Welcome to a new Rotary Year 2016-17

A number of years ago I was a part of young leadership organization whose motto was "Service to Humanity is the best work of life". How appropriate and in keeping with President John's theme this year "**Rotary Serving Humanity**".

As we work together this year to serve humanity many of us will truly experience the benefit of giving and supporting others.

GOALS

July 1st will see a greater emphasis on Rotary's goals and action plans to support them. Why? Because it has been shown that organizations including ours who take time to develop, and implement measures to achieve goals are more likely to accomplish them. And achieving them means making a difference in the lives of others. The reason we take on these leadership roles. Your Zone 24 E Foundation team is here to support your work within your district leadership team and clubs as we work together to implement our common goals and action plans of the Rotary International President and the Rotary Foundation chair. Please make an extra effort to ensure all your club's have their goals entered on line. I would be Pleased to receive a copy of your District Foundation goals.
