

# SUSTAINABILITY

For Rotary, sustainability means providing long-term solutions to community problems that community members themselves can support after the grant funding ends.

## Start with the community

Identify a need and develop a solution that builds on community strengths and aligns with local values and culture.

## Encourage local ownership

Identify key community members who can help pioneer lasting improvements.

## Provide training

A project's success depends on people.

## Buy local

Purchase equipment and technology from local sources.

## Find local funding

Get local funding through governments, hospitals, companies, and other organizations.

## Measure your success

Develop clear and measurable project outcomes and determine how you will collect your data.
