## Two Years Free From Wild Polio in Nigeria

Eradication efforts must continue until  
we reach every last child in Nigeria

WHO/L.Dore

## Rotary's New Year - The Rotary Foundation 100 Year Anniversary

We are already a month into our new Rotary year and district and clubs are putting their goals into action. This is a special year for all of us as we celebrate The Rotary Foundation's Centennial. 100 years of doing good in the world, something to brag about that not many organizations can and it's all because you, each and everyone made a choice to make the Rotary Foundation your charity of choice. What will your district/club do to celebrate our centennial? What will you do to celebrate the Foundation's many successes and to share with our members and the public how we as Rotarians have been serving humanity 100 years. Help us celebrate the centennial by creating a centennial event, publicizing the work of the Rotary Foundation and most importantly setting and meeting your Foundation's Annual Giving and Polio Plus goals. Have a look here for ideas on how to celebrate [www.rotary.org/foundation](http://www.rotary.org/foundation)

As we begin a new year of giving I want to thank all Districts across Zone 24 E for their efforts to raise funds for the Rotary Foundation's Annual Program Fund.

A huge shout out to District's 7090 for the largest APF giving in Zone 24 E \$271,836, District 7070 a close second with \$267,288 and just behind in third District 7010 \$241,370.

Congrats to District 7010 for the highest Per Capita at \$155.42, 2nd place to District 7080 at \$137.13 and close at 3rd District 7070 \$132.65.

Thank you to all who made this possible during the 2015-15 rotary year.

August is Membership and New club Development month. We look forward to a strong year as we grow Rotary and our Foundation as we work together as Rotarians Serving Humanity.

RRFC Duncan.

"We should not live for ourselves alone, but for the joy in doing good for others."  
Arch C. Klumph

## Polio the week ending July 27, 2016

### World polio Update

#### Wild poliovirus type 1 (WPV), Circulating vaccine-derived poliovirus cases (cVDPV)

Total Cases	YTD 2016		YTD 2015		Total 2015	
	WPV	cVDPV	WPV	cVDPV	WPV	cVDPV
Globally	19	3	34	11	74	32
Endemic Countries	19	0	34	3	74	3
Non-endemic countries	0	3	0	8	0	29

**Afghanistan:** No new case of wild poliovirus type 1 (WPV1) was reported in the past week.

The most recent case had onset of paralysis in Shigal Wa Sheltan district of Kunar province on 29 May. The total number of WPV1 cases for 2016 remains six (6), the same as the number reported at this time last year.

**Pakistan:** No new cases of wild poliovirus type 1 (WPV1) were reported in the past week.

The most recent case was reported in South Waziristan district of Federally Administered Tribal Areas (FATA), with onset of paralysis on 18 June.

The total number of WPV1 cases for 2016 remains thirteen (13), compared to 28 at this time in 2015.

Respectfully submitted

Karen L. Oakes.
