District Governor's Report: Jack Amico

Full DG Report attached. The key lesson learned from club visits: EVERY Rotary Club in District 7090 shares two things in common:

- Absolute irreverence toward each other. None of us takes ourselves too seriously and I didn't meet ONE "holier-than-thou" individual in all of the visits. They/we ALL have a lot of fun in Rotary. As PDG Rob Leek said in his Club Visit speeches years ago, "Rotary is far too important to take it (and ourselves) too seriously". To a woman and man, District 7090 people agree.
- While the individual projects may vary, EVERY club is dedicated to serving their community. A need is identified, and Rotarians do something about it. I am amazed by the number of local and international projects individual clubs engage.

District Governor's Elect Report: Kevin Crosby

Full DGE Report attached. Additional points reported orally

- Leadership manuals available and will be distributed to clubs
- Watch for 2015 District Conference website to be launched following Buffalo Bash

 - Active collaboration among area clubs noted in most Areas
 - o AG reports include many "Best Practice" ideas that should be shared across district
 - Several proposed "Rotary days" reported
 - Club presidents have experienced difficulties using Club Central. Suggest greater attention to "administrative" responsibilities in PETS training
 - Membership, recruitment, attendance and "aging membership" identified as general concern across District. Some clubs having great success in attracting new younger active members
 - Waterdown celebrating 60 years of community service!
 - Suggested use of GOTO for Area meetings in geographically large areas
 - Publicity for Rotary is a challenge for some clubs
 - Clubs reported as effective, dynamic, respected
 - Many clubs across District plan to address 2013 COL club constitution & by law recommendations.

- PETS schedule changes this year. PETS 1 will be after PETS 2. We are again participating in the multi-District PETS2 in Toronto. It is scheduled for March 6-7, 2015.

Membership

• Membership Chair Brian noted that since his report DGE Kevin has approached the Membership Committee and asked them to help him prepare a 3 year membership plan. DGE Kevin has been asked to submit the District Plan by October 5. A Membership Committee meeting has been scheduled for September 24

Public Image:

- DG Jack noted additions to the PI team
 - o <u>Public Relations Chair Canada</u> Rosanne Morissette
 - o <u>Public Relations Chair US</u> <u>Chrissy Casilio-Bluhm</u>

Youth Services:

- Youth Chair Greg noted that in addition to his report the committee is in need of Interact and Earlyact champions on the Canadian side of the border.
- Greg noted that a PHF was being presented to a Buffalo area School Board member. He felt this was an excellent way to both promote Rotary Youth Exchange and at the same time differentiate Rotary Youth Exchange from other types of youth exchanges.

CRCID

Chair Karen reported that while the prediction of the demise of CRCID may have been premature the future of CRCID is far from secure. Limited funding has been received and meetings are ongoing

Council on Legislation

• Representative Karen presented the following motion. As a background normally the District Manual of Procedure requires legislation proposals to be circulate 30 days in advance of the District Conference. Due to the late appointment of our COL Representative it was felt this motion was necessary to allow clubs to submit proposals.

MOTION To allow the submission of Council On Legislation Proposals to be made up until October 20, 2014 moved John Heise; seconded Dick Earne. CARRIED

District Governor's Report

District Council Meeting 9/20/2014

In my first report to the District 7090 Council, I'm pleased to report that life in 7090 is pretty good. I have always considered District 7090 to be one of the best and as I've traveled Southern Ontario and Western New York making my club visits, I am more excited about Rotary than I have been in my 19 years with this fantastic organization.

I have visited almost sixty of our clubs since mid-July. While I realized that this was an ambitious schedule, I believed that the nature of our new theme "Light Up Rotary" deserved as early an introduction as possible to all of our Rotarians. I also wanted to make sure that as many of our members as possible were aware of the different nature and details of this year's conference (the Rotary Buffalo Bash, October 25 and 26).

I've been thrilled by the positive response both topics have received from our club officers and members. I credit that to the theme: Lighting Up Rotary asks that we show the world that Rotary is active and, in local communities and in international service, that we get things done. I received almost universal agreement that Rotary is the best kept secret in the world of service and that it's time that we let the communities which we serve know about us. This path will help to provide the additional hands we need in Rotary to get the work done and will also provide the support of the community in making our fund-raisers and projects successful.

I've also been impressed by the true dedication of our district Rotarians to Rotary service. Clubs large and small meet in a variety of venues – some with food, some not, some with rather formal meetings, some truly informal. Each club has its own personality – no two are even close to alike. Yet, what impressed me the most is that EVERY Rotary Club in District 7090 shares two things in common:

- Absolute irreverence toward each other. None of us takes ourselves too seriously and I didn't meet ONE "hollier-than-thou" individual in all of the visits. They/we ALL have a lot of fun in Rotary. As PDG Rob Leek said in his Club Visit speeches years ago, "Rotary is far too important to take it (and ourselves) too seriously". To a woman and man, District 7090 people agree.
- While the individual projects may vary, EVERY club is dedicated to serving their community. A need is identified, and Rotarians do something about it. I am amazed by the number of local and international projects individual clubs engage.

I'm pleased to report that membership in the district is up since 1 July. While this isn't necessarily an anomaly from recent years, it is, I believe, a harbinger of great things to come. The establishment of the Buffalo Niagara Medical Campus Rotary Club (thanks to the efforts of Dr. David Johnson, Pat Whalen and PDG Pravin) is a first step in the growth of the district. With membership which should reach 100 by year's end, President Sonya Stutts' only concerns are to get members quickly engaged and locate larger meeting facilities. We should all have such problems. AND as I have traveled the district visiting clubs, almost all are not just **hopeful** of increased membership but, in most cases, have active candidates under consideration as well as already installed.

I am also very pleased to report that, under the guidance of PDG Karen Oakes, Director of Foundation for the District, and Carolyn Seabrook-Ferguson, Major Gifts Officer | Polio, Development & Partnerships (and a member of the Ancaster AM Rotary Club) are well along in planning District 7090's first Million Dollar Dinner. More information will be forthcoming as we near the planned date in May.

I mentioned the Rotary Buffalo Bash earlier. By way of explanation to those who haven't heard me speak about it, we're celebrating a Rotary Day on October 25 and 26 of this year. We're calling it the Bash in recognition of the evening event when we hope to have a couple hundred Rotarians after dinner come together to celebrate Rotary. Rather than have a number of separate "hospitality suites" sponsored by individual clubs or areas, we are inviting them to participate in "the Bash" when we'll have music for all generations, video games from a number of eras, snacks and beverages available while people get to know each other. I'd like my fifty best friends from West Seneca get to know your best friends from your club. We can't do that if we're all in different hospitality rooms.

We do have a number of great speakers planned for the business portion of the meeting. I'll present that verbally at the Council meeting.

I am SO honored to be able to serve as District Governor this year – thank you all for all the support and for all you do for Rotary. This promises to be a very exciting year in Rotary International AND in District 7090 as we "LIGHT UP ROTARY".

TRAINING DIRECTOR REPORT

September 20, 2014

Director: John Heise

District Training Assembly (Anne Bermingham)

Plans are underway to combine AG training, PETs and Club Director, Committee and Rotarian at large training next April and May. We are excited that two days of training will be offered –one on each side of border. (April 11 in St. Catharines and May 2 in Niagara Falls) It is a change but we are excited to see if it will enable us to engage upwards of 400-500 Rotarians from our district in one of these two sessions. In particular at the District Council meeting, we want to have a brainstorming session (that Anne will facilitate) getting ideas of what we should do to make these sessions appealing to many more Rotarians and what obstacles we may need to overcome to make this new model successful. So, please give this topic some thought.

Visioning (Anne Bermingham and Barb Ochterski)

The Visioning Teams are off and running. The Canadian team had its first official engagement at the Rotary Club of Fort Erie on Tuesday September 8. Our USA counterparts had their official first engagement in August with the e-club. The transition from Nan to Anne is going well – we have most of the past documents in both hard copy and e-copy for easy reference and re-use. Some of the hopes for the coming year are to 1) take online the pre-session survey 2) develop more support and assistance to clubs post vision session and 3) do more measuring of impact over time.

The US team has a session scheduled for October in Albion.

PETS (Brian Carmichael and Mara Huber)

As noted above, there will be a change in the PETS schedule this year. PETS 1 will be <u>after</u> PETS 2. We are again participating in the multi-District PETS2 in Toronto. It is scheduled for March 6-7, 2015. The multi-district team has already had its first meeting, reviewing the evaluations from the last PETS 2 and sketching out plans for the next one.

Kevin Crosby, Mara Huber, Brian Carmichael, and I already met once to discuss what we wanted to cover in the PETS sessions and how to coordinate the two. We did agree that we wanted the PETS1 to be more interactive with the PEs. DGE Kevin has authored a questionnaire for the current Presidents asking them to reflect on the topics covered last year. It has been distributed to the AGs to be completed at an area meeting. The results will be used to plan this year's program.

Release Your Inner Rotarian (Marie Bindeman)

The year's first session will be held during the Buffalo bash.

Club Trainer (Chris Cutler and Bruce Baum)

I am in the process of scheduling a meeting to develop this position, which is part of the District Strategic Plan. Below is an outline of this position, which will become the framework for moving forward.

Club Trainer Roles and Responsibilities

A club-level training program should:

- Ensure that club leaders attend district meetings by developing an annual district, area and *club training calendar*
- Provide consistent and regular orientation for new members including mentoring
- Offer ongoing educational opportunities for current members through *access to online training resources, and club and district training opportunities*
- Create a leadership-skills development program for all members by developing an annual club training plan and by encouraging participation in the multi-district Rotary Leadership Institute as part of the plan
- Help the club leadership to create a strategic or club vision plan working where applicable with the *District 7090 Visioning Facilitation Team*

These objectives can be reached by

- Conducting a *regular training needs assessment* of members.
- *Analyzing club goals* to determine what training support club members need to reach these goals.
- *Designing training* to support the first two above responsibilities.
- Working with the club membership committee to conduct new member orientation.
- Working with the club *membership committee* to educate prospective members.
- Working with the *club administration to plan a weekly program* to provide continued education for all members.
- Collaborate with the *club and district Rotary Foundation committee* to educate members on fundraising and contributing to the Foundation.
- Working with the club public relations committee to ensure that club members are comfortable describing *What Rotary is*.
- Working with *incoming leaders to prepare them for district and club training.*

RLI (Marlee Diehl)

Communications are on going with two colleges in each country to arrange dates. As it stands it is hoped that we will be able to have one in Jamestown in early November and one in Hamilton for early

December. I cannot get the dates for the 2015 until it get closer. Because of the Buffalo Bash, one will not be scheduled in October.

Marlee is in the process of getting all the material from Patti Johnson. This will be completed shortly.

Marlee attended a Shining Waters annual meeting in September. We are part of this larger area and Marlee felt the connections made by attending this meeting will prove helpful.

Selection of DGNN

It is my year as a PDG to chair the selection committee for our DG for 2017-2018. The committee is comprised of PDG Kevin Crouse, PDG Rick Sterne, myself, Cathy Henry and John Boronkay, Past Presidents of Clubs.

Kevin Crosby has suggested that we consider moving the selection/recommendation process up, to provide more time for individual to begin the learning process. I am in agreement with this. Below is a suggested timeline for this.

September 29	Announcement sent to club inviting nominations
October 25	Session held at Buffalo Bash to answer questions of interested candidates
November 29	Nominations due
December 7	Interviews
December 9	Announcement of Candidate; challenge period begins
December 23	End of challenge period
January 2	Candidate announced by District Governor

District 7090 Public Image Director Report

September 17, 2014

District 7090 Public Image Campaign Goals

- To create awareness of the Rotary clubs and their activities in our District.
- To encourage people who are generally in the 25-65 year age range to show an interest in our Rotary clubs' activities by clicking **Like** on the clubs' Facebook pages.
- People who click **Like** subsequently receive notices whenever the club posts on their Facebook page. The ads we run on Facebook show both the club's Facebook cover photo, and the most recent post put on the page by the club's Facebook page administrator(s).
- Through the information received from the Rotary club's postings, encourage new people either to support the Rotary club, or to develop an interest in joining the Rotary club.

Notice that the campaign can get new people to follow the activities of a Rotary club in our District. **The campaign cannot generate new Rotary club members by itself. This is the responsibility of the clubs.** They must post information on Facebook that is interesting to non-Rotarians. When a new candidate shows an interest, the clubs must work with these people to bring them into their clubs.

Background on RI Public Image Grants for 2013-2014 & 2014-2015

RI has reimbursed District 7090 for this past year's campaign, which we assembled and ran in March through May on short notice due to unusual circumstances. RI also has confirmed that we have the final year of our three-year \$15,000/year Public Image grant for this Rotary year.

I plan to remain in the RI PR Director role for one more year to complete the three-year RI PR Grant in the 2014-2015 Rotary year. I also will remain through Kevin Crosby's year (2015-2016). However, I encourage our District PDGs, DG, and future DGs, to seek a new full-time Public Image Director. I will support the training and transition to a new Director when we find someone with the qualifications and willingness to continue the Public Image work for our District.

The current and two future DGs are discussing how to enhance outward facing communications for our District. This includes possibly re-designing the District 7090 website to retain easy access to the information that is for clubs, but also to make the District website a recruiting tool for potential new Rotarians. We also are discussing ideas to increase awareness and participation among our clubs for the 2014-1015 Facebook campaign. At the least, I will hold a couple webinars using GoToMeeting to coach and mentor club Public Image Chairs to get the most out of our campaign.

Chrissy Casilio and Roseanne Morissette are providing PR support to Jack Amico. Jack can update you on what is happening with PR this year.

District 7090 Public Image Director Report

September 17, 2014

I will provide information to our clubs that Rotary has created on effective Facebook marketing. One example is this video from RI, <u>http://vimeo.com/91755618</u>, titled *Connect Better with Your Local Community Through Facebook*.

Here is a link to a Rotary International presentation titled *Five Things Every Rotary Club Facebook Page Should Have*: <u>http://www.slideshare.net/Rotary_International/5-things-every-rotary-club-facebook-page-should-have</u>.

I have created a new Google Drive folder that is <u>available to anyone</u> titled **District 7090 2014-2015 Public Image**. I will put materials from Rotary International that explain the use of social media to promote Rotary in this folder. I have placed an RI PowerPoint presentation in this folder from this past July titled "**RI Facebook Recommendations July 2014.pptx.**"

The link to this District 7090 Public Image folder is: <u>https://drive.google.com/folderview?id=0B9Yl4qvfinb8UXBMZ3BOcEILeHc&usp=sharing</u>

2014-2015 District 7090 Facebook Campaign Actions

The campaign will include any Rotary Club in District 7090 that maintains an active Facebook campaign and that wishes to participate. There is no cost to the clubs. The clubs' ads are a combination of their Facebook cover photo, plus the most current post that the clubs put on their Facebook pages. This means that **the clubs are in control of the content of their ads**.

The target audience is usually people ages 25-55 years. However, I adjust this age range at the high end to be 64+ years when the audience size is otherwise too low. I also adjust down to 20 years as the minimum age for some campaigns that might include potential RYLA participants. I normally do not set the age below 20 years except in circumstances when a campaign might be interesting to a high school or early college student. **The minimum age for any ad will never be less than 18 years.** Very few ads run for less than the 25-year age.

The target geography is normally within 25 miles of the town or city in which the Rotary club is located. **The District 7090 and E-Club ads cover the entire geographic area of our District.**

Any Rotary club in our District can share their post, or add a post, to the District 7090 Facebook page. This means that even clubs not actively participating in our Facebook campaign directly can participate in the campaign by adding a post to the District 7090 Facebook page: www.facebook.com/RotaryDistrict7090.

The new campaign will run from early October for several months. The number of months will depend on the daily spend limit that I set. I will notify the District leadership of the duration of this year's campaign when I have worked through the details of this year's campaign.

Our total budget for the 2014-2015 RI PR campaign is \$20,000.

We are pleased to announce that two new members from western New York have recently joined the Endowment Fund committee. Maynard Lowry and Stephen Keefe will be filling the void in our representation from New York, helping spread the word about the EF.

The committee held a Go To meeting in June and a follow up meeting in St Catharines on July 28th hear about DG Jack Amico's plans to hold District "Million Dollar Dinner" next May and learn about the role the Endowment Fund committee can fill in making it a success. RI major Gifts officer Carolyn Seabrook-Ferguson joined us at our July meeting and the discussion focused on ways the committee members could get the word out and help recruit attendees to the dinner.

Methods identified were:

 \Box Make a presentation to our own clubs, identify potential contributors and follow up with one on one discussion.

Working through AGs, attend area meetings to raise awareness of the Million Dollar Dinner with presidents and president-elects. Have presidents invite us to present to their clubs. Identify potential contributors to dinner and follow up one on one

Identify and contact nonRotarians in our communities who may interested in attending

Connect interested contributors with Carolyn for her tofinalize contribution

Hopefully our combined efforts will help bring the Dinner together.

The planned areas of focus for the committee members on an ongoing basis continue to be:

Contacting senior District members for one on one discussions

Req**e**sting to be speakers at Club meetings

Organizing Fireside chats in the Areas

Asking AG's to have us speak at Area meetings with club presidents and presidentelects

Approach members of our own clubs one On one to discuss the EF.

Connect potential contributors with Carolyn Seabrook-Ferguson, our RI Major Gifts Officer

Our goal is to spread the word about the EF, allowing members to understand the value and ease of participating, making it easy for them to make an educated decision.

Committee members are:

John Mullen, (Chair), Tony Wellenreiter, Wallace Ochterski, Don DeMeo, Joe DePaolo, John Beyer, Franco Olivieri, Umit Eruysa, Maynard Lowry, Stephen Keefel and Karen Oakes (Foundation Chair). Respectfully submitted

Polio Eradication Committee

Chair Thie Convery How easy is it to change the world and make history?

If you ask anyone if they would like to leave their mark on history and change the world for the better, the answer would be "yes". Not everyone has an idea on how to do just that and the actual task can seem quite overwhelming. However, my experience with Rotary shows that one person can make an impact, even with small steps. It can be done by shining a light on a specific issue, signing a petition, donating or raising funds for a cause, or even as easy as putting your fingers "this close" in a picture.

World Polio Day is quickly approaching on October 24th. This is a chance for Rotarians, clubs, and districts across the world to come together to fight polio. There are many ways your club could mark the day. You could dedicate your club meeting that week to focus on Rotary's work to end polio. You could host a community fundraiser around World Polio Day to raise awareness of our cause. You could wear your End Polio Now pin on World Polio Day and encourage your friends and family to do the same. You could take the opportunity to remind government officials to support the global commitment to a polio free world – Rotary's top priority.

Most importantly, by encouraging your Board and your Club to <u>continue</u> your support by donating *all you can*, we can end this crippling disease! Please make cheques payable to the "The Rotary Foundation - Polio Plus" and mail to:

In Canada: The Rotary Foundation (Canada) c/o 911600 PO Box 4090 STN A Toronto, ON M5W 0E9 In the US: The Rotary Foundation 14280 Collections Center Drive Chicago, IL 60693 USA

We <u>promised</u> the children of the world that we would eradicate polio – and Rotarians keep their word. We are "this close" and getting closer every day. Thanks to you, we <u>will</u> End Polio Now!

Vocational Training Team Committee Report

Dan Smith, Co-Chair VTT Roseanne Morissette, Co-Chair, VTT

We are delighted to share with all Rotarians and Rotary clubs in District 7090 that we have an RIapproved and District Grant supported Vocational Training Team (VTT) project for 2014-2015. The VTT Committee is now seeking applications for a Team Leader. See announcement and website for application.

A VTT – built on the long-standing commitment to vocational training from the Group Study Exchange program started in 1965 - is a group of professionals who travel to another country to use their vocational skills or to teach local professionals about a particular field.

The 2014-2015 VTT project put forward by the Rotary Club of St. Catharines focuses on Sport Education and Literacy. The destination is Rotary District 7020 – the islands of Anguilla and St. Maarten - with participation from the Rotary Club of St. Maarten. The VTT will depart March 10 and return March 31, 2015.

The VTT will work with the Ministry of Sport, Recreation, and Culture in St. Maarten, The Rotary Club of St. Maarten, their public schools, and local sport organizations to educate coaches, volunteers, and teachers in coaching methodologies when working with children and introducing them to playing sports.

The Team Leader, a Rotarian, should be knowledgeable and have/had experience with education in sport.

The cost of the VTT is covered by the District Grant and the host Rotary Club/District, which includes transportation, accommodation, and meals, but excludes visa, inoculations, and spending money. Team Leader applications must be received by September 30, 2014 to the attention of Dan Smith, Co-Chair, <u>dsmith4416@gmail.com</u> and to Roseanne Morissette, Co-Chair,

rmorissette@performanceautogroup.ca.

The call for Team Members will occur in the near future. Team members can be both Rotarians and Non-Rotarians without any age limit.

Thank you. Dan Smith, Co-Chair VTT Roseanne Morissette, Co-Chair, VTT

The club and district membership counts are the starting membership figure based on July semiannual report forms, received at Rotary International by 30 September each year. They are populated once every Rotary Year (usually in November) and remains the same until the next Rotary Year. Clubs terminating during the Rotary Year, though not listed, will be included in the district membership totals.

District 7090 – Youth Services

FEATURED PROGRAM

YOUTH EXCHANGE - (Chair – Mike Taylor – Rotary Club of Fonthill)

July and August are our transitional months. Most of our inbounds took opportunity to go on the Cross America bus tour through the month of July, and a sole Finnish student chose the Cross Canada tour instead. As is usually the case, ALL of the students were absolutely thrilled throughout their experiences and came back on quite an emotional high.

These joyous feelings though soon gave way to the downsides of having to pack and begin transitioning back to their homes all around the world while at the same time we began welcoming back all of our returning outbounds from last year who not unlike our departing inbounds were often struggling with their own 'reverse homesickness'.

We held our annual Outbound Debrief Meeting with returning students and parents who were all very pleased with the success of the program and the experiences gleaned through it.

August 7th saw the arrival of our first inbound student from Finland throughout the month traffic of students in and out of the countries continued. This year we have 26 kids heading out all around and we've received another 24 with 2 yet to come in January from Australia and we will see off 3 others who are due to finish at the same time (2 Australians and 1 Argentinian).

Inbound orientation weekend takes place September 12-14th and planning is also underway for student participation and involvement at the Buffalo Bash District Conference.

District Committee structure transitions and succession planning have and continue to take place. Mike Taylor indeed did take over Chair position from Aad Vermeyden who continues to serve in a supportive fashion to the Committee. Discussions are underway related to the succession of Ray Tisi by Randy Momot (Fonthill Club) in the YE Treasurer position.

Aad's wisdom and technical and organizational skills continue to benefit the committee. Aad has taken the lead in transitioning 7090 to the 'YEAH' database platform which will provide consolidated and integrated database that members will have access to for input and data mining. YEAH will provide excellent resource in meeting RI and US/Canadian regulatory expectations within the YE program.

Committee membership representation as follows:

- Mike Taylor (Fonthill) Chair
- Aad Vermeyden (Brantford) Past Chair/Support
- Joanna Turchin (Ancaster Insurance, VISA's, Travel specialist)
- Ray Tisi (Welland Treasurer)
- Donna Dalgleish (Niagara Falls Asia/Australia)
- Laurie Albertsson (Buffalo South America)
- Lisa Yaggie (Jamestown Northern Europe)
- Adair Amo (Buffalo Sunrise Central Europe)
- John Bradley (Buffalo Southern Europe)
- Bob Stevenson (Simcoe Short Term Exchange)

Janet Walker (Lockport – support – VC in Training)

We are looking forward to another very successful year in the Youth Exchange program!

The picture below was taken at the breakfast meeting of Fonthill Rotary Club where the students all presented on the experiences of Youth Exchange (both past and to come). The girls did an outstanding job and membership were thrilled with the energy and excitement that was shared. One member was moved to say it was the best meeting he had ever attended in his 30 years of involvement with Rotary.

September 16, 2014

Dear YEO,

We just finished our Inbound Orientation and can report that we have a wonderful new crop of inbound students. We were impressed with their initiative, knowledge of English and generally their great attitude.

Now it's time to start recruiting next year's outbounds! Yes, I know it only feels like yesterday that the last ones left...

This communication deals with the following:

- 1. New outbound recruitment process
- 2. Promotional materials available
- 3. (New!) Short Term Exchange
- 4. (New!) Bursary

We recommend the following process for outbound recruitment:

September	Contact high schools (guidance counselors and/or language teachers), distribute promotional materials. Ask Interact, ROTEX and current inbounds to reach out to their circle of friends. Get interviews done with the inbounds to hit the local media (newspaper, radio)
October	Organize information sessions in the local high schools. Consider organizing an evening information session in a public space (library), for students and parents and advertise this at info sessions and the media. Applicants to fill out Short Form application to club.
November	Club interviews + selection of candidates (who are to book their medical and dental appointments immediately to get those sections of the long form app completed)
December	Candidates to fill out Long Form application. YEO to check for completeness and obtain club signatures. YEO to submit 4 copies of completed Long Form application to Mike Taylor (for Canadian apps) and Laurie Albertsson (for US apps)
January	District Interviews January 10/11, 2015 (students are to attend with their parents, given that multiple interviews happen they need to allow for $4 - 5$ hours)

Tel- W. (905) 892-5736 x.224 Fax- W. (905) 893-4855 Email: miketaylor.youthexchange@gmail.com

To assist you with outbound recruitment, we have the following promotional materials available for you:

- full colour posters at 11x17" and 8.5x11" size
- brochures
- DVD (an older issue of Rotary Magazine gives a 10 min program on exchange that can be used in presentations)
- Powerpoint
- Host Family

You can download posters, brochures and powerpoint directly from the YEO Resources section of our website: <u>www.rotaryye7090.org</u>. We are also happy to produce multiple copies of posters and brochures for you and/or send you a copy of the DVD. You can order online in the survey link highlighted at the end of this email.

In October I will email you resources for the Club Interviews and in November expect an email explaining the paperwork process.

NEW: SHORT TERM EXCHANGE

Last year we sent a few students on the short term exchange and this year, we'd like to offer it to all clubs. The main features of the short term exchange are:

- a family-to-family exchange
- usually a total of 6 weeks, 3 weeks our student will spend abroad and 3 weeks the student from abroad will spend with the family here
- countries that we do short-term with include the United Kingdom, Italy, and other predominantly European countries.

We see the short-term exchange as an excellent way of attracting more interest in the (long-term) exchange program and/or as a back-up offering to those kids that are good candidates, but you can't select for long-term. The cost to the club for short-term students is \$50 per student and the cost to the student is \$50.

NEW: BURSARY FOR EXCHANGE STUDENTS

The bursary is meant to make a Rotary Youth Exchange possible for a student who otherwise, through family and/or financial circumstances, would be not be able to afford such an exchange. The value is up to \$1,000 for Long-Term and up to \$300 for Short-Term exchange students. These amounts are to be matched by the student and by the sponsoring Rotary Club. Full details about the Bursary can be downloaded from the website.

The more clubs we have participating in the program, the more vibrant our 7090 Youth Exchange Program will become. The following survey monkey link will provide you the opportunity to inform us of your clubs intentions to engage in this very vital Rotary program.

I ask that you please take the time to complete the survey irrespective of your Club's intentions so that we can have a clearer understanding of our District's program capacity. For smaller clubs with more limited resources, we remind that collaborative partnerships with fellow clubs can often provide the opportunity to become engaged with the program while sharing human and financial resource costs.

CRCID (Canadian Rotary Collaboration for International Development)

BACKGROUND:

- Created in 1986 at request of the Government of Canada to act as a conduit for Government funds from CIDA (Canadian International Development Agency) to support Canadian Rotary Club International service projects in developing countries.
- CRCID is a recognized Rotary entity
- Does not qualify for charitable designation as it does not implement projects nor receive administrative support from Rotary.
- 100% dependent upon the Government of Canada for funding to continue in existence.

Past 2 (Two) Years = 2 Significant changes

1. CIDA implemented a "Call for Proposals" system resulting in greater completion between similar organizations seeking funding.

2. Amalgamation of CIDE with Foreign Affairs and Trade, now called Department of Foreign Affairs, Trade and Development (DFATD) in 2012.

Subsequent Developments:

- October 2012 Government compliance audit for the 2010-2013 Contribution Agreement revealed areas of improvement for CRCID financial management system (in place since 2000 with no prior concerns).
- Resulted in less favourable audit than in prior years, yet in the final analysis no reimbursement of Government funds was required.
- CRCID/DFATD meeting in February 2013 readily revealed that DFATD was not interested in continuing their partnership with CRCID.
- CRCID Board made decision to lay-off staff and close the office, resulting in Secretariat reduction as of July 1st, 2013 to 1 fulltime and 1 part-time staff working out of home.
- February 1st, 2014 Annual General Meeting (AGM) resulted in membership vote to dissolve CRCID as of March 31, 2014.
- Outreach came within 2 weeks from Minister of DFATD office questioning the dissolution of CRCID as the Government wished to maintain the partnership.
- DFATD proposed a new strategic relationship more in line with the work of Rotary.
- DFATD, also, proposed a one-year funding to ensure CRCID had sufficient funds to sustain the operation during negotiations.

- Early April 2014 proposal drafted to include the 9 Rotary Projects approved by CRICD in 2012. Estimated that these 9 projects were engaged with over 290 Canadian Rotary clubs across the country and 42 host country partners. PROPOSAL REJECTED as DFTAD not prepared to approve more than \$1.2Million (original proposal was \$3.35Million) plus the numerous countries and multiple partners was deemed too complicated.
- DFATD prepared to fund 2 projects (refer chart attached) with mid-July final satisfaction with the budget and anticipated results matrices.

CURRENT STATE:

On August 1st, 2014 CRCID signed a one-year Contribution Agreement with the Government of Canada to financially support 2 large Rotary projects in Guatemala and Honduras.

NEXT STEPS:

• The brand new CRCID website at <u>www.crcid.org</u> is now "live". Please take a few minutes and review. Our District website has a link to this site as well.

The site features:

- Current information and news about International Development;
- Information on project funding;
- Descriptions of Rotary's Areas of Focus
- Information on Rotary projects approved by CRCID including both funded and unfunded;
 Each country project page includes a news RSS feed for that specific country; and,
- Key documents regarding sustainable development with an emphasis on Environmental Sustainability & Gender Equity both considered essential for projects to be sustainable.
- AGM scheduled for Tuesday, September 22nd, 2014

This AGM will discuss:

- Events that have transpired since the February 1, 2013 AGM;
- New 1-year Contribution Agreement & status update;
- New CRCID website;
- Revised bylaws required for the Certificate of Continuance (deadline October 17, 2014);
- Update on high level discussions with the Government of Canada regarding new partnership arrangement.

Respectfully submitted
