It doesn't seem possible, but here we are in a new Rotary Year. As you may already know, the Rotary theme for 2019-2020 is "ROTARY CONNECTS THE WORLD". My number one goal for the year is to help facilitate these connections. Rotary gives us many opportunities to connect. Rotarians can connect with each other at the Club level. Clubs can connect with each other at the District level. Districts can connect with each other at the Zone level. Zones can connect with each other at the International level. Rotary can connect with other non-Rotarian organizations. If we take advantage of all these opportunities to connect with one another, imagine the lasting changes we can make in the world, in our communities and in ourselves.

This month our District Community and International grants will be awarded. We have received 24 grant applications for 2018-2019. The Grants Committee met on June 27th to evaluate the applications and determine which grants will be funded. The applications all reflect how our local clubs are trying to improve their communities or the world. They all reflect one or more of Rotary's Areas of Focus: Promoting Peace, Fighting Disease, Providing Clean Water, Saving

Mothers and Children, Supporting Education and Growing Local Economies. They also illustrate Rotarians connecting with other community organizations. Finally, the grant applications illustrate how Rotarians are "People of Action" not afraid to roll up their sleeves and get to work. Best of luck to all the applicants.

July is a very busy month for Rotarians. All kinds of activities are going on. RYLA winners are gathering at SUC Oneonta from June 30th to July 3rd for this amazing annual program for our youth. Youth Exchange leaders are meeting to learn of changes in the program and refresh their understanding of all the rules. Club activities including Fourth of July programs in Ithaca and Endwell, Music in the Park in Sherburne, Golf in Trumansburg, community sales in Unadilla, the Lumberjack Festival in Deposit and Waverly's 100th year celebration are all happening. Many of these activities require more workers than the local clubs have. They are excellent opportunities to connect with one another.

I will begin my Club visits on July 1st and complete them by October 24th. The complete schedule for the visits is in this newsletter and sent to all the Club Presidents. I am looking

forward to meeting all of you in the weeks to come. In the meantime, if there is anything the District can do to help your Club, please do not hesitate to ask. It is the responsibility of the District to help the Clubs accomplish what they want to do.

Until next time...

Yours In Rotary Service,

DG Dave

JOHNSON CITY CAROUSEL DAY

Carousel Day will be held on **Saturday, July 20th from 11 am to 5 pm at CFJ Park, 198 CFJ Blvd.** This fun community event is organized by the Johnson City Rotary Club with help and sponsorship from many local businesses.

The event is free to attend, and includes a variety of entertainers, musicians, food and craft vendors, and representatives from multiple community organizations and agencies!

The Carousel Modelers and Miniatures Association is holding their annual convention during Carousel Day and will have displays in the carousel area.

The NY Volunteer Infantry Regiment Reenactors will provide historic Civil War reenactments throughout the day, and Gary Hinmen will be giving demonstrations on Blacksmithing throughout the day as well.

Many community organizations will be on hand to promote their work in JC and the triple cities area including Your Home Public Library, UHS, the Goodwill Theatre, Finch Hollow and the YMCA.

Local food vendors will be offering traditional fair-foods, including speidies, ice cream, fried dough, cotton candy and more! Local arts and crafts vendors will be selling their creations.

Music will be provided throughout the day. Children's entertainers will include: Will Stafford, Juggler extraordinaire, from 12- 2:00 pm; Tim Cleary, Magician- performances at 12:15, 12:45 and 1:15 pm; and Grandpa Joe the Organ Man will be performing all day. DJ Rich Bird-sall will be spinning tunes.

The carousel at CFJ Park was donated by George F. Johnson to the children of the com

munity in 1923. It is the largest of the area's six EJ carousels, housing 72 different horses. When Johnson donated the carousel, he did so with one stipulation – rides will remain free forever. George F. had been turned away from a carousel ride for lack of money when he was a child, and he wanted to be certain that no child in the Triple Cities would ever feel that shame. The CFJ Carousel is listed on the National Register of Historic Places and draws visitors from throughout the Southern Tier.

Village Historian Janet Ottman will be sharing more details on local and carousel history throughout the day.

This event represents a renewal of community spirit in the Village of Johnson City. Revitalization not just about new buildings or funding, it is also closely tied to community service and participation. We are all a part of the community, and the partnerships developed to bring Carousel Day back are a great example of the old adage "many hand make light work." Let's not talk about the Village's heyday as having been long-gone...instead let's work together to make tomorrow and the next day the best days in Johnson City's history.

Join us for a great day of family fun in the park. Let's celebrate our carousel culture together!
