for me, such as Future Vision, RI's Strategic Plan, the Polio Plus effort, and much more. While there I had an opportunity to meet some representatives from the Foundation and RI staff. They were able to answer some questions I had right away and when they could not immediately answer a question I often had an answer waiting in my email by the time I made it back to the room.

Some of our other leaders were also in attendance. RI President Ray and his wife joined us toward the end of the institute. I had a chance to talk one-on-one with Bob Scott about the efforts to eradicate polio, for example. There were also representatives there from the Foundation and from club and district service.

Of greater value to me were the discussions I had with my classmates. For two of the days at the Institute Sandy and I were involved in GETS training. These two days were very intense and every minute was planned. I was given a flavor of the upcoming International Assembly I will be attending in San Diego this January.

This training really set the tone of our conversations for with my classmates for the remainder of the week. We exchanged ideas on strategic planning, visioning, membership development and retention, and PETS. Once again I felt that on many of these issues our District was way ahead of the curve. There were some Districts, however, that are working on ideas from which we can learn things.

We have been paired up with District 2520 for our GSE during 2011-2012. It is a district in northern Japan. I am in the process of communicating with my counterpart in that District.

Rotary District 7090
Report of Training Director, September 2010

Strategic Goals for Education & Training

Goal #1: To strengthen the role of the AG in helping the district to support the educational needs of the clubs.

Goal #2: To develop measurement tools that enable the district to assess the needs as well as satisfaction of Rotarians throughout the district as it relates to education and training; and to collect the needs and satisfaction ratings of Rotarians in district and ensure that actions are taken annually to meet needs and increase satisfaction.

Goal #3: Improve utilization of education programs at club level – as measured by achieving a 30% utilization rate of these offerings. The goal of “30% utilization rate” is interpreted to mean that at least 30% of members in each club participate in at least one training/educational program

Goal #4: Form Education Committee by July 1, 2010 to focus on orientation of new members and continued growth of current members.

1. Highlights of what has been accomplished since the last council meeting as it relates to these strategic plan goals outlined in our district plan:
 - a) The Training Advisory Committee held an online meeting on 10/25/10 to discuss several issues related to training in the district, including: use of an online needs-assessment survey, development of a brochure (print and online) providing an orientation to the District, developing a 2-level orientation process for new Rotarians (Level 1 – orientation to the club; Level 2 – orientation to RI, TRF and the District); establishing the position of Training Registrars in the District; promoting the role of “Club Education Coordinator” in the District.
 - b) Kevin Crosby and Ralph Montesanto attended the District Training workshop at the Rotary Institute & Leadership Forum for Zones 24 & 32 in London, Ontario, Nov. 8 – 13.
2. What are some actions that you are committing to lead / ensure are accomplished between now and next meeting relative to the council strategic plan?
 - a) Distribute an online survey tool to be used to solicit input from clubs regarding training and education needs
 - b) Develop a new “job description” for the role of “Club Education Coordinator”
 - c) Develop a “Guide to Training and Education Programs” for clubs
 - d) Develop a process for tracking/reporting participation in training and education programs at the club level (including self-study programs)
 - e) Develop and disseminate recommendations and resources for the orientation of new members
 - f) Propose the selection of Program Chairs for each of the following District training activities (these chairs would comprise the District Training Committee): PETS 1, PETS 2, District Leadership Seminar, District Assembly, RLI, and Club Visioning.
3. Is there an item that you would like to bring to council for decision relative to the strategic plan? If yes, please state the item for discussion.

No.
4. Is there an item that you would like ‘input’ from council (ideas – not decision) relative to the strategic plan?

Any ideas on how to generate interest at the club level for creating the position of “Club Education Coordinator”? (This would be the “point person” for information about training and education programs and resources available to clubs. This also would be the person who would provide periodic reports on the participation of club members in educational programs, including self-study.)

5. Are there any other comments you would like to make at this time relative to your part in helping our District deliver its strategic plan?

I believe that selecting chairs for various training activities in the District will enable us to focus more energy and attention on each of these activities and allow us to develop more robust and diverse programs.

SERVICE PROJECTS REPORT

District 7090 District Council meeting 11/20/2010

Community Service Committee:

Rotary Action Groups

Shelly Holder, who is leading the Rotary Action Group - Blood Donations reports that she and John Crawford (District Community Service Chair) have started the Rotary Action Group program for our district. Shelly, who works in community outreach for the Upstate New York Transplant Services organization, will be presenting the program to clubs on the US side of District 7090. She has identified a partner organization to provide blood collection in the Canadian part of the District. Her team will be offering a challenge to all Rotarians in the District to make blood and blood products available within the communities of Western New York and Southern Ontario. This program has proven to be very popular in other districts around the world, providing a great community service with no cost to Rotary and no cash costs for our members. The only donations will be time and blood.

Border Wheelchair Project

Bob Graczyk, President of the Niagara County-Central Rotary Club, had a chance to meet Ontario Lieutenant Governor David C. Onley at the International Conference in Montreal last summer. Lieutenant Governor Onley is a strong advocate for the disabled and spoke to that topic at the International and District Conferences. Bob Graczyk is employed by the US Department of Homeland Security and recognized a need for transport style wheel chairs at the “best of friends” border crossings in our area. With his club’s support, he has established a District 7090 Community Service Program to provide transport chairs at all local border crossings. District clubs will be given the opportunity to “sponsor” a wheel chair for \$200 or less. Each chair will have the District flag imprinted on the seat back and recognition of the individual club supporting the effort. Chairs on the Canadian side of the border will identify Western New York donor clubs. Chairs on the American Side of the border will identify Southern Ontario donor clubs.

District 7090 Disaster Response Team

The Disaster Response Team continues to work on documentation and establishment of policies and procedures and is preparing to be able to respond if and when such a disaster presents itself within the district boundaries.

Vocational Service Committee:

Rotary At Work

Chair Andrea Aldinger reports that Kerry Thomas of the Welland Rotary Club and Donna Saskowski of the Batavia Rotary club are moving forward with the Rotary at Work program in the district. Growing out of District 7070, the program connects citizens with disabilities with community-minded professionals and businesspeople. Andrea provided an excellent summary article about the program in last month's District Newsletter.

E-Yellow Pages

We are in the very preliminary stages of investigating the potential of an e-yellow pages service for all district members. Other districts have had great results by linking an outside service which provides free listings for all district Rotarians' businesses, funded by an advertising charge for those who wish to provide display advertising in the e-directory. We hope to have more information at the next Council meeting.

World Community Service Committee:

Doug Johnson has been unable to complete his commitment to the committee chair. In his absence, David Johnson and John Harbison have agreed to co-chair the committee for the balance of the Rotary year. Carl and Mary Vahl have relocated to Baltimore Md. and will not be able to continue their committee involvement. Several interested Rotarians have been contacted and additional committee members are being recruited. The potential of using Go-To-Meeting for the January meeting was discussed, but it was decided to hold an in-person meeting and explore online options for a later date.

Maniche, Haiti Medical Clinic

John Harbison provided an update for the clinic project. Construction of the building (financed with non-Rotary donations) is planned to begin in January or February 2011. The bidding process is currently underway. Once construction is started, application for matching grants will be completed, hopefully contributing the remainder of funds required for equipping the clinic to complete the project.

Tanzania Education Project

Kevin Crosby and Barb Ochterski of the Buffalo Sunrise Rotary Club presented that club's proposed education project for Mara – Kantanga Village, Tanzania).

Collaborating with a larger project based out of the State University of New York at Buffalo and a local NGO (Immaculate Heart Sisters), the Buffalo Sunrise club will focus on providing a source of potable water, sanitation facilities and educational support for that school.

After an exchange of information between the Buffalo Sunrise members and the committee, it was determined that this project meets the requirements of an approved 2010 – 2011 District 7090 World Community Service project . Once approved by the District Council, it will be added to the 2010-2011 World Community Service directory of approved projects (about to be published).

Guatemala Road Project

Wayne Bacon, of the Buffalo Rotary Club, brought his son, Harrison and Nick Osinski (both Spanish language high school students) and Tom Nye, an engineer for Union Concrete as guests. The four of them recently returned from an information gathering mission to Guatemala. There, they identified the need for a 6 km road to assist with transport, flood control and commerce through improved communications with the industrialized world.

The committee discussed a variety of considerations with the Buffalo Rotary group, involving sustainability, grants potential, partners potential for funding, local governmental cooperation commitment and potential land ownership issues. The Buffalo Rotary group will return to the WCS committee at a meeting later this year in order to address the issues raised at this meeting.

Potential Serbian Orphanage Project

Kerry Thomas, of the Welland Rotary Club reviewed his recent visit to orphanages in Serbia where he witnessed how care for physically and/or mentally challenged children takes place across that country. Kerry is fleshing out a program in partnership with Serbian human rights and mental disabilities groups to improve the conditions of those living in Cacak and Belgrade, possibly through a train-the-trainer model. He hopes to address economic, human rights and educational issues in this population in Serbia. He will give further presentations to the WCS group as details evolve.

District 7090 New Generations Youth Services Report

November 2010-11-13 report

Interact

Tony Evans reports that the four clubs sponsored by the Olean Rotary Club have just completed a massive food drive, raised \$3,000.00, sponsored Halloween parties for elementary children, and are sponsoring yet another water well in Niger through their parent Olean club. Next month on December 14, Tony will be speaking to the Lockport Rotary Club re starting an Interact Club and on November 9, he attended a Charter Dinner for the 29 members of the new Niagara Wheatfield High School Interact Club. Tony is also creating a directory of all Interact Clubs with phone numbers, emails and meeting times of all American clubs in the district.

Youth Exchange

Greg Norton reports that all 24 Inbound Students from 16 different countries have arrived safely and all of our 25 outbound students have departed for their exchange. Greg has agreed to take over as Interim YE Chair for 2010-11, and Aad Vermeyden of the Brantford Rotary Club has agreed to take over as chair next year. This year, Aad will continue to hold the position of Vice-Chair for Northern Europe and Lisa Yaggie of the Jamestown club will take over the Northern Europe position next year. David George will return next year and will act as Vice Chair for Southern Europe. Bob Stevenson (Simcoe) will continue as Vice-Chair for Asia/Australia/New Zealand and Gloria Szylak (Niagara on the Lake) will continue as Vice-chair for Mexico/South America. Joanna Turchin will take on the new position of Secretary.

We were all very proud of the efforts of exchange students at the District Conference. Greg feels strongly that a good number of clubs are considering joining the program this year and there is a strong possibility that we will be sending 30 or more students out next year.

Rotaract

Congratulations to the new Buffalo Sunrise Rotaract club for their involvement in the Brush-up program of 15 homes in the Buffalo area. Their efforts were featured in a Rotary International report last month.

Jennifer Middleton reports that the Brantford Rotaract membership is growing each week. This year they will be working with Habitat for Humanity, End Polio Now and a Rotarian Action Group to end Child Slavery. To date they have raised over \$200.00 to End Polio Now, and on November 29th they will be hosting a Pot luck Games Night featuring Rotarians and Rotaractors. Everyone is welcome. Rotarians are to bring an entree.

Early Act

Congratulations to John Gehl for taking on the chair of Early Act. Brantford's first Early Act club was chartered on November 10th at 10:30 a.m. at Graham Bell – Victoria Public School. Jeannie Boniface of the Brantford Sunrise Rotary Club is the club sponsor. Over 30 students attended this meeting as did Jeff Noble, Sunrise president and Kevin Crouse. Plans are already under way for community, school and international projects. The school's principal is the lead teacher in this group.

RYLA

Congratulations to Sue O'Dwyer, the new RYLA Chair. Sue will take over both Canadian and American club responsibilities. RYLA this year will take place once again at SUNY Fredonia, New York on June 19 through June 25, 2011.

SLAPSHOT

This year's program will take place at Canterbury Hills convention centre in Ancaster, Ontario. The dates are April 29 to May 1, 2010. Early registration remains at \$200.00 for those registered before February 28. Brochures for all club presidents will be distributed at District Council on November 20. Assistant Governors will distribute presidents' letters with details of the program this year to their area PRESIDENTS.

Group Study Exchange

The GSE committee completed the first part of this year's GSE as we hosted the team from South Korea in September.

The committee has selected Rosanne Morrisette from St. Catharines South RC as the team leader for our team to travel to Korea in March. Paul Lehman from the Lockport RC was selected as the alternate team leader.

Applications are still being accepted for the team members. Interviews are scheduled for December 4.

DGE John Heise, has completed arrangements for a GSE program for next year with Japan.

Future Vision

Over many years Rotary Districts have asked for more control over the decision making with regard to the spending of Foundation funds. The movement of District Simplified Grants decisions to the District level in 2003 was a first step in giving Districts more control as well as accountability and governance responsibility.

One Hundred of our 534 Rotary Districts around the world began this Rotary year as Pilot project clubs on the implementation of the Future Vision direction for Our Rotary Foundation.

The District 7090 Foundation committee considered the opportunity to participate and after lengthy discussions two years ago decided to not apply to be a Pilot District.

The District Foundation committee has made presentations on the Future Vision topic at each of the last two District Assemblies as a beginning of the introduction of our District to this future Direction.

On July 1 2013 all Districts in Rotary will become part of the Future Vision program.

With that in mind the Foundation committee is in process of forming a **Transition Committee** to study, plan and work on the implementation of the program.

Current issues.

Under the current Pilot process, only Pilot Districts may enter into matching grant arrangements together.

We currently have at least 3 clubs who are in the process of completing arrangements to implement projects with Pilot Districts. The Foundation committee is beginning to work with these clubs and assist in linking up with a near by Pilot district so that our clubs can continue as they are planning.

Future Vision Pilot news is an excellent monthly newsletter from the Rotary Foundation dealing with all of the issues in relationship to this topic.

There will be lots of information on this topic over the next few years.

Report to the Council

November 20, 2010

At the last District Council meeting I had reported that there has been a delay in the recertification of our Youth Exchange Program with RI for the year 2009-2010. The Certification application was submitted in June 2009. Since then, the Youth Exchange Services of RI had requested additional information and last year's Youth Exchange chair PDG Bob Leek has been working with RI and providing them with responses to the questions raised by them. However, since RI Youth Exchange Services had received a high volume of certification materials for review their staff was not been able to provide us with timely feedback on our submission and RI had extended the deadline for our district's recertification until September 30th, 2010. This has had no impact to our 2010-2011 Youth Exchange program as District 7090 is listed as certified in the July 2010 Youth Exchange Directory.

This deadline was further extended by RI to November 30th 2010. PDG Bob Leek has completed the response to all the questions raised by RI. Part of Bob Leek's response includes the creation of Youth Exchange Abuse and Harassment Prevention Policy. The policy and related documents were discussed and accepted by the Rotary District 7090 Youth Exchange Program Inc Board of Directors on November 19th 2010 and will be submitted to RI next week. We expect that the recertification for 2009-2010 will be completed by November 30th 2010.
